Softball Doubleheader Scheduled Tonight

Coast Team Sought for Klamath

Effort May Be Made to Get San Francisco Seals After Missions Are Forced to Decline.

Hal Haight missed getting the San Francisco Missions to stop over in Klamath Falls by about the thickness of an eyelash.

Preliminary arrangements for the contest were completed while Haight was in San Francisco early this week. The Reds tentatively agreed to hop off the train on August 3 to meet a picked team of southern Oregon baseball players. The contest was scheduled for Modoc ifeld.

Thursday afternoon, however, a letter arrived saying that the Missions had to cancel the contest. By August 3 the third-place club in the Pacific Coast league would be en route to Portland to play nine games in one week. The heavy schedule was made necessary through postponed contests.

The club found it best not to increase the schedule load by permitting the men to play an exhibition contest.

The same situation holds good for Oakland. The Acorns go north at the same time as the Reds but they too have a long list of postponed contests to get off their chests.

* * *

In writing to Haight, J. N. Stipp, the Mission secretary, said it might be possible to arrange a contest with the San Francisco Seals on August 24.

The Seals will pass through Klamath Falls on their way north to open a series with the Beavers on August 25.

Three teams will make their debuts in the Softball league at Modoc field tonight while the fourth has high hopes of protecting its unbeaten rating.

The Knights of Columbus and Lost River, both figured to count heavily in the running for the 1936 championship, meet in the first game under lights at 7:30 o'clock. It will be the opening game of the schedule for each combination.

Immediately following the first contest, Smoke will take the field against Old Fort.

Smoke gained a first-place tie with Weyerhaeuser Monday night by downing the Elks in a close contest. Weyerhaeuser defeated Lowell's.

League officials said Friday morning that if they could duplicate Monday's attendance mark at each doubleheader, the league would break even in its expenses.

Oregon Athlete Receives Welcome

SAN FRANCISCO, July 17. (AP)—Although George Varoff flunked out in his Olympic games' test at Randall's Island last Sunday, this city planned to give him a champion's welcome today.

The Olympic club athlete who went east unheralded to set a new world's record of 14 feet, 6¾ inches in A. A. U. pole vault competition at Princeton recently, will be greeted home by Mayor Angelo Rossi, club officials and a delegation from the towering office building where George is a janitor.

New Wrestler to Give Wolfe Hard Struggle

Jim Lott will give Les Wolfe a close run for wrestling honors at the Klamath armory Tuesday night.

Heavier than Wolfe and just as fast and clever, the young Alabama athlete stands out as a strong contender for the local title now in the possession of the undefeated Dude Chick of Wyoming.

Without a doubt the winner of the Lott-Wolfe encounter will be given an opportunity to tackle the man who has not lost a match in 14 Klamath Falls main events.

While Lott's name is not particularly well-known in Klamath Falls, wrestling followers who saw him defeat Charlie Carr now consider him one of the best performers brought here by Mack Lillard. Lillard himself was surprised by the southerner's ability. The promoter had at first regarded him as a fairly good preliminary performer rather than as a man with main event qualifications.

Setting out to duplicate his brother's record, Bobby Chick enters his fourth match Tuesday when he meets Bob Montgomery, a newcomer from Georgia. Chick has won two and earned a draw in the third.

Charlie Carr of Mississippi, a good wrestler who has had some tough breaks will meet Prince Mihalakis in the opener.

Old Foes Meet in Final Match Of Golf Event

PORTLAND, Ore., July 17. (AP)—Miss Florence Sellars, Portland golf star who went down to 1-hole defeat at the hands of Marian McDougall in the northwest women's golf tournament at Vancouver, B. C., found herself facing her conqueror in the finals of the Oregon women's tourney today.

Miss Sellars and Miss McDougall battled their way through preliminary rounds, eliminated Mrs. G. S. Hinsdale, Portland, and Lyle Porter, Corvallis, respectively in the semi-finals and teed off today for the state title.

Miss McDougall, the defending Oregon champion, won from Miss Porter 6 and 5 and Miss Sellars ousted Mrs. Hinsdale 5 and 4.

Both finalists played close to par golf yesterday and a close battle for the title was expected.

MISSIONS FACE HARD SCHEDULE

Reds' Position in Third Place Threatened By Beavers.

By the Associated Press

Pacific Coast league teams began new series with positions unchanged from the beginning of the week, but with San Francisco's Missions faced with a tough battle to stay in third place.

While other first division teams were successfully coping with rivals Thursday, Willie Kamm's hirelings lost their third in a row, and fourth of the short series to Portland, the score being 6-5. Seattle again won by a single run from San Diego as crafty Lou Koupal pitched a 3-2 win, while willowy Ken Douglas left-handed the runner-up Oakland across to a 3-0 victory over San Francisco's Seals.

Los Angeles had no trouble winning over Sacramento 7-2, as Jack Salveson hurled his 10th straight victory of the season.

Four teams were to get postponed games out of the way. Los Angeles and Oakland meet in a doubleheader under the lights, while Sacramento and San Francisco also play a pair of night games.

Portland plays in San Diego, while Seattle meets the Missions in San Francisco.

The tribe took two games from San Diego and glided into the Mission stronghold bent on no good for the faltering Reds. Hollis Thurston had Portland licked yesterday until the usually reliable Eddie Joost juggled one in the sixth inning to let two runs score. Dudley Lee came to bat, tripled and scored on a single to complete a four-run rally, as two were out when Joost erred. Thurston should have blanked the Beavers in this frame, and Manager Bill Sweeney's homer in the eighth should not have provided the winning run.

Arthur Hunt, who has regained his batting eye, clouted in all of Seattle's runs, the winning marker scored on his double with Jimmy Shevlin on base.

Fishing News

By Klamath County Chamber of Commerce

Clear, warm weather prevails and good fishing can be found in practically all of the streams and lakes in the Klamath region.

Diamond Lake—The fishing has been improving this past week and is now classed as good. The highways into Diamond lake are excellent.

Lake o' the Woods—Fishing is fair. Some nice catches of silversides have been made by trolling. Bass are being caught on plugs and perch by still fishing with worms. The road into Lake o' the Woods is fairly good but dusty. The road to the top of Pelican Butte is now open and the lovely panorama of the Klamath basin, Wood river valley and the Cascade mountains, with their many lakes, is well worth the drive up there.

Fish Lake—Fishing here continues to be good and many nice catches of eastern brook trout are being made by trolling, both with worms and with eggs.

Four Mile Lake—The road into Four Mile lake is very rough, but is passable for cars with high clearance. Fishing there has been very good. Limit catches have been taken all week by both trolling and still fishing. Boats are available.

Rocky Point—There is still construction on this road at the edge of the city, but with slight inconvenience to travel. Fishing at Rocky Point is very good, with large catches of good-sized fish being caught. Andy Reekers, Wilson Wobblers and wooden plugs are favorites for lure.

Crescent and Odell Lakes—We have had no report from these two lakes, but in all probability fishing at both places is good. We know that stream fishing in that vicinity is reported very good. The roads into these lakes are in fine shape.

Crater Lake National Park—All roads into the park are in good condition. Parties wanting to be sure of securing accommodations at the lake should make reservations. This is particularly true of the housekeeping cabins, as sometimes they are all taken by late afternoon. Excellent trout fishing may be enjoyed in the lake. The limit, which is 12 fish per person per day, is easily caught either by fishing from shore or by trolling. No angler's license is required to fish in Crater lake.

All mountain streams in this locality are considered fairly good fishing and various kinds of flies are the most popular lure. Sometimes eggs or worms are used for bait. Parties desiring to pack back to the headwaters of some of these mountain streams, where there is good fishing and beautiful country, should avail themselves of the string of horses that G. M. Denton of Fort Klamath has for hire. Denton lives about four miles west of Fort Klamath on the Crater lake highway. Saddle and pack horses, as well as the services of a packer or guide, can be secured from him.

LOWLY PHILS SET HOT PACE

Second Division Club Playing Outstanding Baseball.

By The Associated Press

It may be only a flash in the National league red-hot pan, but those Phillies are giving the baseball world an occasion for some eyebrow lifting.

Although they're still a long way from the first division, let alone the top of the heap, they've been the hottest outfit in the big leagues since July 1, and the only club in their loop to keep up with the pace set by the galloping Cubs.

Win Ten, Lose Four

They made it 10 victories against four defeats since the first of the month, third in a row over the Cardinals, and spoiled Dizzy Dean's return to action by teeing off against the "Great One" yesterday and burying him under a 6-2 score. "Old Diz" lasted just five innings against the slugging Phils in his first start since a line drive knocked him unconscious and out of the lineup last Saturday.

The defeat for the gas house gang left it two full games back of the Cubs, who also won their tenth start out of 14 since July 1 by turning back the Boston Bees 1-0 in a 10-inning affair, on the strength of Lon Warneke's four-hit hurling.

Yanks Beat Detroit

Bill Dickey and Joe Di Maggio led the Yankees to a 5-2 win over Detroit, boosting New York's pace-setting margin to 10 full games.

The beating bounced the Bengals out of second place, and the wild-hitting Indians from Cleveland moved in with a 7-0 walloping over the Athletics—their sixth straight win.

The Red Sox, with Jimmy Foxx hitting homers number 25 and 26 to take the big league lead, climbed back into the first division by splitting with the St. Louis Browns. The Sox lost the first 6-3, and then won 5-4.

Boston's advance was at the expense of Washington which fell again before Jimmy Dykes' Chicago White Sockers, 9-7, and dropped into fifth place.

In the National league, the Giants won over Pittsburgh 7-6, when Mel Ott hit his 17th homer with a mate on base in the eighth inning. The Reds and Dodgers were idle.

Snakes are known for their gluttony. A 70-pound python recently ate a 20-pound pig in one meal. This was enough food to supply the snake with energy for more than a year.

Brundage Prospect for High Post on Olympic Committee

ABOARD S. S. MANHATTAN, En Route to Berlin, July 17. (AP) Avery Brundage of Chicago is slated for election to the international Olympic committee to succeed the late General Charles E. Sherrill.

The American Olympic committee president declared today he "knows nothing" about the proposal, but the Associated Press learned Brundage already has been agreed on by international committee members and will accept.

The place defaulted by Lewis L. Jahncke also is due to be filled. Two New Yorkers, Gustavus Town Kirby, treasurer of the American Olympic committee, and Murray Hulbert, have been mentioned for the post.

Seasickness was added today to the problems of the Olympians.

Three oarsmen were among the victims of mal de mer, including the Washington Huskies, Don Hume and Herbert Morris.

Prospects of a moderate blow, with the ship's motion increasing were expected to curtail training, but the majority of athletes still took full advantage of the lifting of the menu restrictions.

Because of complaints of the lack of variety and quantity in the training table diet, officials yesterday agreed to give their charges the full run of the ship's menu, except sweets and pastries.

Brundage, who had to shoulder much of the burden of the last minute efforts to gather expense money, disclosed the committee was offered $100,000 by a breakfast food concern if the committee would agree to include the food on the athletes' menu and permit advertising.

"Though tempted to accept this means of solving most of the money worries," he said, "the committee rejected the offer on the ground that it would be unethical and set a precedent injurious to sport."

The condition of Robert Harold Smallwood, Ventura, Calif., 400-meter runner who was stricken with an attack of appendicitis Wednesday when the ship sailed from New York, continued to improve. Head Coach Lawson Robertson announced no substitution will be made for Smallwood.

The Bermuda flying fish, exonautes rondeletii, builds its nest of seaweed. After the eggs are laid, the weeds are rolled up into balls four or five inches in diameter, and tied with silken strings, which the fish produces.
