DISTRICT OFFICER VISITS TULELAKE

TULELAKE, July 18.—Walter Evans, Wood, district commander of the American Legion, and Mrs. Evans were present for the meetings of both the Legion and auxiliary and the Junior auxiliary in a largely attended meeting Tuesday evening.

In private session, the Legion elected officers for the coming year and delegates to the annual Legion convention to be held August 10-12, and compiled a program of activities for the coming months that will stress Americanism, community service, rehabilitation and a safety first campaign. Evans discussed briefly each topic of the proposed program.

Junior auxiliary officers were installed, and a cake sold for the benefit of the organization. Announcement was also made during the meeting of purchase of two books, 1 S. M. and American Manual, Revised, which will be placed on the shelves of the public library now located in the office of Attorney Chandler.

The auxiliary will serve supper at the dance sponsored by the Legion to be held next Saturday night, July 19, in the Legion hall.

Legion delegates named included Frank Mosher, Roy Campbell, George Voss, William Hooper, M. L. Sutton, Joe Zampese and George Frey.

Roy Campbell will serve as commander, M. L. Sutton first vice commander, Harry Miller second vice commander, Charles E. Weiss adjutant, M. L. Laird finance officer, George Frey chaplain, Clyde Barks historian, E. C. Bercheman sergeant at arms, and George Voss executive committee member at large.

Junior auxiliary officers are as follows: Lorraine Dunlap, president; Virginia Hooper, first vice; Maxine Barks, second vice; Elizabeth L. Jones, secretary; Treasurer; Betty Campbell, chaplain; Helen Murray, historian.

Ruth Kadous acted as installing officer.

Conservationists are working hard to save the sandhill crane from extinction. The bird stands almost as tall as a man and presents an excellent target for the hunter; its flesh is very palatable and often has been bootlegged as turkey.

20 Miscellaneous For Sale

Stock Market Quotations

NEW YORK, July 18. (AP)—Showers in the corn belt, together with continued favored industrial news, helped to keep the stock market on a fairly even keel today, but recovery vigor was lacking except in specialties.

A number of issues, at their best, were at new highs for the past 5 years. The close was steady. Transfers approximated 500,000 shares.

With moisture reports from the drought districts, and rain promised Monday, farm implements rallied momentarily. Most repeated later.

Shares about unchanged to up around 2 points included Spinel-May-Stern, Rutherford Paper, Philip Morris, Westinghouse, General Electric, Anaconda, Kennecott, Magna Copper, Dupont, North America, Consolidated Edison, International Paper Preferred, Atlantic Coast Line, Delaware and Hudson, U. S. Steel, Bethlehem, Tilden-Detroit, California Packing, Fajardo Sugar, Phillips Petroleum, Goodyear and Standard Oil of New Jersey.

Norfolk and Western was down about 4 points on a single transfer. Sears Roebuck yielded a point.

Brokers pointed to the absence of important selling after the lengthy climb of leading equities as an argument supporting the long-pull trend.

In addition the steady flow of second quarter statements, the best for the most part in several years, was seen as a sustaining market factor.

San Francisco Man Hires Ex-Wife for Housekeeper's Job

SAN FRANCISCO, July 18. (UP)—Women who complain frequently their husbands regard them merely as housekeepers discovered one man Friday who employed his former wife to keep house for him.

The strange pattern of the married life of Andrew Laslovick and his wife Margaret and the care of their seven children was unfolded in domestic relations court.

Andrew won an interlocutory decree of divorce from Margaret on the grounds she had neglected to take care of their children. Mrs. Laslovick was not in court, and the jurist asked where she was.

"She's at home taking care of the house," Laslovick
