

WAREHOUSE REMOVAL AND AUGUST FURNITURE SALE

**We Have Filled Our Store to Overflowing—
Still We Must Make More Room for Warehouse Stock!**

Sale Starts Tuesday At Store and Warehouse

★ We are faced with the tremendous task of removing immediately our entire warehouse stock—new purchases, high class standard lines such as Simmons and Kroehler, and our entire stock of trade in furniture. The News and Herald has taken a long time lease on our present warehouse building (originally erected as a newspaper plant) at the corner of Pine and Esplanade, across from Balsiger's.

It will cost us real money to move this stock, so we will **SAVE YOU REAL MONEY** if you will move it for us. We have brought a good deal more furniture up to our store, but still we must have more room. This sale will be conducted both at the store and the warehouse.

This is a real opportunity, because naturally the most desirable pieces are those of which we bought quantities. We have left no stone unturned to make this the greatest furniture event of the year.
