Your Search for the Right Truck Ends Here

In the International line there's a truck for your job. The 26 different International models come in a total of 70 wheelbase lengths. Carrying capacities range from Half-Ton to powerful Six-Wheelers. Here, in one line of trucks, the needs of the trucking world are fully met.

Truck operators recognize the extra value that International Harvester Company is able to build into every truck that bears the name. More than thirty years of perfecting all-truck construction means a great deal to every user.

Come in to our showroom today and inspect the trucks designed to do your work. A demonstration will point the way to new profits in your business.

International sizes range from Light-Delivery to powerful Dump and Tractor Trucks, starting with 1/2-ton 6-cylinder chassis at

Convention Papers Going to Delegates

Copies of The Herald-News convention supplement are to be given to delegates attending the big Moose meetings.

Distribution will take place at the convention headquarters, or wherever delegates gather. The

program, convention news, and pictures of active Moose are expected to win much interest among those attending the state meeting.

You can bring charges against Big Jim Farley, but proving them is another thing. Huey Long placed charges against Farley and look what happened to him. —Rev. Charles E. Coughlin.

The bark of the tropical papaya tree is made into rope; the juice furnishes medicine for countless ailments; the fruit is eaten, either cooked or raw, or rubbed on the face as a cosmetic; while the heart of the tree is grated and used like grated coconut.

Is higher education to be limited only to students who have

money? Not as long as I am mayor! — Mayor Fiorello La Guardia, New York City.
