American Team In Last Week Of Practice

BERLIN, July 27. (AP)—The coaches of America's Olympic teams began cracking their whips in earnest shortly after sunrise today as their charges entered the final week of hard practice before the start of the games.

Indiana Don Lash is the lone exception to the program. As his event, the 10,000 meters, will be run on the first day of competition, next Sunday, he practically will complete his strenuous preparation today and begin to taper off. He has worked harder than anyone in camp except Glenn Cunningham and is in splendid form.

One of the largest problems is to get Jack Torrance, the over-stuffed Louisiana athlete, down to his best shot putting weight, believed to be 275 pounds.

The only other one of their charges giving the track and field coaches any real worry was Gene Zenske, the smooth-striding Pennsylvanian, who appeared to have slipped past his peak. The consensus was that two Kansans, the veteran Cunningham, and the newcomer, Archie San Roman, would have to carry the torch in the classic 1500.

Better weather, yesterday aided in staving off another mild epidemic of head colds and sore throats. Head Track Coach Lawson Robertson said none of the athletes was seriously affected but he was troubled by a cold himself.

LOGGERS STOP KLAMATH CLUB

Glendale Scores 4 to 2 Victory Over Red Sox Here Sunday.

Despite brilliant hurling by Al Hogan, Red Sox right-handed chucker, poor support and numerous errors gave Glendale a 4 to 2 victory over the Sox on Modoc field Sunday to throw the Southern Oregon league into a three-way tie.

Hogan, outstanding pitcher of the day, pitched five-hit ball for the losers but the game was practically handed over to the Loggers in the fourth frame when three men scored on Red Sox errors.

The Sox got off to a flying start in the first inning when Shipman tripled and scored on Wheeler's double. No more scoring was done until the fourth and big inning for Glendale.

In the fourth Wade was safe on a Sox error. Scherner singled and the two men were out. Chaney striking out and Adamson flying out to center field. Wade and Scherner both scored on a sharp single by Avery. Neathammer singled, scoring Avery and crossed the plate himself when the ball was thrown wild by the Sox.

Booth scored for the Sox in the sixth when he was safe at first on an error, going to second on Hogan's fielder's choice, and scoring on Shipman's single.

The Klamath boys settled down to consistent playing after the fourth inning fray and held the Glendale Loggers scoreless. However, the Sox were never able to overcome the two run lead they had given the Loggers. Several times the Sox worked their way around to third but clever pitching and fielding on Glendale's part kept them from scoring.

Next Sunday the Sox meet the Pelicans on Modoc field and if they wish to keep in the pennant race, must take this game.

Pendleton Producing Fine Polo Ponies

PORTLAND, July 27. (AP)—The Pendleton range country, producer of champion cowboys and broncos, also has another contribution for the sports world — top-notch polo ponies.

Tommy Hitchcock, the world's only 10 goal polo player, stopping over here on an air journey to Seattle, answered a question of where the world's best polo ponies come from with the reply:

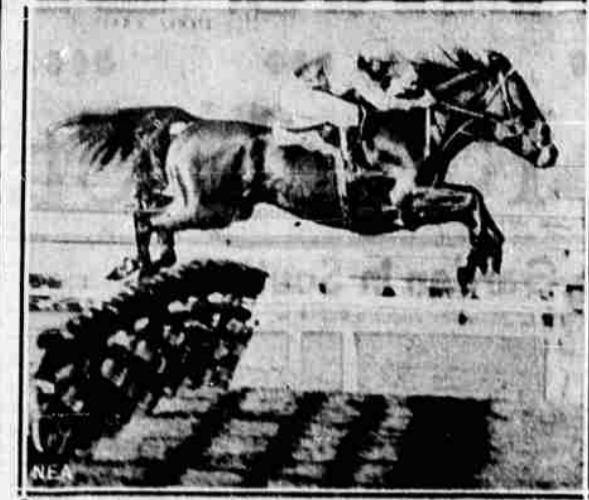

"They come from all over—out here in the west, from England and from Argentina. A lot of our very best ones come from out here. One of my friends, who is a great player, gets all his ponies from around Pendleton."

A Detroiter complains he had a tooth pulled two months ago, and still has a ringing in his ear. He might answer the dentist, and tell him he'll pay the bill.

For the new Dionne baby, there's one grain of comfort. Not many boys will have the opportunity of shaking down big sisters' five young men.

A trans-oceanic bridge has always been a dream, but might yet become a reality by turning the successor to the Queen Mary and Normandie sideways.

Kept on the Jump to Outrun Rival

Suppose you were counting horses to get to sleep—how many would you add to your total as this scene flashed before your weary mind? You'd probably have to get wide awake, to detect the horse nearly concealed by the rival who jumped simultaneously in a hurdle race at Melbourne, Australia. Better stick to counting sheep. It's less exciting, so more sedative.

Montgomery To Meet Wolfe Tuesday On Even Terms

Rough and eager for a fight, Bob Montgomery, one of Georgia's best known heavyweights, will meet Les Wolfe, a Texan, on even terms at the Klamath armory Tuesday night.

It will be Wolfe's third straight main event in Klamath Falls and he has yet to taste defeat. Victories over Pete Belcastro and Jim Lott have put him on the top among the challengers for local honors held by Dude Chick, the unbeaten Wyoming cowboy.

Wolfe once more will rely upon his figure-four scissors, the hold that has brought him so many successes in Klamath Falls for the past few seasons. Under normal circumstances, Wolfe is a clean, fast grappler. But when pressed he can become as rough as his opponent.

Undoubtedly Wolfe will be forced to fight back with roughness. Montgomery, strong and quick, is a battler. While he knows how to wrestle, he likes a good scrap and frequently resorts to questionable tactics.

A professional strongman with a wide reputation in wrestling will battle Lott of Alabama in the semi-windup. The newcomer is Walter Stratton of Ohio. The men will meet in a six-round clash.

Orville Dean, 24-year-old nephew of the famous Man Mountain, makes his Klamath Falls' debut in the opener against Bobby Chick, Dude's brother.

Lowly Sacramento Grabs Off Two From Seattle

Sacramento's score in the same frame decide the game. Arthur Hunt's homer with two on was the only damaging blow struck by the Tribe in the afternoon.

The Senators, who have won more games on Sunday than any other day, slugged down the league leaders, 8-7, and 10-4 yesterday. Oakland held its own by dividing with Portland in their marathon series, 6-7, 7-2.

Los Angeles knocked over San Francisco's Seals in two games, edging out a 6-5 win in 11 innings, and copping the short game 11-4. The San Francisco Missions prevailed over San Diego in the first game, 4-1, but the Padres took the nightcap 3-1.

Rutherford took a chance on Ed Wells in the opener and the left hander blew a three run lead in the third when the Solons scored four runs. John Chambers weathered trouble in the ninth to make

Pelicans Lose To Merchants Sunday, 7 to 2

Bob Hardy, star hurler for the Grants Pass Merchants, struck out 15 Klamath Pelican batters and pitched his team to a 7 to 2 victory Sunday afternoon.

The game was played at Grants Pass. With the Loggers winning over the Klamath Red Sox, the result of Sunday's two contests threw the Southern Oregon league into a three-way tie.

The score: R. H. E. Grants Pass 7 11 3 Pelicans 2 4 4 Hardy and McLean; Brown and Fryer.

EIGHT POSTPONED
PORTLAND, July 27. (AP)—An injured eye suffered in training by Al Cirino, San Francisco featherweight, caused a postponement today until August 4 of his bout here with Buzz Brown, Minneapolis boxer.

A Hume, Mo., physician estimates he has saved \$800 by not having had a shave in 52 years. It seems reasonable; consider what he has saved in ties alone.

YANKEES, CUBS BIG FAVORITES

Two Leaders Appear Almost Certain for Series.

By The Associated Press Sports Writer.

Day by day as these dizzy pennant chases head for the stretch, it becomes increasingly difficult to see anything but a New York-Chicago world's series for this fall.

A lot can happen before the September windup, but the fact remains that the Yankees' revived pitching to back up their batting dynamite and the Cubs' continued great hurling make those pace-setting outfits tougher and tougher.

Pop Bottles Thrown
A pop-bottle-throwing climaxed a riotous doubleheader in which the Yanks, aided by Lou Gehrig's 29th and 30th homers, snapped definitely out of their hitting laxity and knocked off another challenger by taking the White Sox 13-3 and 11-8, to stretch their American league lead to 8 1/2 games.

Fans, angered by a decision in the ninth inning of the nightcap, which went 11 frames, hurled more than 100 missiles down on the field.

A bottle hit umpire Bill Summers in the groin and forced him out of action. Baseball's high commissioner Kenesaw M. Landis immediately offered a \$5,000 reward for information concerning the thrower.

The Cubs, at the same time, held onto their three-game edge in the National league by splitting with the Phillies, while the second place Cardinals were doing the same with the Bees.

Held to two hits by Bucky Walters for a 4-0 setback in the opener, the Cubs took sweet revenge in the nightcap with six homers. His first assorted hits, and an 18-0 triumph. The Cardinals, headed out 4-3 by the Bees in the first game, slugged similarly behind Dixie Dean's pitching in the nightcap for an 8-5 decision.

On the short end against the Boston Red Sox for the third straight day, as Jimmy Foxx belted two homers to set the pace for a 10-3 win, the Tigers heard Mickey Cochrane reveal he is to return to action today.

His first move, he said, would be to bench Billy Rogell, bring in some new talent and try to start the Tiger machinery humming again.

Robins Win Two
The unpredictable-as-ever Brooklyn Dodgers did another flipflop in form, and staged two ninth inning rallies to win a pair of pitchers' duels with the Pirates and club the Bucs into fourth place. Van Mungo took the opener 1-0 and Ed Brandt the nightcap 4-3, each with a five-hit performance.

The Glants, who split with the Cincinnati Reds, winning 6-4 and losing 5-2, found themselves back in third place by those developments.

A pair of stalemates completed the American league program. A 20-hit attack behind Buck Ross' six-hit flinging gave the Athletics a 13-9 victory over the Indians but Cleveland came back to slug out an 8-5 decision. The Senators walloped the Brown's 9-2 in the opener. They took a 9-2 licking in the second game.

State League in Second Half Games

PORTLAND, July 27. (AP)—The second-half of the state league baseball season got underway Sunday with Eugene, Salem and Bend smashing out victories.

Portland, winner of the first half, got away with a close defeat at the hands of Bend, 2 to 1. Murel Neel, former University of Portland football star, breaking up the game, played at Bend, by clouting out a home run in the ninth to break a 5-5 tie.

Salem turned loose 12 hits to humble Hop Gold, runner-up in the recent state semi-pro tournament, 6-2, while Eugene had the best of a free-hitting contest at Woodburn, 13 to 7.

A new beer, according to the ads, "picks you up." Just the thing to take, then, after the eighth or tenth whiskey.

Top Ranking Net Stars in Tourney

SEA BRIGHT, N. J., July 27. (AP)—America's top ranking tennis players began their campaign for the national singles crown today in the 49th annual Sea Bright tournament.

The first of the major tournaments before the grass court title test at Forest Hills, the Sea Bright classic drew one of its best fields since William T. Tilden and Billy Johnson dominated American tennis.

Led by Donald Budge, California redhead, 32 of this country's top notch net men are in the singles field. Carolin Babcock, also of California, heads an equally strong women's division.

Oravec to Play With All-Stars

PORTLAND, July 27. (AP)—An invitation to play with the collegiate all-stars against the Detroit Lions, professional football champions in the annual gridiron amateur-pro classic in Chicago Sept. 1 came to Johnny Oravec, Willamette university halfback, today.

Selections of the amateur team members were made by votes of fans, Oravec receiving more than 50,000.

KENNETT GETS HOLE-IN-ONE

Klamath Golfer Drops in Tee Shot Sunday on Seventh.

Webb Kennett rang up a hole-in-one on the seventh hole at Reames golf course Sunday.

It was the second ace in a week. Major W. R. Strickman, visiting here from Fort Bliss, Texas, performed the same feat last Tuesday.

Kennett's perfect shot was made with a No. 4 iron. The ball called high, bounced at the edge of the green, and headed straight for the cup.

Playing with Kennett at the time were Jack Beal, I. M. Collman, and Ernest Mullis.

The seventh hole is 165 yards from the tee. Five holes-in-one have been made there since the course was built. None was made last playing season.

Eleanor Signed To Send Stories Of Berlin Games

BERLIN, July 27. (AP)—Eleanor Holm Jarrett, New York swimmer star expelled from the American Olympic team on charges of repeated infractions of training regulations, today joined the army of sports writers here to report the 11th Olympic games.

Definitely determined to remain through the international contests, Aug. 1-16, Mrs. Jarrett accepted an offer to write for an American syndicate. Her first "by-line" went out today.

Officials of the American team paid scant attention to the charges made by the swimmer Saturday that they had been guilty of "misconduct" en route to Berlin and had neglected their responsibilities.

The only reply came from Gustavus T. Kirby, who denied Mrs. Jarrett's statement that the mock marriage and trial given as entertainment on the Manhattan were "shocking."
