Stock Market Quotations

NEW YORK, Aug. 1 (UP)—Stocks, off balance the greater part of today's brief session, rallied quietly in the final half hour. Drought news continued to depress some of the farm implement issues and others, although the edge seemed to have worn off the selling even in the stocks of companies with an eye on agriculture incomes.

G. C. Murphy stock was a strong spot, jumping some ten points in this dealings. Steady to firmer were U. S. Steel common and preferred, Bethlehem, Youngstown Sheet and Tube, Douglas Aircraft, American Commercial Alcohol, U. S. Rubber, Goodyear, Du Pont, American Can, Consolidated Edison, New York Central, Pennsylvania, Corn Products and California Packing.

Losses of as much as two points were either reduced or cancelled by J. I. Case, Deere, International Harvester, American Telephone, American Water Works, Northern Pacific, Continental Can and Zenith Radio.

The typical American teacher approves of many far-reaching reforms, but his dissent from the status quo is that of a gradualist rather than that of a revolutionist.—Dr. George W. Hartmann, Columbia University.

Four Die in Train Wreck Rebels Caused

Four killed, 27 injured was the toll chalked up by Fascist terrorists who derailed a passenger train in the Bilbao district as the Spanish revolution spread. The overturned carriages of the wrecked train lie in the foreground in this picture, sped to America aboard the Queen Mary on her record Atlantic crossing.
