

# Health Protection FOR CHILDREN'S LAUNDRY!

MOTHERS will confirm the extreme importance of hygienic cleanliness for baby's comfort and health. This means that frocks, nighties, diapers, bibs, sheets and cotton crib covers must be sanitary. In laundering white cottons and linens a mild Clorox solution bleaches, banishes ordinary stains, deodorizes and disinfects in one easy, economical operation. A slightly stronger Clorox solution takes out stubborn stains such as ink, fruit, flower, grass, beverage, medicine, blood—even scorch and mildew.

Clorox also disinfects, deodorizes and removes stains from refrigerators, food containers, drainboards, sinks, bathtubs, basins, toilet bowls, tile, linoleum, sickroom utensils and garbage receptacles.

You'll be amazed to learn the number of ways that Clorox can help you. The label lists many important household and personal uses. Clorox is concentrated for economy. Always order by name. There's only one Clorox.
