

CITY BRIEFS

University Man Here—Mr. and Mrs. John Brady of Forest Grove, Ore., and Dr. and Mrs. Virgil Lilly of the University of Morgantown, W. Va., were guests last weekend at the Homestead home of Mr. and Mrs. R. C. Houskinson. The visitors said that while in Medford on their way to Klamath Falls, they were informed that Klamath had had a cloudburst last Thursday. The party left Saturday for Crater Lake. Dr. Lilly, who teaches at Morgantown, plans to visit Klamath Falls again next year.

B. & P. W. Picnic—The Klamath Falls Business and Professional Women's club will entertain Medford, Bend and Ashland clubs at a picnic to be held Sunday, August 16, at the Benton and Jackson picnic grounds near Fort Klamath. Luncheon will be served, and all who wish to make arrangements for transportation, or who have room for passengers in their automobiles, are asked to call Carol Petty.

Minor Accident—M. S. West has reported to police bureau a minor automobile accident which occurred at 9:30 p. m., August 8. The accident occurred at the intersection of Main and Broad streets, and Paul Laird was the operator of the second machine involved. Damages were slight.

Leave Tuesday—Mr. and Mrs. Ralph Darnold of 2829 Orchard street, left Tuesday for Portland, where Mrs. Darnold will enter a sanitarium for medical treatment.

STOMACH NAUSEA MADE OREGONIAN AFRAID TO EAT

"10 Years' Awful Suffering—Food Turned Jo Gas and Bloat," Testifies Well-Known Oregon Man. "I Took Van-Tage Treatment. Week Gave Quick Relief!"

Mr. E. L. Monroe, of 495 E. Third Ave., Eugene, Oregon, is the latest widely-known resident of this general vicinity to come out with a statement publicly praising and endorsing the "Amazing Mixture of Natural Herbs and Scientific Medicaments" known as VAN-TAGE, which is now being introduced to crowds here in Klamath Falls by Everbody's Cut-Rate Drug.

"VAN-TAGE did more for me than a hundred other medicines combined. It's nothing short of wonderful in its action," states Mr. E. L. Monroe, widely-known Oregon man.

Mr. Monroe is a contractor who has lived in Eugene for the past 10 years. He is widely known in Oregon, and what he has to say about Van-Tage will be read with interest by hundreds of people. Following is his remarkable statement, which we are publishing below just as he wished it to go to the public:

Weak and Sluggish Kidneys

"For 10 years I was in awful misery. My stomach was so upset that after meals I would vomit up part of my food and the rest would turn into gas and bloating and put me in awful pain. At times I couldn't even hold down a drink of water on my stomach. It was awful. My kidneys were weak and sluggish and got me up MANY TIMES every night and broke up my sleep so that I got up in the morning feeling as tired as when I went to bed."

"I guess I must have tried a hundred medicines in the last 10 years, but nothing ever helped me. But finally I found Van-Tage, and it did more for me the first week I took it than the hundred other medicines I tried in the last 10 years combined. It acted on my stomach and worked out the gas as well as the bloating and pain, and now I can eat three hearty meals a day, for the first time in many years, and it all agrees with me and no vomiting or suffering afterward. It is wonderful for a person's kidneys; in fact, I never have to get up at night any more, but can sleep all night long. This medicine is nothing short of wonderful in its action on a person, so I am gladly giving this statement, and hope all poor, suffering people will get Van-Tage and take it."

Over 30 Ingredients

VAN-TAGE contains over 30 ingredients, including the 21 great Natural Herbs, 20 Million Bottles of this Formula have already been sold! The cost of this Great Compound is small, due to immense volume in which it sells. So don't hesitate. Get Van-Tage—TODAY at Everbody's Cut-Rate Drug, and leading druggists in this vicinity.

Minor Accidents—Reports of several minor automobile accidents which occurred late last week have been filed at the sheriff's office as follows: L. Van Dam of San Anselmo, Calif., collision with a machine driven by Roy McNabb of Oakland, Calif. The accident occurred Friday near Lovella. John W. Gathright reported that he was blinded by lights of an oncoming automobile near Klamath Agency, and that he sideswiped the machine in passing at 1:30 o'clock Saturday night. R. P. McKay reported that his machine was sideswiped Saturday night about a mile beyond Keno, on the Greensprings highway.

Here From Kansas—Mr. and Mrs. M. E. Warren and daughter Virginia Lee, and Miss Verda Stanley of Pratt, Kan., arrived in Klamath Falls Monday to visit with Mrs. Warren's sister, Mrs. L. R. Stringfellow, and family. The Warrens visited Yellowstone Park and other interesting points en route. Vern Searey, of the U.S.S. Milwaukee, also a nephew of Mrs. Stringfellow, joined them in Portland, and accompanied them to Klamath Falls.

Home From School—Officers Hugo Layva and Lewis Johnson of the state police, returned Monday from the state police training school at Camp Clatsop. Layva achieved the high mark of shooting 97 out of a possible score of 100 during target practice. Layva ranks as sergeant in the Lakeview division of state police.

Women of Moose—The Women of the Moose will meet tonight (Tuesday) at the Knights of Columbus hall, at 8:00 o'clock, for a potluck supper, business session and program. All members are urged to attend.

Tiny Baby Born—Mr. and Mrs. William Pentecost of 443 Commercial street are the parents of a tiny baby girl born August 7, at Hillside hospital. The baby weighed two pounds and three ounces at birth, and will spend the first few weeks of her life in an incubator. She is reported to be thriving in this mode of life, however.

Former Resident Here—L. P. Iretton, former resident of this city, arrived here Monday for a brief visit before going to Crater Lake, where he will be employed for the remainder of the season. He is making his home with his family at Newport, Oregon.

Harmony Circle—Harmony Circle of the First Christian church will meet for a potluck dinner at Moore park Thursday at 12:30 o'clock. Those attending are requested to bring plate, knife, fork and spoon.

V. E. W. Auxiliary—Members of the women's auxiliary of Veterans of Foreign Wars, will meet Wednesday evening at 8:00 o'clock, at the home of Mrs. L. Loetta Schortgen at 1718 Crescent avenue.

G. N. Officials Here—S. J. Bowers, assistant superintendent of telegraph for the Great Northern, and E. E. Green, telephone inspector for the railroad, are business visitors in Klamath Falls from their Spokane offices.

Transferred Here—Clarence Myler, formerly of Portland, has been transferred to this city, where he will act as the manager of the southern Oregon district for the General Petroleum company.

Here From Seattle—C. E. Finley, right of way agent for the Great Northern from the Seattle office, is a business visitor in Klamath Falls.

Visit in Lakeview—Dr. and Mrs. H. A. La Liberte spent the past weekend visiting friends in Lakeview.

At Medford—J. C. Johnston, district agent for the Pacific Fruit Express here, is spending some time at Medford in connection with the start of the pear shipping season. A good many pears are now passing through Klamath Falls from the Rogue river country.

Leaves Tuesday—District Attorney Hardin C. Blackmer left Tuesday afternoon for Los Angeles and other California cities, where he will spend several days visiting and transacting business.

Here From South—Mr. and Mrs. Vic Larson of Huntington Park, Calif., are visiting at the home of Mr. and Mrs. A. C. Cummings, 533 North Sixth street.

Here From South—Mr. and Mrs. Lloyd Clopton and family are here from Berkeley to visit Mr. Clopton's mother, Mrs. Sam Walker at 614 Walnut street.

Back From Portland—Mrs. Nettie Glanville has returned from a visit to Portland.

Cantors Leaving—Mr. and Mrs. Noble H. Cantor are leaving for Montana and Kentucky for an indefinite visit.

Weather

The Cyclo-Thermograph at Underwood's pharmacy registered a slightly higher barometric pressure Tuesday and a continuation of present weather conditions seems probable.

The Tycos recording thermometer registered maximum and minimum temperatures Tuesday as follows:

High 89
Low 65
Forecast for next 24 hours:
Fair, moderate.

During the 1935-36 cold snap, 29 square miles of dead fish were sighted off the coast of North Carolina.

DROUGHT CUTS INTO SEED SUPPLY

The severe and continued drought in the middle west has had marked effect upon future field seed supplies, reports E. It. Jackman, extension agronomist at Oregon State college. In many cases, alfalfa, clover and grass seed crops in the drought area have been practically ruined, which will doubtless have its effect on prices for the 1936 supplies.

Oregon raises a large tonnage of field seeds now, and will probably be called upon to supply a larger proportion of the country's needs than usual. Seed crops of which Oregon has a virtual monopoly, such as bent grass, are not expected to be affected as much, except as demand for such seed is increased by the shortage of other types.

Many Oregon farmers who had not contemplated harvesting some crops for seed have now decided to allow them to mature for this purpose, says Jackman.

OREGON BARLEY DEMANDS ARISE

A barley shortage similar to that which occurred in 1934 is in prospect again this year, judging by the most recent federal reports on the prospective barley crop. Two years ago, following a similar midwestern drought, there developed a considerable demand for Oregon barley for malting purposes.

The three kinds of barley grown in this state most suitable for that purpose are Hannchen, Atlas and Wisconsin No.

38, says Dr. D. D. Hill, associate professor of farm crops at Oregon State college.

Growers of those varieties who are planning to hold their barley for this possible outlet will probably make money by getting in touch with their county agent as to best methods of threshing and handling barley for malting purposes, says Dr. Hill. Where it is handled in certain ways it frequently will command a substantial premium in comparison with the same kind threshed and handled in the ordinary manner.

Vital Statistics

BIRTHS

PENTECOST—Born to Mr. and Mrs. William Pentecost of 443 Commercial street, a daughter, August 7, at Hillside hospital. Weight, 2 pounds and 3 ounces.

BARNES—Born to Mr. and Mrs. Earl Barnes of Modoc Point, a son, August 10, at Hillside hospital. Weight, 8 pounds and 10 ounces.

MURRAY—Born to Mr. and Mrs. William Murray of Quartz Mountain, a son, August 7.

WOODS—Born to Mr. and Mrs. Bruce Woods of Route 1, a son, August 11, at Klamath Valley hospital. Weight, 7 pounds, 1 1/2 ounces.

SOWELL—Born to Mr. and Mrs. R. Sowell of Olney, a son, August 11, at Klamath Valley hospital. Weight, 5 pounds and 3 ounces.

MAN ACCUSED OF KNIFE ATTACK

Holly Nathan Brown was arraigned in justice court Tuesday on a felony complaint charging assault with a dangerous weapon in connection with an alleged attack upon Tim Brown, his aged Indian employer, last week.

The defendant, who is a white man, assertedly attacked the Indian with a knife, inflicting serious scalp and facial wounds. Tim Brown, who is more than 70 years old, was brought to Hillside hospital, where his condition was said to be serious for several days.

He was dismissed from the hospital Tuesday, August 11, and returned to his home at Beatty. Holly Nathan Brown asked for statutory time in which to decide whether or not he desires a preliminary hearing.

He was committed to the county jail upon failure to post a \$500 bond.

MCCOLLOCH IN PORTLAND—Claude McCulloch, democratic state chairman, is in Portland to attend a state executive meeting. He was accompanied on the trip by Harry Boivin. Mc-

Colloch returned Monday from a trip through eastern Oregon. He reported good business conditions in the counties visited. Purchase of drought region cattle is going on in a number of eastern Oregon areas.

Aspirin is a derivative of coal tar.

CARD OF THANKS
We wish to extend our sincere thanks to our many friends for their faithful help during the sickness and death of our wife and mother. We are especially thankful for the beautiful floral offerings.

Bohemian Club introduces
All Malt
Lager Beer

The "good, old beer" we have always heard about... ALL MALT beer, brewed exclusively from flavorful malted barley! As fine a beer as has ever been produced in the history of the brewing industry; truly worthy of the best Old Bohemian brewing traditions which decree that no other grain than choice barley can be used to brew quality beer.

Years of effort were required to perfect this beer. It was even necessary to import Moravian barley seed to be grown on Northwest farms to insure an adequate supply of premium barley. For months it has remained undisturbed in huge ageing vats. It is ready for you now... a beer lagered to perfect mellowness, smooth to taste yet delightfully effervescent and tangy.
