Stock Market Quotations

NEW YORK, Aug. 13 (AP)—After striding forward under the leadership of steel most of the day, the stock market tumbled and fell back in the final hour as profit-taking orders came in its path.

Relying on resumption of dividends hoisted Gloss-Sheffield Steel preferred around 14 points in the last hour, while the common in late trading rose about six points. Vanadium got up more than two points at one time, but had the advantage whittled away in part. Other steels which were in brick demand but met late selling included American Steel Foundries, Byers, Youngstown Sheet and Tube and Crucible. U. S. Steel had less resistance.

Bethlehem held its own at moderately higher levels under the power of buying said to have been prompted by improvement in shipbuilding, one of the company's strong departments.

Buyers had the advantage in Western Union, Consolidated Edison, North American and International Telephone.

Case and International Harvester yielded ground in the final hour. Lehigh Valley, Elk Horn preferred and other coal issues met liquidation.

Modest improvement in Santa Fe, Pennsylvania and Delaware & Hudson contrasted with limited losses in Southern Pacific and New York Central.
