

Germany Leads as Olympiad Comes to End

ATTENDANCE BIG FEATURE

Huge Crowds Witness Events in Big Stadium At Berlin.

BERLIN, Aug. 17 (AP)—Scoring in 21 of the 23 events, Germany, the host nation, made by far the best all-around showing in the games of the 11th Olympiad.

Germany, gaining eight first places, piled up 134 points in the unofficial team championship race, based on the customary 10-5-4-3-2-1 system.

The United States, with six firsts, including its major objectives—men's track and field and men's and women's swimming—finished second, with 77½ points. Hungary, scoring in 12 events, won more than the United States, wound up third with 44.

BERLIN, Aug. 17 (AP)—The 11th Olympiad ended, the flame, blazing day and night in the big stadium for 16 days, doused, there remained today only the problem of getting a few hundred thousand paragon-shocked Germans to return to their homes and places of business.

It's going to be a job, but authorities were confident the majority of them would submit to removal quietly. Special treatment probably will have to be accorded the more violent cases—those who have sat in the stadium so long they can remember no other home.

The world has not seen—nor is likely to see again until 1948 at Tokyo—anything approaching the fanatical attendance at the Nazi Olympiad.

In the dazed minds of American observers it always will overshadow even the smashing victories their lads hung up in track and field, swimming and eight-oared rowing.

The most astounding exhibition of all was saved for yesterday's closing ceremonies, when Chancellor Hitler attended the official quenching of the flame. The mammoth concrete stadium was filled to the last foot of standing room by 110,000 of the faithful.

Outside the stadium for six miles into the heart of Berlin, every foot of the route was lined with blackshirts and brownshirts. Back of them was the crowd, three or four deep all the way, waiting for a glimpse of Hitler.

No one will ever know which pulled more of the estimated 4,000,000 spectators through the Olympic gates—Hitler or the athletes.

The record-smashing nature of the attendance was shown in the figures which revealed an aggregate of 4,500,000 tickets sold to all events. Gate receipts totalled 7,500,000 marks, about \$3,000,000.

Total operating costs incurred by the German organizing committee were placed at \$6,500,000. This was entirely apart from the cost of building the elaborate Olympic plant, about \$20,000,000. More than 1,000,000 persons visited Berlin during the two weeks of the games, about 150,000 of them foreigners.

Despite the absence of any official method of determining the all-around Olympic championship nation, Germany would lay claim to the unofficial title. The Germans out-scored the United States and everybody else under any system of scoring.

Giants Win Back Second Spot in National League

By The Associated Press

That Giant express which has been highballing along for a month at the fastest pace of the season is back in second place in the National league today, with only the gas house gang on the track in front.

Climaxing a month-long drive which saw them hammer out 26 victories in 31 starts, Bill Terry's gang took advantage of a let-down on the part of the Cub pitching staff to become the Cardinals' number one challenger.

The rise of the Giants was accomplished by a 6-3 victory over the Phillies and the fall of the Cubs in a double defeat by the Cincinnati Reds, 4-3 and 5-4.

These developments also featured the Sunday program. Lou Gehrig hit his 37th and 38th homers as the Yankees split with the Athletics, winning 10-2 and losing 2-1.

Dizzy Dean turned in a four-inning job against the Pirates, in a nightcap after refusing Frankie Frisch's orders to pitch the opener, contending he had a sore arm. The Cards' double bill victory 4-3 and 7-2, gave them a two-game lead in the pennant chase.

"Convict" Team to Appear Here on Wednesday

The "Convicts," traveling baseball club, will appear on Modoc Field, Wednesday evening, August 19, at 8:30 p. m. sharp, in a fray with the Klamath Falls Red Sox, 1936 Southern Oregon champions.

The game promises to be a fast one with plenty of good baseball being displayed for the fans. Out of 25 games played so far on the Pacific coast, the "Convicts" have won all of them. The traveling club is booked out of Chicago and has enjoyed very favorable turn-outs on the coast, both in small and large cities alike. Having played through-

Ohio State Coach Says AAU Works Athletes "For Greed."

BERLIN, Aug. 17 (AP)—Commenting on the suspension of Jesse Owens by the Amateur Athletic union, Avery Brundage told the Associated Press today that "ordinarily such a suspension would be effective pending a hearing, but the facts in this case appear to be obvious."

LONDON, Aug. 17 (AP)—The suspension of Jesse Owens brought from his Ohio State coach today the charge that the Amateur Athletic union is shipping Olympic athletes around in barn-storming tours prompted by "greed" in a drive for money.

"Down with Owens, the A. A. U. says, because he refuses to help them swell their coffers," exclaimed Larry Snyder, coach of the four-medal Olympic star. "There was no need for this suspension except to save the face of the A. A. U. Instead, its face will have to be entirely rebuilt."

The A. A. U., through President Avery Brundage and Secretary Van Ferris, checked down on Owens when they learned he had jumped a scheduled tour of Scandinavian countries.

Jesse himself did not appear particularly worried about the whole affair as he started sight-seeing before sailing Wednesday on the Queen Mary.

"Whether I'm an amateur or not," he said, "it's a cinch I never will run for the A. A. U. again."

For the present, Eddie Cantor's offer of \$40,000 for a series of personal appearances seems to be the best professional offer Owens has received. Jesse cabled the comedian for more details.

"There's not one boy of the team—or maybe there's one—nor one underling manager who isn't fed up with the entire procedure," the coach said. "The A. A. U. is the buck-passingest outfit in the world."

"The colleges provide 90 per cent of the athletes and the politicians run the show. The boys merely are cattle being shipped abroad. Such things wouldn't occur and couldn't occur if greed on the part of the A. A. U. was more easily satiated."

Snyder said Dan Ferris told him the barn-storming tours were necessary because the Olympic committee was "in the red."

"You wouldn't ask the poorest show troupe to work the way these boys worked immediately after the games—all without a cent of spending money with which to brighten an otherwise drab picture," the coach added.

Snyder said Owens was sent to Cologne posthaste and matched with Ralph Metcalf in a 100-meter dash right after the Olympic track and field program was completed.

The next day, he asserted, Jesse was sent to Praha by plane "without a single mark in his pocket to pay for his lunch."

At Essen, the coach said, Glenn Cunningham and the other athletes were "so dead tired they could scarcely drag themselves around."

"Owens, the big drawing card, was assigned to go to Sweden," Snyder continued. "When it became imperative in his own interests to return to America at once, the A. A. U. disqualified him from further amateur competition."

LEADERS TAKE UPWARD SWING

Coast League Leaders Improve Standings Over Rival Outfits.

By The Associated Press
After a week of ding-dong baseball, the Pacific Coast league's three leading teams slightly improved their standings over other teams in the circuit.

Portland, Seattle and San Diego, holding that order in the standings, won the odd games of their series. A game and a half still separated the Beavers and Indians. The Padres are two games behind Dutch Ruether's tribe.

Oakland and the San Francisco Missions, in a triple tie with San Diego for third at the start of the series, fell one game to the rear by dropping their series to the Beavers and Padres, respectively.

The Missions retrieved an

otherwise bad week against San Diego by winning two games yesterday, amid a shower of base hits. In acquiring 15-4 and 7-2 triumphs, the Reds combed five Padre pitchers for 27 hits, including 7 extra-base blows.

Walter Beck pitched his seventh win in the last eight starts in the nightcap. His double scored two in the fourth and he counted a run himself after another hit to sew up his own game. Harry Rosenberg got five hits in nine trips during the big Mission day.

Ad Liska's submarine ball saved the day for Portland after the Oaks had hammered out an 8-4 victory in the initial contest at Emoryville. Liska hooked up in a hurling duel with Ken Douglas in the short nightcap and won, 1-0. Both fingers allowed only four hits but Moose Clabough's single following Johnny Frederick's double in the second was southpaw Ken's downfall. Earl Holyard and Joe Gordon, with three hits apiece, led the first-game attack against Don French and Hobo Carson.

Ace hurlers for Seattle and Sacramento won their second games of the week when the teams split the bill. The veteran Lou Koural subdued the Solons, 12-2 in the opener, but Henry Pippin, the "Cisco Kid," doused the Tribe in the nightcap, 3-2.

The youthful Texan won his

10th triumph in a row the hard way, allowing nine hits but pitching himself out of several tight spots.

San Francisco swept a double-header with Los Angeles, 6-5, 4-3, as the Seals outthrew their foes. Joe Marty clouted homers in each game, to bat in five runs and score two more himself during the day.

EL REYS LOSE FINAL BATTLE

Right to Go to Bismark Won By Puget Sounders

ROEBURG, Ore., Aug. 15 (UP)—The Seattle Gibson, Washington Junior Legion champions, defeated the Portland El Reys, 3 to 2, Saturday.

The victory gave the Seattle team two wins to one over the Oregon champions in the regional playoff, and entitles the Gibsons to go to Bismark, N. D., for the western sectional championship.

The Gibsons batted Hal Erickson, Portland's star moundsman from the box in the fifth.

Fred Hutchinson held the El Rey sluggers to seven hits, in hanging up his 14th win of the season.
