Stock Market Quotations

NEW YORK, Aug. 22 (AP)—War talk dwindled to a whisper in today's stock market and traders began quietly to replace commitments unloaded so hurriedly in the preceding session.

Although the buying pace was relatively slow, many of yesterday's weak issues came back fractions of 2 points and a few 4 or more. The close was firm. Transfers were around 500,000 shares.

Business and industrial items were given a sustaining influence and financial observers suggested the market may have been "oversold."

Among the better performers were Chrysler, General Motors, U. S. Steel, Bethlehem, Sears, Roebuck, Douglas Aircraft, Hiram Walker, Schenley, J. I. Case, International Harvester, Southern Pacific, Santa Fe, N. Y. Central, Pennsylvania, Crown Cork, Allied Chemical, Westinghouse, General Electric, Standard Oil of New Jersey, American Smelting, Kennecott, Anaconda, Western Union, Consolidated Edison, American Telephone, American Steel Foundries, Studebaker and Ellington.

Brokerage quarters found the overnight European news more to their liking and the optimistic interview of Thomas W. Lamont of the J. P. Morgan firm helped to allay fears of a general foreign configuration.

Second thoughts on yesterday's release led some analysts to believe that part of the selling at least might have been due to the fact the market had reached a stalemate after four months of virtually uninterrupted advance and prices had discounted to a considerable extent full improvement in business and industry.
