"Christ Jesus" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, August 29.

The Golden Text was, "The Father judgeth no man, but bath committed all judgment unto the Son: that all men should honour the Son, even as they honour the Father" (John 5:22, 23). Among the citations which com-

The Lesson-Sermon also includand the following correlative pas-sages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The mission of Jesus confirmed prophecy, and evaluated the science of the science o explained the so-called miracles of olden time as natural demonstra-tions of the divine power, demon-strations which were not under-stood. Jesus' workers establish-ed his claim to the Messianship. In reply to John's inquiry. 'Art thou he that should come, Jesus returned an affirmative reply, re-counting his works instead of re-ferring to his doctrine, confident that this exhibition of the divine power to heal would fully answer the question" (p. 131.) explained the so-called miracles of
