CHICAGO WHEAT
CHICAGO, June 2 (AP)—Late rallies lifted Chicago wheat prices fractionally today after prospects of a 1938 domestic harvest eclipsing any heretofore known had forced the market one cent down. Helping the late advance was North American export business totaling upwards of 400,000 bushels. United States hard winter wheat was sold to England, Belgium and Holland. At the close, Chicago wheat futures were 1/2 above yesterday's finish, July 69 1/2, September 70 1/2; corn 1 1/2 advanced, July 57 1/2, September 57 1/2, and oats 1 cent to 11 up.
