

SISKIYOU JURY FLAYS LIQUOR LAW HANDLING

YREKA, Calif., Jan. 9.—Charges are made in a report by the Siskiyou county grand jury that justices of the peace in this county sometimes fine defendants a bottle of whiskey and then, with the aid of the defendants, drink the "fine."

The report was filed with the superior court. It accuses liquor enforcement in the county generally, with particular reference to the Tulelake and Dorris sections. The report said, in part: "We feel that the state board of equalization has been very lax in its enforcement of the liquor laws in many parts of this county, particularly around Tulelake and Dorris."

COUNTY'S EXHIBIT TO BE DISCUSSED

Final preparations and decisions as to the theme and materials of the Klamath county exhibit in the Promenade of Counties of the Shasta-Cascade Wonderland display at the San Francisco World's fair will be made in Klamath Falls this Tuesday and Wednesday. Tom L. Stanley, general manager of the Shasta-Cascade Wonderland association and managing director of the Shasta-Cascade Exposition commission, will be in Klamath Falls those two days to confer with Frank Jenkins, Klamath county director, and W. J. Dinmore, county council chairman of the association, and with Klamath county's exposition commissioners.

"Any Klamath county official or citizen who may have suggestions to make, or exhibit materials to offer, is invited to confer with the committee on these matters," advises Stanley. In announcing the purpose of the conference, it is the desire of Klamath county exposition commissioners and associates of the Shasta-Cascade Wonderland association to make the Klamath county exhibit truly representative of all phases of the county's attractions and resources.

THE KLAMATH VETERAN

Activities of the Spanish-American War Veterans, the Disabled American Veterans, the Veterans of Foreign Wars, the American Legion and Their Auxiliaries.

The women's auxiliary to the DAV also held a meeting at the Labor temple January 6 and elected officers for the year. These officers will be installed at the January 13 meeting at Legion hall. All women eligible for membership in the organization are invited to be present at that time.

Library club room, President Nona Lee being absent, Past President Loretta Schorgren acted as president. We are hoping to see all our sisters at the next meeting. Sister Christy is reported much better. We all hope to see her around soon. Welcome home Comrade George Lee. We are glad to have you with us again. Also Comrade Richard Felder from Hometown, who has been sick, is around again. Next meeting to be held Jan. 19. Will be social night. Hoping to see all our sisters and comrades present.

VETERANS OF FOREIGN WARS

Pelican Post 1383 The Veterans of Foreign Wars of the United States is just exactly what the name implies: It is an organization of men who have fought the foreign wars of the United States on land and sea. The little cross of Malta, which is the emblem of membership, is worn proudly by men who have earned what it means to be a member of this exclusive organization; and there is a federal law which makes it a misdemeanor for anyone to wear this emblem who is not a bona fide member. Each post of the VFW maintains a service officer whose duty it is to look after the interest of any member who may be in need, not only members of his own post, but likewise the member of any other post (the stranger within our gates) who might find himself stranded and in need of financial or other assistance.

PENALTY CLAUSE LIFT PROTESTED

A reported request by the federal surplus commodities corporation that it be exempted, in its proposal to use cotton bags for shipping citrus fruit east for relief purposes, from the 10 per cent freight rate increase imposed on goods shipped in sub-standard containers brought further repercussions from Klamath lumber interests Monday. Algoma Lumber company reported that it had telegraphed officials of the Santa Fe, Western Pacific and Southern Pacific lines and the chairman of the standing rate commission of the transportation bureau asking that they write in opposing any attempt to lift the 10 per cent penalty clause in connection with the FSC shipments. A similar wire was sent to Sen. Burton K. Wheeler of Montana, member of the senate committee dealing with railroad affairs. Organized opposition has already developed among mill employees here to the FSC's proposed use of cotton bags instead of the standard wooden boxes used by citrus growers. It was expected a like attitude would be adopted generally in regard to the rate penalty.

Christian Science

"Sacrament" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, January 8. The Golden Text was, "The bread of God is he which cometh down from heaven, and giveth life unto the world" (John 6:33). Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And as they were eating, Jesus took bread, and blessed it, and brake it, and gave it to the disciples, and said, Take, eat; this is my body. And he took the cup, and gave thanks, and gave it to them, saying, Drink ye all of it" (Matt. 26:26, 27). The Lesson-Sermon also included the following correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "His true flesh and blood were Life; and they who eat his flesh and drink his blood, who partake of that divine Life" (p. 25).
