

SPECIALTIES MAKE STOCK MARKET GAIN

NEW YORK, July 28 (AP)—Buying in specialties provided most of the small-sized fireworks in today's stock market.

While individual favorites got up as much as a point or so, many leaders loafed in a narrow range. Trends were uneven at the close.

There were a few active flurries during the generally indifferent proceedings and transfers for the five hours approximated \$90,000 shares.

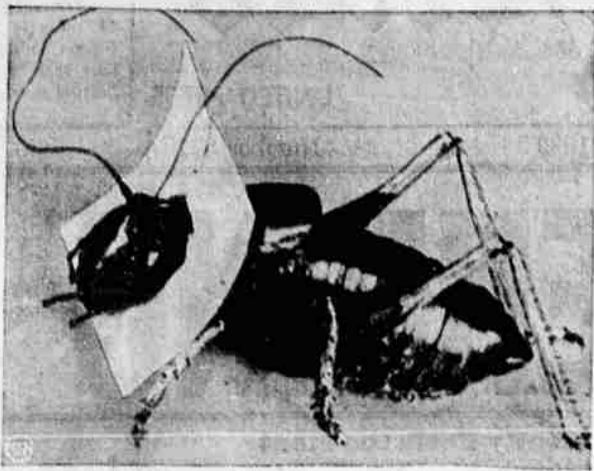

Better than looked-for profits figures of the principal steel and motor corporations, in addition to resumed and booster dividends, served to prop market sentiment, brokers said.

European markets did little either way. Bonds and commodities were a trifle uneven throughout.

Relatively lively stocks on the upside most of the day included Loft, Celanese, United Merchants and Manufacturers, Burlington Mills (at a new 1929 high), International Nickel and A. M. Byers.

Not Cricket—For Poor Cricket

"Muzzled" with collar which prevents it from eating, sprayed with sodium arsenite dust, this cricket was subject in experiment at Montana State College, Bozeman, to aid farmers' war against insect pests. Purpose: to find method for killing crickets without having to wait for them to eat poisoned grain. Result: "muzzled" crickets died from effect of sodium arsenite touching bodies just as rapidly as those fed on poisoned food.

PRICES NERVOUS ON WHEAT MARKET

CHICAGO, July 28 (AP)—Wheat prices fluctuated nervously today, alternately rising above then dipping below previous closing levels and finishing unevenly lower.

Continued good milling demand, less favorable crop news from the spring wheat belt and strength in foreign markets helped an early upturn of about a cent. Later, private reports of good rains in the domestic northwest and a forecast for showers in Canada touched off the selling which was particularly depressing to May, 1940, contracts, which slumped more than a cent a bushel. Some of the selling of the latter was encouraged by belief that exports this season may be smaller than last year.

Wheat closed 1/4c higher to 1/2c lower compared with yesterday's finish, September 644-1/2c, December 652-1/2c, corn 1/2c off to 1/2c up, September 41 1/2c, December 42 1/2c; oats 1-1/2c down.

SALEM, July 28 (AP)—Earl H. Fehl, former county judge of Jackson county who served four years in the penitentiary on conviction of ballot theft, has been granted a week's parole from the state hospital.

Dr. J. C. Evans of the hospital said the vacation was part of the hospital treatment, but that Fehl had been directed to stay away from Jackson county.

TRADE MODERATE IN BOSTON WOOL

BOSTON, July 28 (AP-USA)—Trade was moderately active today in the Boston wool market and prices were very firm. Buyers were finding it increasingly difficult to secure good French combed fourth fine territory wools in original bags at 67-68 cents, scoured basis. Demand has slackened somewhat, partly because of the strengthening tendency of asking prices and the reluctance of buyers to pay the advanced quotations. A few buyers were showing an interest in three-eighths and quarter blood combed wools, at 33-33 cents, in the grease, for bright fleece wools, at 60-62 cents, scoured basis, for three eights and at 58-58 cents, scoured basis, for quarter blood territory.

More than 35,000,000 gallons of anti-freeze were used last year by motorists.

ATTEMPT MADE ON LIFE OF REDWOOD IWA OFFICIAL

CRESCENT CITY, Calif., July 28 (AP)—Sheriff Bud Huffman continued today his investigation of what he termed an attempt on the life of William Gettings, International Woodworkers of America representative for the Redwood district.

Huffman said a bullet fired from outside narrowly missed Gettings' head as he watched on the lights in his home. The asserted attack was not disclosed until last night pending the sheriff's investigation. The sheriff said he had heard rumors of threats against Gettings because of his union activities, but he did not indicate there were any suspects under investigation.
