Fall Dates Fill Book

Society Busy Going Places Or Entertaining Next Few Weeks

Just now society is busy doing one of two things, they are either entertaining guests, or being entertained somewhere else. By that we mean that scores of persons have left the city for a last fling at summer's holiday before they are back in the harness of PTA meetings, club sessions, and general duty of winter's demands.

Seems like we're almost pessimists, but after all when they started work on the snow slide on the hill near California avenue this week, it was nothing more or less than a grim reminder that we're probably ended our grasshopper days and that fall actually is around the corner.

A charming visitor in the city is Mrs. Stewart Hurd of Eugene, with her daughter, Carolyn. They are guests at the home of Mrs. Hurd's brother-in-law and sister, Mr. and Mrs. Alfred Collier of LeRoy street and this past week Mrs. Collier, Miss Eleanor and Dorothy Collier and their guests have been at their summer home at Diamond lake.

Being greeted home are the Stanley Woodruffs who have been at Greeley, Colorado where both studied during the summer months. Mr. Woodruff is vice principal and dean of boys at Klamath Union high school. Other members of the staff are expected here during the coming week, ready for the opening of the school year.

Mr. and Mrs. C. C. Kelley and daughter, Mrs. Kathryn, left this week on a motor trip to Reno to join Mr. Kelley's sister, Miss Ina B. Kelley of Chicago. They plan to continue to Lake Tahoe and then to San Francisco before returning here. They will occupy their summer home at Lake of the Woods until late in the fall.

Two dates are of interest to Klamath Falls women. One is the annual fall luncheon and flower show which officially and most gracefully ushers in the year for the Klamath Falls Women's Library club. The date is September the eleventh which falls on Monday and the place is the Willard hotel.

The other date is September the sixteenth at which time the Democratic women will observe National Democratic Women's Day. Plans are being made for a charming tea, details to be announced later.
