

CROWD OF 600 ATTENDS ELKS ANNUAL PICNIC

Elks and their families, making up a crowd of over 600 people, enjoyed the annual picnic of the lodge at the "Swimming Hole" just north of Fort Klamath last Sunday. Activities started at 10 o'clock in the morning with horseback riding and swimming being the popular sport. At noon, Jack Gove with a crew of members consisting of Art Collins, Dale Mattson, Dave McDevitt, Henry Hoback, Glenn Roselle and George Barth served a most delectful dinner consisting of baked ham, roast beef, kippered salmon, cabbage salad, macaroni salad, ice cream, watermelon, lemonade and coffee.

During the afternoon, under the direction of John Robbins and assisted by Guy Merrill as starter, many events for children and adults were held. The 50-yard dash for boys under eight years of age was won by Tom Abner with Bill Nealey coming in second; the 50-yard dash for girls under eight years was won by Joan Abner with Joan Mueller coming in second; the 50-yard dash for boys and

girls under 15 years of age was won by Harvey Teale with Jerry Snyder coming in second; the boys' sack race was won by Kenneth Puckett with Jack Robbins second; the pie eating contest was won by Otto Gurnsey with Jack Linman second and Jack Robbins third. The ladies' ball driving contest was taken by Mrs. James Helm and Mrs. Emmett Chidester drove in second. L. E. Nealey won the men's potato race and Bud Chidester came in second. In the ladies' potato race Virginia Compton won and Eva Cook won second. The men's sack race was won by L. E. Nealey and Les Thompson wobbled in for a second. Under the direction of Thomas Judge of the police department a pistol shoot was staged for the men and Fred Olin won with the highest score and Fred Heilbrunner, a war-scarred sergeant, won second. June Cook won the swimming race for girls and boys and Pepper Smith was second.

Chet Smith acted as master of ceremonies and broadcast all events on the public address system furnished by Baldy Evans. The general committee consisted of O. D. Matthews, chairman, R. E. Oakes, George Barth, Les Finley, W. M. Lorenz, and Jack Gove.

BIG KILLING

ELLENBURG, Wash. (AP)—A mountain lion took a crack at the legendary Little Tallor's record by killing 56 with one blow.

The big cat knocked over one sheep for supper, and the other 55 died in a pileup when they stampeded.

STATE DEPARTMENT UNDERLINGS RAPPED FOR SECRET ACTS

PORTLAND, Aug. 24 (AP)—Albert Levitt, former assistant attorney general and ex-judge of the Virgin Islands federal district court, charged here yesterday subordinate state department officials were keeping government heads "in ignorance of what

is going on" in foreign relations. Levitt told an interviewer Secretary Hull, President Roosevelt and members of the foreign affairs committees of the senate and house were in the uninformed group.

"Those subordinate officials... are at times entering into illegal and unconstitutional commitments, which present the great danger that we shall be deliberately drawn into the pending Eu-

ropean war," Levitt declared. "The best thing that the secretary of state could do to further his own peace policies would be to clean out most of the so-called career diplomats in the state department, because they

are misinforming and betraying him without his knowledge." Levitt created a stir in 1937 when he filed a motion in the United States supreme court asking permission to challenge Justice Hugo L. Black's eligibility

on constitutional grounds. The motion was thrown out of court.

CHICAGO (AP)—All summer Margaret Bellino, 16, refused to have her hair cut and proudly groomed her long black curls. The other morning she awoke

and there were her curls on the pillow beside her, snipped off clean as a whistle. The police are still looking for the mysterious barber who evidently jimmied a window screen to enter the bedroom.
