## PELICANS CUT TIGERS' ONLY LONG SURGE ON GOAL LINE

By BILL CUMMINGS

A driving, fighting Pelican football team lined up along its own goal line to withstand two scoring threats of the Black Tornado from Medford in a thrill-packed game last night on Modoc field and in the last minutes turned loose a booming offensive that ended with an intercepted pass deep in Tiger territory just before the gun. The game ended in a scoreless tie.

It was a bitterly fought annual southern Oregon conference classic which broke a four-

game win streak for the Medford team and gave the Pelicans their fourth tie out of five games this season.

Five thousand fans, the largest crowd that has attended a game under the new Modoc lights, saw the scrappy Pelicans cut loose with a driving attack which outlasted the Tigers throughout the first half. The Medford team, true to earlier season form, came back in the last periods to carry the ball twice within reach of the goal line, only to be held on downs by a solid Pelican wall.

Medford pushed the ball to the one-yard line when Orr, rushed off his feet by Pelican linemen, bobbed a freak pass which landed in the arms of Salsbery. The big Tiger back was stopped just before he reached the goal line.

Rush, who was taken out at the start of the second half, was put back in to kick the Pelicans out of trouble, and his 44-yard punt was taken by Newland. Then the Black Tornado was off again. They passed their way deep into Pelican territory but the Klamath team smothered the aerial attack and took the ball on downs.

With three minutes left in the game, Lowe, reserve halfback, smashed through the line for 15 yards and a first down to start the final desperate Pelican scoring attempt. Rush picked up seven and Lowe plunged through for another first down. Rush added six more as the Pelicans tore the heavy Medford line to pieces and Lowe added the final first down of the game when he faked for a pass and then reeled off eight yards through the line. The Pelicans were in scoring position, but Piche, ball-hawking Medford halfback, intercepted Rush's pass on the 15 yard line to end the drive.

The game opened with an

exchange of punts featuring one of the longest booms ever seen on the Modoc gridiron—a 75-yard kick by Rush which placed Medford on her own 9-yard line.

Medford was held for downs and Newland, Tiger back, booted the ball back 50 yards. Two more kicks were exchanged and Salsbery, Anacker and Rush smashed at the line for small gains. On the next punt exchange Anacker returned the ball 30 yards and Rush and Anacker picked up 15 between them to score a first down as the first quarter ended.

Klamath Falls continued the drive with a five-yard gain by Rush which placed the ball in scoring position on the Medicine yard line, but on the next play, Rush fumbled and Moyer of Medford recovered.

Billy Piche, 155-pound speedster of the Tiger backfield, ran the Black Tornado out of the hole with a beautiful 23-yard sprint around left end. Anacker stopped him along the sideline just before he reached open territory.

Orr gained four for the Tigers and then Anacker, playing hang-up ball both on offense and defense, intercepted a pass from Newland and returned the ball 15 yards to the Medford 43. Rush, on a fake reverse and later from Anacker, picked up five and Salsbery made it a first down with a seven-yard gain.

Anacker's pass to Webber was no good and Medford took over after the Pelicans had penetrated to the 29. After an exchange of punts Klamath was penalized 15 yards for unnecessary roughness. This scoring chance for the Tornado was ruined, however, when Coffman and Wilson recovered a Medford fumble.

In the last minutes of the first half the Pelicans made a desperate try for a score after Anacker passed to Reginato for a 20-yard gain. Rush passed nine yards to Reginato as the half ended.

Just before the first half ended Anacker, Pelican left half, was taken from the game with a

twisted knee and was kept out for the rest of the contest. Rush, Klamath Falls fullback, became sick and was taken out shortly after the second half opened.

Medford was kept with her back to the goal by long kicks as the second half got underway, but toward the close of the third period unleashed an attack which piled up 53 yards in the first two plays. Orr broke through the line for a 27-yard gain, and Newland added 26 with a long pass to Piche. The Klamath pass defense tightened, however, and the third period ended the Pelicans took over on their own 27 yard line.

Lowe broke through for a 20-yard gain but fumbled the ball to give Medford possession on the Tiger 45.

Newland, who paved the way for the heaviest Medford threat with a long pass to Piche on the five-yard line, threw 17 of Medford's 18 passes, eight of which were completed. Klamath Falls attempted 14 passes and completed five.

Rush was the main scorer for the Pelicans, running up a total of 45 yards. For Medford, Salsbery piled up 53 yards for the largest single total of the game.

# Ducks Plentiful on Tule Lake

## Geese Coming in As Season Opens Sunday Morning

**TULELAKE**—With more ducks in the hunting areas on the Tulelake wild life refuge than were here at the opening of the hunting season last year, with fully as many white fronted geese coming in and with the promise of perfect weather for the opening day, hundreds of hunters who are arriving this week end for the first shot next Sunday morning will not be disappointed, according to Charles K. Wiese, president of the Tulelake-Butte Valley Sportsman's association which will be host at a big riot here Saturday night.

Hunters arriving early in the day Saturday will be privileged to use the modern new traps which have been placed by the association near the petroglyphs and later in the evening will be guests of the organization at a program of entertainment spiced with variety that will last from 8 p. m. until time for the big hunt next day.

The committee announces plans for a parade to precede the evening program, music by the Tulelake high school band and a general invitation to the visitors to gather in the Legion hall where lunch will be served by the American Legion auxiliary.

Concessions will be open in both the Legion hall and the Turner Chevrolet garage. Dance numbers and talks on subjects of interest to all sportsmen and a half hour's entertainment by the funniest fan makers in the Klamath basin, the Gay Nineties orchestra from Klamath Falls, are promised before the riot dance begins at 10 p. m.

Maps are off the press which will advise the guests of open and closed areas, location of the three checking stations, mileage from local points, roads and bag limits. They may be obtained at the Tulelake drug store, at Dick Moore's, Charles K. Wiese's real estate office or from any member of the association committee.

Open areas in the public shooting ground are almost the same as in 1938, with only minor changes announced as follows: Grain land on the Henzel lease, closed last year will be open this year. The grain land on the east side of the lake south of checking station No. 2 will be closed, but the water area will remain the same as last year.

Three checking stations will be operated, number 1 south of the biological headquarters on the northwest corner of Tulelake on number 2, south of the refuge, which will be kept open to check hunters through that have their own boats and number 3 on the southeast side of the refuge near the petroglyphs.

All stations on the opening day will be open at 5 a. m. and on all succeeding days of the season, from October 22 to December 5 inclusive, at 5:30 p. m.

Permits will be issued on Saturday to all hunters who request them and should be obtained from the station in the area where they plan to hunt. Hunters in possession of permits issued Saturday should stop at the checking stations to have permits certified and to receive windshield stickers on the morning that the season opens.

**50,000 HUNTERS**  
**PORTLAND, Oct. 21 (AP)**—Thousands of scatter guns will boom in Oregon marshes at 7 a. m. Sunday, at the start of the 45-day migratory bird hunting season.

James Gerow, district federal game protector, said the state's 50,000 hunters should find an abundance of ducks and geese. The bag limit on ducks is ten per day. Only three canvasbacks, red-head or Ruddy ducks may be included in the bag. Wood ducks, swans and Ross' geese are fully protected.

Shooting hours 7 a. m. to 4 p. m.—remain the same as in recent years. Shotgun magazines must be plugged to insure a three-shell limit. Federal duck stamps are also required with the regular license. Migratory birds cannot be kept

## San Jose Wins Game of Deans

**STOCKTON, Oct. 20 (UP)**—Pop Warner triumphed over Amos Alonzo Stagg tonight in the second meeting of the deans of football coaching in their grand total of 24 years of coaching, as San Jose State college, with Warner as advisory coach, defeated Stagg's College of Pacific eleven, 13-5.

But to the 15,000 standing, sitting and squatting in almost every inch of available room in this stadium tonight, it was a battle between two of football's greatest coaches, Stagg with 50 years of coaching to his credit and Warner with 44.

And Warner power triumphed over Stagg trickery in a game that was exciting every second of play.

Powered by Leroy Zimmerman, a fullback who must have reminded the 68-year-old Warner of Jim Thorpe and Ernie Nevers of his other days, San Jose drove to touchdowns in the second and fourth periods.

## HENRY KAYOS FONTAINE IN THIRD ROUND

**SEATTLE, Oct. 21 (AP)**—Three up and three to go. Homoclide Henry Armstrong was ready to leave for Los Angeles and another title fight today after turning in a three-round technical knockout over Richie Fontaine of Missoula, Mont., last night.

Armstrong, the world's welterweight champion who weighed 139½, bounced Fontaine to the towel came in from Richie's corner in two minutes and three seconds of the third. Fontaine scaled 141.

It was Henry's third knockout on his present western tour. He cooled off Al Manfredi and Howard Scott during the last two weeks. On October 24 he fights Jimmy Garrison of Kansas City at Los Angeles. On October 29 he fights Bobby Pacho of Los Angeles at Denver, then will rest a couple of weeks at Hot Springs, Ark., before taking on Lou Ambers in New York December 1.

Armstrong credited a right below the ear with being the blow that put Richie on queer street. It landed in the second round as the two battlers were milling in mid-ring. Richie dropped to his knees like a sack of cement, and declares he doesn't remember anything from then on.

For the benefit of Fontaine and those who were not among the 5000 present Richie bounced to the canvas four more times in the round, so woody he didn't bother to stay down and take a nine-count. The knockdowns ranged from no-counts to four-counts before the gong saved him from a further hitting.

Rubber-legged, he staggered out for the third, and Henry spun him about at will, seeking an opening. He finally found it and spilled Richie for a six-count. Fontaine struggled to his feet uncertainly and soon stopped a short left jab that sent him flat on his face. The towel beat Referee Tommy Clark to the count.

The Armstrong victory was expected and no Fontaine money was in evidence, although Richie won and lost 10-rounders against Armstrong three years ago.

## Pro Standings Due for Blast As Stars Meet

**NEW YORK, Oct. 21 (AP)**—The newly assorted standings of the National Professional Football league are subject to shuffling in one swift rattle tomorrow—and likely to get it.

Topping a program of five games the Detroit Lions will skirmish against the Green Bay Packers and the Chicago Bears will battle the New York Giants. All these teams are front rank championship contenders and hardly can collide without a huge somewhere.

At the moment the Lions are undefeated and untied in four games and tenaciously holding the western division lead over the bears, who have won four and lost one, and the Packers, who have won three and lost one.

The Giants and Washington are deadlocked for the eastern division lead with three victories apiece and a scoreless tie against each other.

Anticipating a blood and thunder eruption such as has bloomed from most of the Bears' previous invasions of this metropolis, a crowd of 50,000 fans is expected to mill its way into the Polo grounds for the Giants' game.

**LAKEVIEW, Oct. 21 (Special)**—Lakeview high school provided a fitting dedication for Dale Field and the new floodlights here last night with a 10-0 victory over the Burns Bulldogs from Harney county.

Wes Dollahide who is fast establishing himself as the fastest prep back in the state and who hopes some day to fill Jackrabbit Jay Grayben's shoes at Oregon, gave the 1200 fans thrill after thrill as he turned in spectacular yardage with the ball. He ran one punt back 50 yards to a touchdown but a penalty nullified the score.

The field dedication ceremonies were held under the auspices of the Lakeview Rotary club which sponsored the raising of funds for the field lights.

## Government Doctors Derelict Ducks

Several "hospitals" have been established throughout the country for treatment of botulism, which prevents use of wings and eventually causes ducks to drown. This picture was taken at Tule Lake, Calif., where 2000 birds have been treated, of which 1632 recovered after being fed glucose and treated with potassium permanganate. Fewer gathered by U. S.
