POLICE ATTEND FIRST CLASSES

The first of a series of police school meetings was held Friday afternoon from 3:30 o'clock to 4:30 o'clock in police headquarters with Officer R. M. Elder conducting the session. Klamath Falls police school conducted for officers in Eugene last year, will conduct the early lectures and later professional men of this city will assist. Attending the school were Officer Elder, Paul Robertson, Orville Hamilton, Otis Metzger and the Murray, Sergeant Leith Ackerman, who assisted as member of the faculty at the school, will also teach during the series.

Elder discussed the filing of police reports and personal descriptions, structure of metal and important part blood plays in identification of crimes. The school will be held each Friday afternoon and all members of the police force are ordered by Chief Frank Hamm to attend.

ISOLATION PATIENT ENROLLMENT FALLS

After carrying an exceptionally heavy load during the recent epidemic of influenza and other communicable diseases, the enrollment at the Klamath county isolation hospital now numbers but three, according to Dr. Peter H. Rosen, health officer.

One person is reported recovering from scarlet fever, another from diphtheria, and a third is to be transferred immediately to a private hospital as his case is not recorded as communicable. Early in January the hospital was heavily taxed as patients suffering from influenza, scarlet fever, measles and other ailments filled the building.

HIGH SCHOOL News Notes and Comment

High school students and faculty were shocked to hear of the tragic death of Gerry Colvin. Gerry was president of the Boys' Glee club and had a wide circle of friends at the school. He was liked and respected by all who knew him.

The officers of the Boys' alliance met Friday afternoon to lay plans for a wide-spread campaign to sell magazines to raise money for various alliance activities and to help furnish the baseball team with uniforms. Prizes will be awarded to the home room with the highest percentage of credits, and to the winning home room in each of the four departments. The contest will start Monday and last two weeks.

The Wildcats reached championship form Friday night when they ran over the Butte Valley team 30 to 16. Coach Buck Hammer believes that if the boys keep in their Friday night form there will be no stopping them.

The Cats are scheduled to meet three teams on the home court next week. They are Tulelake, Dorris and Keno. As a rule the school doesn't charge admission to games of this league and the Wildcat games pack as many thrills as a Pelican game.

Elections were held for student congress representatives for the coming semester, Friday. Those elected will hold office during this semester.

A decided improvement could be seen in the Smoker held Friday night when compared with those held in previous years. There was something doing all the time, and the contestants were in better physical shape. A lot of credit must go to Snowy Gustafson who was in charge of the event.

Marian Campbell and Leo Mola were awarded live white rabbits, which stand a good chance of being considered white elephants by their owners, for being the best dressed Hicks at the barn

dance sponsored by the Junior Dance club at the Willard hotel Friday night. Rhea Littlefield and Dick Blohm were the rustic runners up, and George Moty was awarded a back scratcher as a booby prize.

The dance was one of the most successful student dances of the year. Those attending were instructed in the art of square dancing and all entered into the spirit of the affair whole heartedly.

Looking ahead this writer believes that some arrangement should be worked out between the high school social committee and the Dance club for dances given in the future. The Junior Dance club would be faced with a serious financial problem at every dance if it were not for the generosity of the Willard hotel and Herb Cochran and his boys, while on the other hand the social committee has ample funds, but isn't able to hold as many dances as the club.

It is true that the social committee is a high school sponsored organization and probably couldn't be responsible for dances not held at the high school, but high school dances have to be restricted to students and graduates of the year before. Both the dance club and the social committee exist for about the same purpose, and it would seem that some plan could be worked out whereby the duplication could be done away with.

LAKEVIEW PEOPLE ENJOY SNOW SPORT

Lakeview people are having a great winter sports season, according to Forrest E. Cooper, secretary of the Lake county chamber of commerce, who was a visitor here Friday.

Cooper said that two ski lifts have been installed in Warner canyon. One is for the rank amateurs and the other for the more expert skiers. The lifts are working perfectly, Cooper said.

Ice skating also is popular in the Lake county community. Before the winter weather came on several of the town's young matrons went in for roller skating on the new Lakeview sidewalks.

Return Home — Mr. and Mrs. Harry Roman have returned to their home on Orchard avenue after visiting in Dunsmuir with their daughter and family, Mr. and Mrs. Dean Seibert. Mrs. Seibert and son, Roger, have also been visiting here at the Roman home.
