STOCKS EASE DOWNWARD IN SLUGGISH DAY

NEW YORK, Feb. 23 (AP)—Stocks dispiritedly eased downward today.

Full minutes elapsed between sales as the day neared its close and brokers sat about the floor of the exchange reading newspapers. Nothing in the news was construed as inductive to action.

Transactions totaled about 700,000 shares, of which less than half changed hands in the three afternoon hours. Many traders, with no business in view, were out of town, combining Washington's birthday with the Saturday half holiday to give themselves a four-day weekend.

WHEAT GAINS, EBBS BACK NEAR FINISH

CHICAGO, Feb. 23 (AP)—After advancing almost two cents to the best levels in seven weeks, wheat prices lost more than half of the gain today.

Forecast of cold weather and war news stimulated buying but this was offset by selling partly associated with liquidation of grain that has been under loan. At some markets redemption of loan wheat was reported substantial although selling was in small lots. Statements of government experts and statistics indicating the war has produced no improvement in farm exports attracted attention.

Wheat closed 1/4 cent higher than yesterday, May \$1.06-1.05 1/4, July \$1.04 1/4-1.03 1/4; corn 1/2 cent off to 4c up, May 57 1/2-57c; oats unchanged to 1c higher.
