May 20 Date for Tulelake Elementary Graduation

TULELAKE—Thirty-two boys and girls, graduates of the Tulelake and the Carr elementary schools, will receive diplomas May 20 in joint graduation exercises to be held in the high school gymnasium here at 8 p. m. Twenty of the graduates are from Tulelake and twelve from Carr.

E. J. Hurley, superintendent of the Siskiyou Union high school will deliver the address of the evening. Jerome Keefer, principal of the Tulelake elementary school, will present the diplomas and students of the two schools are on the program for addresses and musical numbers. Plans for entertainment for the final day include either a play day or a theatre party at the Marcha theatre, the final plans depending on the temperament of the weatherman. Topping the day will be a dinner at the school cafeteria sponsored by the Tulelake Parent Teachers association.

As an introduction to high school life, two or three eighth graders are visiting the high school classes each day with an upper classman friend. Mr. Reiben, principal of the high school, and faculty members hope that the plan will tend to ward off that "lost feeling" students often experience with the change of buildings.

As a last social gesture of the year, Tulelake girls were hosts Friday at a play day for 10 girls

Malin

Mrs. Dilla Bailey, who for the past five years has prepared cafeteria meals for students of the high school and the elementary building has announced that she does not plan to accept the management again next year. Her successor has as yet not been announced.

New cement sidewalks from the high school to the grade school, concrete entrances to replace the old wooden approaches to the grade building, lawns and flower gardens are improvements that have long been needed. Work is being done by PWA help. Perennials and annuals have been planted this spring by the individual rooms to be cared for during the summer by the janitor.

Mother's day will be observed in the Presbyterian church with a program following the regular Sunday school hour at 10 a. m. Musical numbers and readings are being arranged by Mrs. Gerald D. West and Mrs. Teresa McComb.

Mrs. A. M. Thomas has hosted this week to the Happy Hour Bridge club with high honors going to Mrs. LaClair and second high to Mrs. Orville Wood. The hostess served refreshments to Mrs. John Reber, Mrs. Everett Jones, Mrs. W. C. Dalton, Mrs. A. E. Street, Mrs. Gene Smith, Mrs. Joe LaClair, Mrs. Joe Jacobs, Mrs. Perry Haley, Mrs. Orville Wood, Mrs. R. A. Rigor, Mrs. L. B. Schriener and Mrs. Alida Macken, the latter from Fresno.

FORMER MALIN CHILD DROWNS

MALIN—Word was received here Friday of the death by drowning late Thursday at Vale, Ore., of the two-year-old son of Mr. and Mrs. Lloyd Smith, formerly residents of Malin. The little boy was the grandson of Mr. and Mrs. Gene Smith, for many years residents of Malin. The child's grandfather left here several weeks ago to prepare for the arrival of Mrs. Smith and two daughters, Jane and Jean, graduates this spring of the Malin high school.

Mrs. Smith, who for several years has assisted in the school cafeteria, left at once for Vale. Mr. and Mrs. Lloyd Smith have one other child, a boy. The baby is believed to have drowned in an irrigation ditch, although no particulars were learned.

MALIN GRADERS FINISH TERM

MALIN—The school term for elementary pupils will end on May 17 with 20 students, completing sixth grade work this term, to enter junior high school next fall, it was announced Friday by Joe LaClair, principal. This spring marks the end of the first term during which the six-six plan of education has been in use and officials are gratified with the advancement made in the academic plan.

No graduation exercises will be held for those leaving the grade building except such recognition as they have earned in study courses or by perfect attendance. Reading certificates and other school awards will be presented on May 15 when achievement day is planned. Students will offer a short program and all rooms of the building will be open for the visits of relatives and anyone interested in the school's activities.

Picnics have been arranged for the last day of school with the first three grades to gather in the Kalina park and the upper grades to celebrate on the school grounds.

Teachers leave the last of next week for summer vacations with Miss Louise Anderson planning a trip to the New York fair; Miss Ruth Hale will attend summer school in San Francisco; Miss Lorraine Stevens will go to her home at Ashland; plans of Miss Mary Chambers are indefinite; Mr. LaClair will build a new home during the summer months to replace the one destroyed recently by fire and Mrs. Harry Prather will probably remain at home here.

Students going into junior high this fall include Jacqueline Addleman, Anna Cacka, Donna Clugston, Mary Elzner, Mary Sue Gladwill, Mary Jane Hornback, Jack Lindsay, Paul McCully, Roma Dee Robinson, Marjorie Smith, George Spolek, Theodosia Stevenson, Barbara Edwards, Joe Victorine, Robert Victorine, Alice Vincent, Robert Pitts, Shirley Smith.

Midland

Mr. and Mrs. George Burnett and daughter attended the motorcycle races at Bonanza Sunday afternoon.

Pearl Bodenhamer was injured in an accident Sunday when her motorcycle collided with a car on South Sixth street.

Midland grange will sponsor a public dance at the hall Saturday night.

H. E. club met at the grange hall Wednesday afternoon. Members present were Mesdames Botens, Largent, Young, Malina and Motschenbacher. Visitors were Mrs. Alberman and Mrs. Ashire.

NATURALIST SPEAKS AT ROTARY MEET

TULELAKE — Crater Lake, southern Oregon's most widely advertised scenic spot, was the center of interest at this week's Rotary meeting when John Doerr Jr., park naturalist, guest speaker offered the fascinating facts about the lake and the conditions about the when and why of its coming into being. Mr. Doerr stated that the water level has dropped 13 feet in the past few years. Reason for the drop is not definitely known. One hundred eighty-six soundings of the lake have been made, he stated. Mr. Doerr was introduced by Dr. Wilbur Hayden, chairman of the meeting.

Otis Roper, who in the primary election received a write-in vote on one ballot for the presidency, was fined by his colleagues for the misdemeanor. Guests for the day were Stanley Jewett, biological officials of Portland, George Davis, Klamath Falls, John Doerr Jr., and Karl Gentry, Tulelake.

Twenty-two members responded to roll call.

Dorris

Mr. and Mrs. Cyrus Baker were guests for dinner last Sunday at the Macdoel home of Virgil Holbrook.

Considerable excitement was aroused by a unique fire last Wednesday afternoon about four o'clock. An engine of the Southern Pacific railway took fire from oil spilled on the tracks and a great sheet of flame and smoke called out the ever ready volunteer department of Dorris which quickly quenched the flames.

D. A. Ballard, who has been quite ill since March 12, probably will remain in the Ft. Milley Veterans' hospital in San Francisco for at least another month. While everything is being done for his comfort, he will be glad to return to his inland home where fog horns do not make the night hideous.

Mrs. Sabine Reeves has purchased from Velva Flood the restaurant business of the Dorris cafe.

Mr. and Mrs. Glenn Welch, who purchased the Tavern cafe from Mrs. Johnson last month have refurbished the place and report a splendid business, part of which is probably due their excellent cuisine.

The funeral of Jack Houck was held from the Nazarene church Tuesday afternoon. The young man died at the Yreka hospital after weeks of suffering. Blood transfusions had been given him but did not help much.

"STAND-UP" SUPPER
The buffet supper was invented by Ude, celebrated chef of the time of Louis XVI of France. Women of the period often would forego refreshments rather than ruin crinolined, starched and frilled dresses by sitting down, so Ude conceived the idea of the "stand-up" supper.

A total of \$808,376.000 in state gasoline tax receipts was collected during 1939.

Several Aspirants Unopposed In Race for Primary Posts

(This is the fourth of a series of articles surveying the candidates in the May 17 primary.)
SALEM, May 13 (P)—Candidates for nomination to several offices in the May 17 primary are unopposed.

There will be no race for attorney general. I. H. Van Winkle, attorney general since 1920, has the republican nomination under his belt. District Attorney Bruce Spaulding of Polk county, who gained prominence during his prosecution of the Rosser arson case, is unopposed for the democratic nomination.

Chief Justice John L. Rand, member of the state supreme court since 1921, and Justice George Rosman, also have no opposition, so they are as good as reelected.

Ashurst Competes
There also will be few contests for circuit judges. Judge Edward B. Ashurst of Klamath Falls faces four candidates, Judge George Tazwell of Portland is opposed by eight, Judge Robert Tucker of Portland is opposed by former U. S. sen. Alex G. Barry of Portland, and four candidates seek the post to be vacated by Judge H. D. Norton of Medford.

The following judges will be reelected because of no opposition: James T. Brand of Marshfield, G. F. Skipworthy of Eugene, Carl E. Wimberly of Roseburg, Jacen Kanzler of Portland, Louis P. Hewitt of Portland, Robert M. Duncan of Burns, Arthur D. Hay of Lakeview, T. E. J. Duffy of Bend, R. Frank Peters of Hillsboro and Howard K. Zimmerman of Astoria.

Six state senators have already received their party nominations because no one filed against them. They are C. W. Clark of Roseburg, George H. Chaney of Coquille, P. J. Stadelman of The Dalles, W. H. Steiwer of Fossil, C. H. Zuercher of Enterprise, and John W. Porter of Long Creek. All are republicans except Chaney. There are 18 senate vacancies.

In the 120 races for nominations for the state house of representatives, 44 persons already are nominated. These include State Reps. Clarence E. Ash of Astoria, A. Rennie of Corvallis, Truman A. Chase and Angus Gibson of Lane county, J. H. McCloskey of Norway, Roy E. Carter of Gold Beach, William Munroe of Hood River, Giles L. French of Moro, Carl Engdahl of Pendleton, Howard W. Turner of Madras, Dr. J. F. Hosch of Bend, Burt K. Snyder of Lakeview, E. W. Kimberling of Prairie City, V. B. Staples of Ontario, Harry D. Boivin and Henry Semon of Klamath Falls and Fred W. Merman of Rainier.

KENO—The potluck supper and meeting of the Sewing club Thursday night was also an opportunity to give Miss Joyce Johnson a pot holder shower. The ladies had an enjoyable dinner and short program.

Monday night Louise Denison came to Miss Scott's house thinking she was attending a bridal shower for a friend. She was surprised to find, however, that the shower was for her, given by the other senior girls.

There was no planned entertainment. Refreshments were served.
This is "shower week" in Keno. Pauline Phillips was the one honored Tuesday evening at the home of her mother, Mrs. Jim Phillips. A beautifully decorated cake was prepared for the occasion. One of the entertainment features of the evening was appropriate verses written by the guests on the spur of the moment.

Thursday morning Miss Edna Bloom was called from her class to answer the telephone. When she returned a shower of handkerchiefs greeted her, gifts of her eighth grade students.

Some species of the wheat, a bird that winters in Africa, fly to Greenland to nest.

JUNE 9 SET AS DATE FOR REGATTA

"Step lively, mates!" is the by-word of the Klamath junior chamber of commerce, as plans are mapped and things made shipshape for the seventh annual Klamath Lake Boat Regatta, date for which has been definitely set as Sunday, June 9.

Those wanting a bit of "hardware" on the mantle to signify their sailing prowess are advised by chamber officials to start planning immediately for the various competitive events which feature the annual upper lake affair.

The regatta will be sponsored by the junior chamber with the backing of the Oregon Outboard association and the National Outboard association.

Wally Hector, chairman, announced that under tentative plans the regatta will get under way at 11 a. m. with eliminations for the log-bucking championships of this district. Double as well as single log-

bucking tournaments are to be held this year, a new feature. Boat races are scheduled to start at 1 o'clock with outboard racers from the entire length of the Pacific coast expected to compete.

Of prime interest to local enthusiasts are the races for the various classes of sailing craft.

FORTIFIED

So long has the curious bamboo crab kept itself tucked back into the hollow stalks of bamboo that its hinder portions are imperfectly developed. But any enemy that tries to invade the sacred domain is met with a pair of bristling claws at the open end of the stalk.

THE RECORD... Facts That Concern You No. 18 of a series

INTERESTING FACTS ABOUT BEER AND BREWING

THIS IS WHAT BEER IS MADE OF... Sunshine, water, malted grain—and hops for flavor. Converted into beer by a simple natural process. Mother Nature brews beer—that is why it is so wholesome.

PROVIDED BY U. S. FARMERS—25 BILLION POUNDS OF FARM PRODUCTS NEEDED BY BEER AND ALE. Since re-legalization, the brewing industry has bought this enormous quantity of produce from American farmers.

BEER AND ALE CONTRIBUTE \$1,000,000 A DAY IN TAXES TO LOCAL, STATE, AND FEDERAL GOVERNMENTS. Or \$400,000,000 a year! What would happen if there were no beer or ale to carry this enormous tax burden?

BEER CAME OVER ON THE MAYFLOWER—Pilgrim records tell how the landing of the Mayflower was hastened because the Pilgrims ran short of supplies, "especially beer."

A NEW PLAN TO COOPERATE WITH LAW ENFORCEMENT OFFICERS. You will want to know about beer's new plan to "clean-up or close-up" retail establishments that permit abuses. This plan is in effect in a number of states. It is being extended. Ask us for free booklet. Write: United Brewers Industrial Foundation, 19 East 40th Street, New York, N. Y.

MILD, WHOLESOME BEVERAGES FOR HOME ENTERTAINMENT. Always easy to serve, beer and ale are favored by many hosts and hostesses for home entertainment. Tasty, mild and wholesome—they are ideal beverages for moderation parties.

BEER... a beverage of moderation

Railroad Labor Endorses Ashurst

Order of Railway Conductors of America
CRATER LAKE DIVISION NO. 133

May 12, 1940

Honorable Edward B. Ashurst,
Klamath Falls, Oregon.

Dear Mr. Ashurst:

I am instructed by Crater Lake Division 133, Order of Railway Conductors to advise you as follows:

That Crater Lake Division 133, Order of Railway Conductors endorses your Candidacy for Judge of the Circuit Court of the Thirteenth Judicial District of Oregon.

We urge that all other local labor organizations do likewise.

Wishing you every success in the coming campaign, I am with kindest personal regards,

Yours most sincerely,

(Signed)
L. E. HUBBARD,
Secretary Divn., 133.
Order of Railway Condra.
