

MERRILL SIXTH GRADE GRADUATES NINETEEN

MERRILL. — Nineteen boys and girls from the sixth grade will enter the junior high school

next fall, it was announced this week by Mrs. Dale (Lucille) West, principal. All classes in the building participated in achievement day, Monday afternoon when work completed by the students was on exhibit in the individual

rooms. Awards to Four-H students completing projects were made by Clifford Jenkins, Klamath county 4-H club leader, and Elizabeth Dennehy and Mary Lou O'Conner, winning team at the Four-H fair in Klamath Falls this spring in preparation

of school lunches, repeated the demonstration for the audience. Betty Turner, Mary Lou O'Conner, Joan Kandra and Helen Lacey, all Four-H members, took part in a candle lighting ceremony. Students of the fifth and sixth grades in Spanish cos-

tumes presented a number of folk dances. Students will picnic on Friday, last day of the term. Mrs. West announced the following students as completing sixth grade work: Walter Fotheringham, Lee Haskins, Gene

Hill, Carol Kandra, Billy Kortum, Kenneth McLain, Vernon Messer, Billy Noonan, Gerald Pierce, Phillip Shay, Dale Walker, Anita Click, Elizabeth Dennehy, Alice Duncan, Eileen Moltenhour, Mary Lou O'Conner, Vera Oren, Betty Turner.

BEEES IN CLOVER
The absence of bumble bees prevented the fertilization of red clover in New Zealand. Then, 95 bumble bees were shipped in, and nine years later that country produced \$1,000,000 worth of red clover seed.

PROXIMITY MEANS LITTLE
We are nearest the sun in January, being about 91.5 million miles away, but that is one of the coldest months. We are farthest from the solar orb in July, when the distance is approximately 94.5 million miles.
