WOOL MARKET BOSTON, May 21 (AP-USDA) There was very little business being transacted in wool today on the Boston market. Quotations were mostly steady on spot wools. An occasional offering was reported being quoted slightly easier. Good French combing length fine territory wools in original bags were quoted mostly at 82 to 83 cents, scoured basis. Country-packed three-eighths and quarter-blood bright fleece wools for shipment from the country were quoted mostly at 37 to 38 cents, in the grease. Delivered to users, little demand for these wools was reported here but some local mills were reported active in the country. I really want to see if I like this kind of work. If I do, I will go on with it. If I don't, I will get into something else. — David Rockefeller, on joining Mayor La Guardia's secretarial staff.

WHEAT FLUCTUATES IN NARROW RANGE

CHICAGO, May 21 (AP)—Over-shadowed by news of continued German successes and pegged by minimum prices under which they could not go, wheat fluctuated rapidly and widely today in a range of about 3 cents and at times as much as 4 cents under yesterday's close. Maximum losses, however, were pared frequently and much of the time the market held steady at net losses of about 2 cents for the day. Trade was sensitive to moderate buying and selling orders. At their lows wheat futures were within 2 cents of minimums established; corn within about 1 1/2 cents. Soy beans reached maximum levels. Wheat closed 1 1/2 cents lower than yesterday's close, May 82 1/2, July 82-82 1/2; corn 1-1 cent down, May 63 1/2, July 62-62 1/2; oats 1-1/2 lower.
