

## Ice Cream Tastes Much Better With Fruit Topping

By MRS. GAYNOR MADDOX  
NEA Service Staff Writer

Sunday's ice cream taste even more festive with a topping of fruit conserve or fruit honeys. Red Cherry, Carrot and Pineapple Honey.

(Seven Half-Pint Jars)  
Three cups (1 lb.) prepared carrots, 3 cups water, 4 cups (2 lbs.) prepared sour cherries, 1½ cups (1 lb.) crushed pineapple, 5 cups (2½ lbs.) sugar, 1 teaspoon salt, 2 tablespoons vinegar.

Wash and scrape about 6 medium carrots. Wash and pit about 2 quarts sour cherries. Put through chopper, using medium-coarse knife. Measure each. Place carrots and water in large preserving kettle and simmer, covered until tender and most of the water has evaporated.

Add pineapple and cherries, bring to boil, uncovered, 15 minutes. Add sugar, salt and vinegar. Cook slowly until sugar is dissolved and mixture boils, stirring constantly. Boil rapidly until clear and desired consistency is reached, stirring frequently. Skim. Pour into clean, hot sterilized jars or glasses and seal at once.

Black raspberries are in some markets now and will soon be in all markets. This conserve is perfect for the party ice cream. Has excellent color, too.

Seedless Black Raspberry and Orange Conserve  
(Eight Half-Pint Jars)  
Two oranges, 2 cups water, 3

cups (2½ lbs.) prepared black raspberries, 1 cup (½ lb.) crushed pineapple, 1 cup (½ lb.) sugar, 1 cup coarsely chopped nuts (optional).

Scrub oranges, cut in quarters, remove seeds and all coarse membrane. Cut crosswise in thin slices. Cook, covered, in water until very tender, and most of the water has evaporated. Pick over and wash about 3 quarts fully ripe black raspberries. Drain, measure into kettle and crush.

Cook, covered, about 15 minutes. Rub through fine sieve. Measure pulp, cooked orange and pineapple into large preserving kettle. Add salt and two-thirds cup sugar for each cup fruit mixture. Cook slowly until sugar is dissolved and mixture boils, stirring constantly. Cook until clear and desired consistency is reached, stirring frequently. Add nuts and bring to a boil. Skim. Pour into clean, hot and sterilized glasses and seal at once.

**Menu**  
Breakfast: Strawberries and cream, dry cereal, green herb omelet, toast, coffee, milk.  
Dinner: Shrimp cocktail, baked stuffed chicken, giblet gravy, new potatoes with chives, green peas, mixed green salad, vanilla ice cream with red cherry, carrot, pineapple, honey, coffee, milk.  
Supper: Cold sliced ham, vegetable salad, baking powder biscuits, jelly, tea, milk.

## HIGH SCHOOL

News Notes and Comment

By Bill Ganong

The junior dance club has made arrangements to hold weekly dances throughout the summer at the Willard hotel. The first one will be about three weeks from now. Of course the success of the enterprise will depend upon the turnout for the dances will have to make enough to meet expenses. This is a great plan and should be a success.

Talking of dances students shouldn't forget the dance being held at the Reames Country club Friday night, May 24. It is being sponsored by the Hi-Y. Programs may be bought at the door.

Frank Subject will receive the racket presented to the outstanding Pelican tennis player each year. Frank was the number one man on the team and earned 18 out of a possible 21 points.

The KUHS tennis team will place second in the Southern Oregon conference this year. Although they were district champs for the past two years the team was very green when it started at the beginning of the season, and it has made a fine showing in taking second place.

Thursday was the last day of school for all except seniors, who were scheduled to graduate Friday.

As is the custom Thursday was also class day and so the school year ended with the annual class day assembly.

The assembly started with the student body president, Bob O'Connor, introducing next year's student body president, Bob Erlandson, to the students. It is interesting to note that Erlandson and O'Connor are cousins, and that Erlandson will be the third member of the family to hold the executive post. If he handles it in the tradition of the family student affairs will continue to prosper for both Chuck and Bob O'Connor were A-1 presidents.

High spot on the program was

the impersonation of the faculty. Each year a group of the more talented seniors impersonate members of the faculty. Sometimes a senior with a special ability at acting will impersonate a teacher so realistically it is practically painful to watch the real life pedagogue writhe where he sits. However it is all in the spirit of good clean fun.

As Thursday was the last day of school this will be the last column that I will have an opportunity to write.

I would like to thank the faculty and students at the high school for the aid they have given me in preparing this column, and I would like to give a special vote of thanks to Lloyd Conrady who has pinch hit for me on several occasions.

In this column I have endeavored to give the readers a daily picture of what went on at the high school, especially among the students, and I hope I have succeeded in this aim.

## ANTI-AIRCRAFT ASKED AT DAM

CASCADE LOCKS, Ore., May 24 (AP)—The creation of a "real line of western defense" to protect Bonneville dam from "modern bombing attacks" was asked by the chamber of commerce.

The Cascade Locks chamber forwarded to Washington, D. C., a resolution urging "immediate action" in the location of anti-aircraft batteries on the mountains rising beside the dam.

Military authorities believe the resolution said, that aircraft defenses could sufficiently protect the dam against lightning thrusts.

**"NATIONAL BUTTER"**  
LONDON, May 24 (AP)—The food ministry announced today that only "national butter" would be sold after June 1. It did not indicate the quality or origin of the butter.

## Very Subtle Makeup Best For the Woman Over Forty

By ALICIA HART  
NEA Service Staff Writer

New summer makeup for mother will be a great deal more subtle than the flamboyant shades her daughter is wearing this season.

Unless she is a very young mother, she'll avoid the brilliant, hard reds and exotic oxblood shades and go in for lighter, softer tints of rouge and lipstick.

**Soft Tones Will Flatter**  
There are rose tones which are sure to be flattering, and some light, but slightly lavender, reds that might be nice, particularly with white or bluish gray hair.

Unlike daughter, she may choose powder, not to match exactly her complexion, but with rosy undertones to compensate for the natural loss of rosiness. No matter how much the years have drained her skin of its youthful bloom, she can make it appear to bloom again simply by using the right foundation film and face powder.

Naturally, any woman past 40 ought to use cosmetics ever so sparingly. Flery red, exaggeratedly rouged cheeks and lips lavishly coated with lipstick will detract from her mature charm. Her cheeks and lips should be tinted—not colored.

Her favorite foundation preparation must be meticulously applied to achieve an absolutely smooth surface. Her powder ought to be patted on thickly, allowed to set for a few moments, then whisked off with a brush or piece of fluffy cotton.

**Older Woman Must Watch Her Grooming**

She must cultivate the "not-a-hair-out-of-place" look. A wispy of hair, straggling across the forehead, may be charming above a young face with upturned nose. But it will make an older woman seem just plain dowdy.

The attractiveness of any mature person is in direct proportion to her neatness and careful grooming.

## College Student Burns Gymnasium To Get New one

STOCKTON, Calif., May 24 (UP)—Joe Paul Giovanetti, 23, college freshman, was jailed last night on arson charges, accused of burning down the College of Pacific gymnasium to help his fellow students get a new and larger building.

Fire Chief Ralph Thompson said Giovanetti admitted setting the incendiary fire which destroyed the \$45,000 building Wednesday morning, burning athletic trophies, records and offices.

Thompson said Giovanetti confessed to trying to fire the building twice before. Apparently he hoped to become a "hero" to his fellow students who had been clamoring for a larger gymnasium, the chief said.

Two weeks ago the building caught fire but the blaze was quickly put out.

**RESULTS**  
PORTALES, N. M. (AP)—"Wanted: County wide two-inch rain; slow and steady. Max Stone."

Within 24 hours, an all-day rain answered Stone's classified ad in a Portales newspaper.

## Oregon's Own and Only Sugar

the Best Sugar You Can Buy for YOUR CANNING

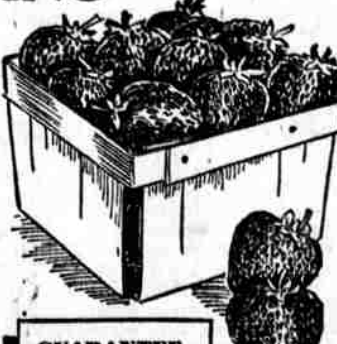

### It's Berry time in OREGON

Oregon housewives can more fruits per capita than any other state. Why? Perhaps because Oregon's fruits are so excellent and so low in cost. Commercial canning is also important; for instance, Oregon produces 78% of the nation's canned loganberries and 58% of its canned strawberries.

Fortunate, too, that Oregon sugar... sold only under the "White Satin" brand... is the best sugar you can obtain FOR YOUR CANNING... because its quality is unsurpassed and because you build Oregon when you use Oregon sugar. It's guaranteed for canning, jelly making, or preserving; or your money back. Absolutely! Buy it in 100-pound cloth, burlap, or paper bags, and save. Also sold in smaller sizes.

**PURE BEET SUGAR**  
Use beet sugar and save. Endorsed for canning by the U. S. Government and by leading Oregon housewives and home economists.

## WHITE SATIN SUGAR

**GUARANTEE**  
"White Satin" Sugar is absolutely guaranteed for every canning purpose. Try it. Money back if not satisfied. But you will be satisfied, for there is no better sugar.

## LAKEVIEW RESERVE OFFICER RECEIVES SPECIAL AWARD

CORVALLIS, May 24 (AP)—Members of the Oregon State college reserve officers' training corps received 21 special awards and 103 second lieutenant commissions in the United States army reserves today.

Awards included:  
T. N. Torris, Mapleton, best rifleman infantry unit; Harry B. Black, Roseburg, best commander of infantry company.

Commissions:  
Infantry—Harry Black, Roseburg; Louis Dillard, Roseburg; Leslie Kincaid, Ashland; Robert Phelps, Grants Pass.

Field artillery—Fred Dahl, Silverton; Henry Pavelek, Woodburn; Charles Warren, Salem; William Weir, Lakeview; Willard Wilson, Grants Pass; Clinton Wynn, Junction City.

Corps of engineers—Victor Clay, Harrisburg; Herbert Glaslauer, Salem.
