

Envoy to Vatican Has Operation

ROME, June 26 (AP)—Myron C. Taylor, President Roosevelt's representative at the Vatican, underwent an operation today which lasted two hours. His condition was described as satisfactory.

The operation was performed by Dr. Allan O. Whipple, New York surgeon, assisted by Prof. Raffaele Bastianelli, one of Italy's most famous surgeons. Mrs. Taylor was at the hospital.

The envoy became seriously ill while in Florence and was brought to Rome two days ago to Prof. Bastianelli's private clinic. Dr. Whipple and Mrs. Taylor came to Italy from the United States by air.

The operation was for removal of gallstones.

SEWING UNITS TO BE FORMED

A meeting will be held Friday, June 28, at 2 o'clock in the Fairhaven school gymnasium to form one or more sewing units in this district.

Mrs. B. C. Johnston, in calling this meeting, has asked that every one interested in sewing, knitting or crocheting for the Red Cross come to this meeting.

BRIDGE OF TREE TOPS

A California railroad runs across tree tops over a deep ravine near the coast. A bridge of stone or iron would have been too costly, so the trees were utilized. The top branches were

sawed off and the timbers for the line laid on the stumps. The bridge is regarded as entirely safe. Whales are unable to breathe under water.
