TRIO RETURNS FROM VACATION SOUTH OF BORDER

Miss Amy Erickson, health nurse of the county health nursing staff, returned this week from a three week vacation trip to Mexico, in company with Miss Helen Parish, member of the Medford health department, and Miss Enid Funk of the forestry department in the valley city.

The trio spent most of the time in and about Mexico City, but motored as far south as Taxco, a distance of a hundred and twenty-five miles south of the city. Among their observations were that many Americans are touring Mexico this year, due undoubtedly to war conditions abroad, that Mexico City has a difficult traffic situation and that the children understand English due to their schooling and are better able to cope with the tourists' questions than the adults.

The homeward trip of the three vacationers was made via San Antonio and other interesting points.
