BAPTISTS TO HEAR TALK ON HITLER

"Will Hitler Be the Next World Ruler?" is a subject which is in the minds of a great many people. Many here in America are afraid, while there are others who are unconcerned because of the distance between America and Europe.

What does the Bible have to say on this important subject? Some are thinking there is no use for us to make improvements here in America for it will be taken by Hitler. Centuries ago the Bible told who would be the next world ruler. As the Bible has foretold other world rulers it must be true when it speaks of the next world ruler.

"Will Hitler Be the Next World Ruler?" is the subject of the pastor during the evening hour at 8 o'clock Sunday at the Immanuel Baptist church, North Eleventh and High streets, who has made considerable study of prophecy relative to these days and the close of "The Gentile Age." The Bible is clear in its teaching on this subject. By this it is not meant that America should not build an army and a navy second to none.

The public is cordially invited to attend this special service Sunday evening, July 21 at 8 o'clock.
