GUNMAN ESCAPES AFTER TIFF WITH AUTO PASSENGERS

PORTLAND, Oct. 7 (AP) — A pinch-faced, bespectacled gunman was hunted by police today for shooting a taxicab passenger and attempting to rob a downtown theatre.

Detective Paul Mumpower said the gunman previously wounded George Shaw in the cheek and left hand during a struggle which followed his attempt to commandeer a cab outside the Capitol theatre.

The robber, who hid in the theatre until closing time, fled without loot after holding three persons captive for a short time.

He leaped into the parked car, in which Shaw and two women were seated awaiting the driver's return, and attempted to start it. Shaw, the detective reported, struggled with him.

The gunman fled on foot. He was spotted by police who fired two shots, but escaped in the downtown section.

A short time later Mr. and Mrs. W. T. Worral reported that a man answering the robber's description jumped on the running board of their car, forced them out and drove away.

U. S. CRITICIZED BY EX-ATTACHE

TILLAMOOK, Oct. 7 (AP)—The United States is partly to blame for the present world chaos and is "headed for war," Colonel Charles A. Robertson of West Salem said Saturday.

The former U. S. military attache in Europe told a public forum sponsored by the league of women voters that "Our best interests are to have the British victorious" over the axis.

He criticized the United States for "turning its back on Europe" after the Versailles "mistake."

During 1939, a total of $816,433,000 in gasoline tax revenue was collected in the United States. New York led the states with $69,693,000, followed by Pennsylvania with $59,584,000.
