CORVALLIS, Oct. 25 (AP) — The Oregon reclamation congress sessions at Klamath Falls, October 28 and 29, will be the

first of eight state-wide agricultural meetings during the next two months. Others include the Oregon state corn show at OSC November 22 and 23; State Wild Life federation meeting, OSC, November 27, 28 and 29; State Beekeepers' association meeting, Portland, November 29 and 30;

Oregon Wool Growers' association convention, Lakeview, December 3 and 4; Western Nut Growers' association meeting, Hillsboro, December 4 and 5; Eastern Oregon Wheat league meeting, Pendleton, December 5, 6, and 7; Oregon State Horti-

cultural society meeting, Medford, December 9 and 10. I don't think anyone can get rich out of the national defense program. In the end we are all going to have to pay for it.—William S. Knudsen, national defense commission.
