

VALSETZ STAR FACES ELECTION LOSS CHEERFULLY

VALSETZ, Nov. 19 (P)—The Valsetz Star, whose politics have

been described as at least 101 per cent republican, did its best to be cheerful in the face of the Roosevelt success.

Twelve-year-old Dorothy Anne Hobson, its editor, in her latest issue boiled down the activities

of election night in the Hobson household to:
"Daddy took a hot bath and shut the radio off."

There was not a wheel in all America until the white man came.

AMERICANS SPURN JAPAN'S URGINGS

A WEST COAST CANADIAN PORT, Nov. 19 (Canadian Press)—A transpacific liner brought more than 300 American and

British refugees, including 65 children, yesterday from the Orient.

They said they had left the Orient upon the advice of their governments and in spite of the urgings of Japanese, who circulated among them in Shanghai

and tried to persuade them to stay.

One of the biggest parties aboard consisted of 68 wives and children of employees of the British-American Tobacco company in China.

BLACKOUT BLOTTED OUT BREMERTON, Wash. (P)—A

total blackout of this U. S. navy yard city was postponed because of the fog.

Authorities wanted to determine how completely the city

could be smothered from the view of aerial observers. But the fog was so thick an observer would have been doing well to see the city with the lights on.

They'll try again—weather permitting.
