Sport Briefs

NEW YORK, Jan. 2—Just pass those headache tablets, will you, pal? ... Picking only two of the four big bowl winners was bad enough, for crying out loud, but we'll skip that ...

TODAY'S GUEST STAR Jack House, Birmingham (Ala.) News: "Baseball men have tried for years to eliminate the Shaughnessy play-off system ... after the way Clark Shaughnessy's Stanford team kicked everybody around, including Nebraska, the football fellows probably will be in favor of it, too." (Ed. note: First aye vote already received from George Presto Marshall of the Washington Redskins).

IN THE BOWLS Now for a quick hop around the bowls ... Nebraska and Tennessee done us wrong ... Biggest surprise: Fordham's fine showing vs. the mighty Aggies, including Kimbrough ... Most thrilling moment: Nebraska's grand one-yard stand against the Stanford "T" party ... Mayor Tobin of Boston, who stuck his neck out by predicting Boston college would win, 21-7, probably will not be recalled since the Eagles won, anyway ... As we remarked the other day, it looks like Tennessee will have to play the rest of its bowl games with ten pins ... The broadcasts were not so hot, incidentally ... Texas Wins Cotton Bowl

Aggies Roar Back for Second Half Rally

By HENRY SUPER United Press Correspondent DALLAS, Tex., Jan. 2 (UP)—

The Texas Aggies staged a touchdown in the third period yesterday and defeated Fordham 13 to 12 in a rocking, socking, bruising Cotton bowl game.

Kept in their corral all during the first half by the rugged boys from the Bronx and trailing 6-0 when they trudged to the dressing room, the Aggies roared back with a pair of scores within a few minutes of each other and won the ball game by a point after touchdown.

There was a roaring game from start to finish—one that had the 45,507 customers, largest crowd ever to see a sporting event in Texas history, hanging on the edges of their seats right down to the final gun.

There were heroes aplenty but the one who enabled the Aggies to walk off the field on the long end of the count was black-haired Marion Pugh, quarterback. For it was his conversion after the Aggies' second touchdown that provided the victory.

The men who did the heavy work today were the unsung heroes of the line—Johnny Kuzman, Lou DeFilippo and Joe Ungerer for Fordham and Marshall Foch, Robnett, Tommy Vaughn and Charlie Henke of the Aggies. These were the boys who staged a rock-sock battle the like of which never before had been seen in the five years they've been staging the Cotton bowl.
