CLIMBING URGE SHOVES STOCKS UP FRACTIONS

NEW YORK, Jan. 6 (AP)—The advancing urge persisted in the stock market today and selected issues moved up fractions to a point or more.

Dealings were relatively slow, although a few lively intervals put the volume at around 650,000 shares.

A little selling cropped up here and there in the final hour and at the close extreme gains were shaded for many climbers.

Trading almost came to a standstill at 2 p. m. when the president's message to congress began to roll off the boardroom news tickers. The address, which inspired generally favorable interpretations in brokerage circles, failed to stimulate speculative forces to any great extent inasmuch as it was about in line with the recent 'fireside chat' which denounced the dictators and warned that rearmament and aid to Britain and the democracies must take precedence over all other American activities.

Business prospects, based on the huge defense spending program, brought buying for many stocks. A jump in this week's estimated steel mill operations to a new record peak was viewed as another recovery signal.

Earnings predicions popped a number of individual shares. Among those were oJnes & Laughlin preferred, Mack Truck, General Theatre Equipment and Savage Arms. All of which went into new high ground for the past year.

Up the greater part of the session were U. S. Steel, Bethlehem, National Steel, General Motors, Yellow Truck, Woolworth, International Harvester, J. I. Case, United Aircraft, Westinghouse, Philip Morris, U. S. Gypsum, Union Pacific, Great Northern, Western Union, Cerro de Pasco, American Smelting, International Nickel and American Telephone.

Corporation bonds steadied but U. S. governments dipped.

WHEAT PRICES UP CENT PER BUSHEL

CHICAGO, Jan. 6 (AP)—Wheat prices advanced about a cent a bushel today to the best level since late in November, most of the upturn coming in the final hour. Corn, rye and soybeans also reached the highest prices in a month or more.

Dealers attributed some of the market's strength to trade interpretations of the president's message to congress. An upturn in securities and reports of moderate flour business also had a constructive influence.

Wheat closed ½-1c higher than Saturday, May 88½-⅞c, July 82¼-½c; corn ½-⅞c up May 63⅜c, July 63c; oats ½-⅝c higher.

WOOL MARKET

BOSTON, Jan. 6 (AP-USDA) Fine and half blood South American wools that have arrived at Boston were receiving a fair demand today at steady to firm prices. Domestic wools, however, were very quiet, a few bids were received on fine Delaine and also on quarter blood combing bright fleeces. Bids were around 4 cents, in the grease, for fine Delaine as well as for quarter blood, but asking prices were mostly around 44-45 cents, in the grease, for wools of each grade.

FOUR NEGROES ENTER PRIESTHOOD

BAY ST. LOUIS, Miss., Jan. 6 (AP)—Four young negro men, ending 14 years of study today with vows of chastity, poverty and obedience as part of their ordination into the priesthood, became part of the slowly growing band of pioneer Catholic missionaries to their own race.

Anointed, after lying prostate before the chapel altar to show their humility in the sight of God, they will go forth to instruct other negroes on the Gold coast of Africa or in some dilapidated hamlet of the deep south.

They came to St. Augustine's seminary here, the only Catholic seminary for negroes in the United States, while almost children.
