Watch Family Now While Epidemic Colds Are Spreading

At a treacherous time like this, with an epidemic of contagious colds all around you, what do you do today may save you and your family a lot of sickness, worry and trouble later.

Follow these simple rules of health: Live normally. Avoid excesses. Eat simple food. Drink plenty of water. Keep elimination regular. Take some exercise daily—preferably outdoors. Get plenty of rest and sleep.

Then use these two time-tested treatments when needed.

AT THE FIRST SNIFGLE, SNEEZE OR NASAL IRRITATION... put a few drops of Vicks VapoRub up each nostril. This helps to prevent many colds from developing, because VapoRub is expressly designed to help Nature's own defenses against colds. (If a head cold causes stuffiness, you'll find that a few drops of VapoRub helps clear the clogging mucus and makes breathing freer and easier.)

RED CROSS BUSY ON BRITISH AID

This week finds the headquarters of the Klamath chapter, American Red Cross, a scene of busy activity as volunteer workers are engaged in filling the January quota of garments for British relief. The United States government is very generous with material. The local chapter will have more than has been asked for to complete the quota. An urgent call is now made for more volunteers. The cutting committee is working daily and materials are ready for sewers and knitters.

"While our men are engaged in the national defense program, the Red Cross sewing room offers women an opportunity to do their part in the work," said Mrs. C. E. Dennis, production chairman, who asks for workers to call at headquarters, 420 Main street, for materials.

At headquarters were seen Mrs. George Kephart, of Klamath Agency; Mrs. Viola Leever, Mrs. Pearl Baker and son, Noel, of Fort Klamath. Also noted were Mrs. Earl Redman, Mrs. A. J. Lyle, Mrs. H. T. Landrum, Mrs. E. McFee and Mrs. William Urmsion in the sewing rooms and Miss Elaine Carden assisting Mrs. Ora Boyd and Miss Gladys Ongman in the office.

A speedup in production is being made to fill the urgent need in Great Britain for complete outfits—about ten garments each—for 200,000 children in the six months to five-year-old age bracket; and a new project is the making and packing of 20,000 utility kits to be sent to London for distribution to air-raid shelters to women obliged to leave their homes without their personal possessions. Klamath chapter is included in this recent speedup of production.

The American Red Cross also announced receipt of a cable from the Women's Voluntary services (the British organization through which all relief supplies are distributed) thanking them for their aid to the civilians of England during the past year.

STATE DAIRYMEN PLAN MOTION BEFORE ASSEMBLY

GRANTS PASS, Jan. 13 (AP)—Dairymen planned Saturday to take a promotion scheme to the state legislature. They would enact a law taxing butterfat at a half-cent a pound in June of this year and May of succeeding years. The estimated \$35,000 annually which the tax would raise would be used to promote dairy products.

At the closing session of the Oregon State Dairymen's association yesterday Oscar Hagg, Reedville, was reelected president; E. L. Peterson, Coquille, and Lee Holiday, Klamath Falls, vice presidents; Roger Morse, Corvallis, secretary-treasurer; W. A. Johnson, Grants Pass; Dick De Jong, Amity; Fritz Beltz, Tillamook; and James McCracken, Ashland, directors.

The Oregon State Guernsey association elected Charles A. Wing, Medford, president; Melvin King, Grants Pass, vice president; Ernest Calhoun, Grants Pass, secretary; M. C. Fleming, Troutdale, and J. A. Campbell, Amity, directors.

MANY VISIT CRATER LAKE AREA SUNDAY

There were 81 first entries into Crater Lake national park Sunday from the Klamath entrance, a total of 137 cars, and 535 persons, according to a report made Monday by Don Fisher, custodian of the Lava Beds national monument, who spent the day at the checking station.

From the Medford side, 66 cars and 244 persons entered the park. Figures of those who came to visit the lake were 105 cars from Klamath, and 49 from Medford. Others came to enjoy winter sports. Fisher stated: "A few minor accidents were reported. None of the skiers was seriously hurt."

OREGON TO BE REPRESENTED AT WHITE HOUSE

Oregon will be represented at the White House on Tuesday when Mrs. Franklin D. Roosevelt gives her "at home party" in connection with the 1941 "Fight Infantile Paralysis" campaign. At the same time the local committee, headed by Samuel P. Miller, goes ahead making final plans for the big infantile paralysis ball February 1 at the armory in observance of the president's birthday.

Our Home Town

R. N.

By EARL WHITLOCK

No, those initials do not stand for Royal Navy, though there's much talk that Britain's Royal Navy is the only thing that stands between us and destruction.

But my R. N. is far more important to civilization and to America than mere tonnage of floating steel. My R. N. stands for REGISTERED NURSE and therefore stands for efficiency, understanding, kindness, steadfastness and a host of other fine human qualities.

It takes a lot of spirit and plenty of good, old-fashioned grit for a girl to go through that first tough year of training. The discipline is severe, the hours are killing, the work is unbelievably hard and monotonous. And those flighty souls who took up nursing for the thrill are quickly weeded out by the exactions of the job.

But those fine young women who stick it out, who study and work through the remaining years of the course and who finally take the solemn and beautiful vows of their profession, are the kind of girls you can depend on. They have to be!

And when the doctor leaves one of them in charge of a case, he knows that, through her understanding and skill, his battle is already more than half won.

Next Monday Mr. Whitlock of the Earl Whitlock Funeral Home will comment on "Today."

TWO FIRES CALL FIREMEN OUT

The hour of 5:32 p. m. on both Saturday and Sunday, meant runs for the city fire department.

At identical seconds the fire ladders received calls on both days. Saturday a car was reported burning at Fourth and Pine streets. Fire in the machine, owned by William Toombs, was extinguished before the truck arrived.

On Sunday afternoon the department responded to a call from 1749 Oregon avenue. An overheated stove in the Oregon Food store building caused small damage around the woodwork.

Christian Science

"Sacrament" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, January 12.

The Golden Text was, "the grace of the Lord Jesus Christ, and the love of God, and the communion of the Holy Ghost, be with you all" (II Cor. 13:14).

Among the citations which comprised the lesson-sermon were the following from the Bible: "Now we exhort you, brethren, warn them that are unruly, comfort the feeble-minded, support the weak, be patient toward all men. See that none render evil for evil unto any man; but ever follow that which is good, both among yourselves, and to all men. Rejoice evermore. Pray without ceasing. In everything give thanks; for this is the will of God in Christ Jesus concerning you. Quench not the Spirit" (I Thess. 5:14-19).

The lesson-sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Are all who eat bread and drink wine in memory of Jesus willing truly to drink his cup, take his cross, and leave all for the Christ-principle. Then why ascribe this inspiration to a dead rite, instead of showing by casting out error

and making the body 'holy, acceptable unto God,' that Truth has come to the understanding?" (Pg. 33).

KLAMATH WARD STORE PUT ON UNFAIR LIST

The Klamath Falls Montgomery Ward & Co. store has been put on the unfair list by the state federation of labor, it was announced Saturday at the labor temple.

In a letter received here D. E. Nickerson, secretary of the state federation, it was asserted that Montgomery Ward & Co. has refused to negotiate with organiz-

ed labor and has consequently been declared unfair.

At a meeting Friday night the local central labor council concurred with the action of the state officers.
