

TWO KLAMATH MEN ENLISTED BY NAVY

First two young men to enlist in the United States navy from Klamath Falls since the establishment of a full time recruiting station here, are Babe Ruth Peebles, 19, and Harley Wood Griffis, 17, according to announcement made Wednesday by the recruiting officer.

Peebles and Griffis enlisted Monday and that night left by train for Portland where they were given physical examinations and sworn in. They are now en route to San Diego where they will be admitted to the US naval training station and given five weeks' training after which time they will be granted 10 days' leave to visit home.

Young Peebles enlisted for a period of six years. He is a native of Canadian, Tex., graduated from a Tennessee high school, and passed 92 per cent in intelligence, whereas the required percentage is 50. Peebles is the son of Mrs. Maude Sanchez, 315 South Sixth street.

Griffis resides at 1863 Gary street and is the son of H. W. Griffis of Scotia, Calif. He was born in Portland, and attended Klamath Union high school. Griffis will serve until one day before his 21st birthday.

Enlistment offices in the federal building are open Monday through Friday, 8:30 a. m. to 5 p. m., and Saturday, 8:30 a. m. to 1 p. m.

Inflation does not begin until production capacity, through a shortage of machines, raw materials, or workers, cannot meet increased demand.—Col. Philip B. Fleming, Wage-Hour administrator.

BAND CONCERTS AT MOORE PARK EYED BY COMMISSION

Possibility of summer band concerts at Moore park was voiced Wednesday when City Engineer E. A. Thomas, James Swanson of the city band commission, and Charles Stanfield, director of music at Klamath Union high school, looked over the park Wednesday afternoon.

Plans now call for a bandstand where the city musicians can properly perform. The stand would also be used for a speaker's platform in the park.

OREGON PLATES CHANGED EARLY

Only the statutes of Oregon and Washington, in the eleven western states, make the changing of motor license plate compulsory the first of January, according to a survey by the Oregon State Motor association. Laws of the other nine western states have periods ranging until March 31.

The two Pacific northwest states are not in the Dec. 31 plate changing class by themselves, however, with eight other states in the east and the territories of Alaska and the Canal zone providing the change be made on that date. In Washington, D. C., on the other hand, 1940 plates are good until March 31.

'VAG' PRESENTS EXCUSE IN COURT

Men picked up on vagrancy charges by city police often give excellent excuses — but here's one that brought results.

One man appeared before Acting Police Judge Adolph Zamsky early Wednesday morning and entered a plea of innocence. Said the alleged "vag":

"I am just waiting around to get my draft classification, and as soon as it arrives I'll move on."

PROPOSED POTATO AGREEMENT DRAWN

A copy of the proposed marketing agreement and proposed order regulating handling of Irish potatoes grown in Deschutes, Crook and Klamath counties, Oregon, and Modoc and Siskiyou counties, California, has just been received at the county agent's office from S. L. Pobot, of the potato section, USDA.

This order resulted from the recent growers and dealers meeting held at Klamath Falls and contains proposals accepted at that meeting. The order is now before the final authorities at Washington to determine if a hearing should be held at Klamath Falls and to definitely set the date for such a hearing. This information should be forthcoming immediately if the proposed order is approved.
