## Moe's Cosmetics

FOR weather-dried hands, here's a marvelous treatment. Moe's has a little package containing Revlon Hand Cream, or Revlon Vanishing Cream, and a pair of mittens to wear over your creamy hands at night. . . . Sue Garrett can tell you which jar you should buy. . . . The outfit is only \$1.00. And Moe's also has a special on Revlon polish, remover, and polish base. . . . A \$1.55 value for \$1.00. . . . Sue told me the stock of these is limited and she can't get any more when these little packages are gone.

For a special Valentine treat. . . . Lucy's Esquire Sweet Shop is featuring brick ice cream with a valentine through the center. . . . It's made by Lost River Dairy, so you know it's good. . . . And costs 45c for the quart brick.

## Curry's

DROPPED into Curry's yesterday to see how the store enlargement was coming along and became quite upset when I discovered that a wonderful special on Tussy's three cleansing creams is going to start on Saturday. . . . I told Vance Vaupel, the manager, that it was too bad this special had to come along with all the hammering, etc. . . . But I guess he thought I was crazy.

"Gosh," he said, "I admit we're disturbed in our store arrangement right now, but we're not going to let that stop us from putting on a special like this. . . . The Tussy people will let us offer it for only two weeks, and the store won't be all fixed up until then."

So I thought I'd better tell you about it. Starting Saturday, the three Tussy cleansing creams which ordinarily cost \$1.75 a jar, are specially priced at \$1.00 each. . . . These are the three creams that I've mentioned before. . . . Emulsified Cleansing Cream, which is for dry sensitive skins. . . . The Pink Cleanser, for normal skins. . . . (This is the light, cold cream type of cleanser). . . . And the Liquefying Cleansing Cream, which is for normal or oily skins.

Incidentally, other items in the Tussy line are equally timely. . . . Especially the Skin Toning Lotion. . . . Because, you know, you should never use a cleansing cream unless you pat on a lotion afterward.

And, by the way, Tussy has a new shade of rouge and lipstick that is adorable. . . . It's called "Stork Club."

You probably know by this time that Curry's For Drugs is the only place in Klamath Falls where you can get Tussy products. . . . So I won't say any more about it.

## Garcelon's

IF YOU haven't taken advantage of the special price on Franciscan ware pottery, you'd better hurry. . . . Because Saturday is the last day when you can get these 34-piece sets at 25 per cent off. The four famous Franciscan patterns are included in this special. . . . Both vivid and pastel shades.

The Coronado and Duotone patterns are \$12.75 for the 34-piece sets. . . . Which is just three-quarters the regular price. . . . And the Montecito and El Patio patterns are \$11.95, also one-fourth off.

Beginning Monday, the special will be a thing of the past. . . . Not only that, but the open stock price on Franciscan ware will go up above the present regular price.

## Beauty Shop

HERE'S a marvelous permanent wave, absolutely new, that Ruby Engel just got in at the Medical-Dental Beauty shop. . . . It's put out by Nestle, so I'd suspect it was good without knowing anything more about it.

This permanent is not only a wave, but a hair reconditioner. . . . All the paraphernalia for one wave comes in a little box that isn't opened until a customer buys it. . . . So you know it's fresh and sanitary.

In the boxes are: An oil shampoo for the operator to use before she gives the wave, and a reconditioner. . . . (These are included in the price, something you don't get ordinarily). . . . Then there are permanent wave pads and solution for one permanent. . . . And a little bottle of Nestle wave set to use in dressing the hair afterward.

Ruby said the salesman told her, when she was ordering, that shops in other parts of Oregon are charging \$10 for giving one of these individually boxed permanents. . . . But she thinks \$7.50 the right price, so that's what she is charging.

## Long's

THIS is the time of year when one simply has to have a new formal. . . . You'll find spring at dances long before you see signs of it on the streets of Klamath Falls. . . . And am I glad that dinner and dance skirts are still long and gracefully flowing!

Speaking of skirts. . . . Long's has the most attractive embroidered blouses I have ever seen. . . . To wear with long skirts or short ones. . . . Depending upon whether you are dressing for afternoon or evening. . . . And, of course, you'll find the skirts there, too.

Long's formals and dinner dresses are darling, too. . . . Many have jackets so they can be used for both. . . . And I noticed that white and blue, and white and red are very popular colors. . . . Prices range from \$12.95 up.

## Big Basin Lbr.

IT'S funny how many people like to keep up with the neighbors in buying new cars, but don't think about their homes until something shocks them into realizing how shabby or antiquated they look.

So I'm going to have some fun and open up the eyes of a lot of people. . . . I'm going to devote some space in this column every week for the next month or so telling about what can be done to make your house a reward to come home to. . . . And a joy to live in.

There are lots of people who hesitate about modernizing their homes because they think the whole thing has to be done at once and they don't like to run up such a bill. . . . But what IS wrong with doing one room at a time? . . . You can get an FHA modernization loan just as easily for one room as for five or six or seven. . . . And with three years to pay the easy terms, (no mortgage, either), you'll never notice the few dollars each month.

So one week I'm going to talk about an old-fashioned, unhandy kitchen, and tell what can be done about it right now so you can begin enjoying it. . . . Then, after that, I'll tell you how you can make your living room so up-to-date and at so little cost you'll wonder why you didn't do it sooner. . . . Then there are simple ways to modernize bathrooms. . . . Just a few changes and presto!

Incidentally. . . . Just to satisfy you that I know what I'm talking (or writing) about. . . . Ralph Howard, the manager of Big Basin Lumber Company, has turned over all his books and pamphlets to me. . . . As well as letting me consult the various building and decorating authorities down there. . . . And he's given me a lot of good advice, himself.

## The Town Shop

FOR a real Valentine gift, why not always-popular hosiery in a special Valentine box? . . . The Town Shop has the darriest red and white boxes with clever Valentine motifs, specially fixed up for gifts. . . . And The Town Shop is the only place in town where you can get the famous NoMend hosiery, which is tested and approved by the Better Fabrics Bureau. . . . It really does wear much longer, as I have discovered myself. . . . NoMend hosiery comes in five different types of leg lengths, so, no matter what shape your leg may be, you can get a perfect stocking fit. . . . Even the length of your girdle is taken into consideration.

## GRANGE SUPPLY MEMBERS VOTE WIDE PROGRAM

MERRILL—Withdrawal from the Oregon grange wholesale was decided upon by the membership of the Klamath Grange Supply at a special meeting held recently and action was taken at the same session for affiliation with the Pacific Supply Co-operative which has headquarters at Walla Walla.

The action precedes a proposed expansion-program that is expected to increase benefits to the 200 present members of the organization and to others who may join in the future. Under the new policy General Petroleum gasoline will be sold and tires, hardware supplies, radios, refrigerators, washing machines and possibly other household appliances will be in stock for members.

No change in membership requirements will be made, memberships depending on payment of a membership fee. No stock is sold and any agricultural producer may become associated with the organization.

The change prefaces also a probable building program at a later date according to W. H. Weitkamp, director, who stated that purchase of a truck for delivery of gasoline and oils to members is also contemplated and will probably be put into service in the spring.

The new local unit is the first in southern Oregon and northern California although the Pacific Supply Co-operative has 90 units in other parts of the state, Washington and Idaho.

Directors met this week for further plans under the new set and the annual meeting of members will be held early in March when officers for the next fiscal year will be elected. Members in the Klamath Grange Supply number 200.

The company has headquarters on the Oregon side of the state line near Hatfield. Present directors include August Andrieu, Merrill, president; F. P. Addeleman, Malin, vice president; L. A. Drager, Malin, secretary and treasurer; L. E. Tillotson and W. H. Weitkamp, Tulelake. Ben Walters is manager.

Mr. and Mrs. Jefferson Cause and family returned Sunday evening from an extended visit in the south and east.

Mr. and Mrs. Bob Pettit and little daughter are visiting relatives in Oklahoma. Mr. Pettit is employed in the Sycan store.

Visitors from the county of office stopped at the high school on Monday. Mr. Seeley taught his class in Leathercraft. Mrs. Brixner visited the elementary rooms. Mrs. Caldwell, county health nurse checked on absences due to illness and also urged students to take the tests offered by the medical service of Klamath county.

Upperclassmen will be plenty busy for the next few weeks. Seniors are considering a play for production in April. Juniors are planning a benefit dance for March 30. Work has started on the annual, "Pine Knots."

Mr. and Mrs. A. H. Newton have as their house guest, Mrs. Margaret Dudley, Oakland, mother of Mrs. Malcolm Epley, Klamath Falls. Honoring Mrs. Dudley, Mrs. Newton asked in a few guests Tuesday afternoon for cards with Mrs. J. R. Blatch, Mrs. Willard Smith and Mrs. Tom Newton greeting the guest.

Marjorie Thacker, daughter of Mr. and Mrs. Boyd Thacker, graduate of the Tulelake high school is listed as an honor student for the winter quarter on the honor roll of Armstrong's College of Business, Berkeley. To be listed a student must maintain grades above a B in all subjects.

## BEAUTIFYING PLAN HEARD AT TULELAKE

TULELAKE—The feasibility of a planting program for beautifying Tulelake was taken under advisement at this week's meeting of the chamber of commerce. Mrs. Almo Newton, authoritatively on varieties of trees, shrubs and perennials that will survive in this climate was invited to act in an advisory capacity.

Mrs. Newton addressed the meeting Monday, suggesting that coordination of efforts of civic units, schools and the chamber be sought. Future plans call for continued improvement in the city park, symmetrical planting of trees and the cleanup of vacant lots now overgrown with weeds.

Discussion included also the possibility of attractive arrangements of shrubs and flowers about the two big stone markers that guard the entrance of the town on the Canby-Hatfield highway.

The chamber has also under consideration a survey of dairy stock in the Tulelake basin that might be available for contribution to a cheese factory. With the trend of future farm production turning to dairy products, poultry and diversified crops rather than potatoes, chances are good that a cheese factory may locate here. Lack of water has also been an obstacle and this angle also is changed with completion of the water system.

Farmers who are interested in promotion of the plan and who have dairy stock now or will have are asked to register at the chamber of commerce headquarters in the Tulelake Reporter office.

W. H. Anderson, J. W. Carlisle and Mrs. A. H. Newton were appointed by R. M. Prior, president to serve on the committee for town improvement.

Members present for the session were W. H. Anderson, J. W. Carlisle, Clyde Barks, Otis Roper, Rancet Sever, E. A. Davis, Mrs. Sarah Welsh, secretary, J. M. Prior and the guest speaker, Mrs. Newton.

Web Van Meter and Teel Jackson were visitors in the valley from Malin Sunday.

The Eddie Roberts boys are cutting wood this winter.

Mr. and Mrs. Earl Webber were visitors at the Jack Holz-houser ranch Sunday evening.

Mr. and Mrs. Rex High entertained 27 guests at dinner in their home Sunday. The occasion was their son Taylor's birthday.

Buck Rodgers was a business caller at Tulelake Monday.

Mr. and Mrs. Ben Nork were callers in the valley from Klamath Falls Thursday evening.

Mr. and Mrs. Ray Klatt and Mrs. Tallman were visitors at the Freuer ranch Sunday from Fort Klamath.

The Great Eastern was the first ship used in laying the first permanent trans-Atlantic cable.

Side roads during this rainy weather are a big problem for those who have to traverse them.

## Modoc Scouts Hold Parents' Night Dinner

ALTURAS—One of the largest events in Scoutdom ever held in Modoc county, took place here Tuesday evening when a parents' night dinner was served to 180 persons in the social hall at the high school.

Ernest Fetch, Lakeview, president of the Modoc council, was the principal speaker of the evening. Dwight Gilchrist, scout executive of Klamath Falls, also addressed the scouts.

C. J. Clause of Lakeview presented Eagle awards to Rudy Griener and John Irish of Alturas. These are the first scouts to receive the Eagle award in the county. Ten received the tenderfoot badge, eight became second class scouts and one a first class scout.

Mr. and Mrs. Samuel P. Dehlinger spent the weekend at Eugene visiting at the home of their son, Karl Dehlinger and family.

Mrs. Carrie Tipton, who has been on the sick list, is reported improving.

Sympathy is extended to Mrs. Sam Enman who received word last week of the death of her brother, Frank Botkins, in Arizona.

Mrs. James McLain and infant son have returned home from the hospital.

Quite a number of the Henley grange members attended the Pomona grange meeting at Midland Saturday. Henley members joining Pomona were Miss Helen Dumbuck and Lee McMullen.

Rev. George W. Wheatley had charge of the Bible study class Tuesday afternoon in the absence of Mrs. Wheatley, who is recovering from an attack of influenza.

Lawrence Cheyne and Charles Semon have returned from a trip to San Francisco.

Mr. and Mrs. A. H. Newton have as their house guest, Mrs. Margaret Dudley, Oakland, mother of Mrs. Malcolm Epley, Klamath Falls. Honoring Mrs. Dudley, Mrs. Newton asked in a few guests Tuesday afternoon for cards with Mrs. J. R. Blatch, Mrs. Willard Smith and Mrs. Tom Newton greeting the guest.

## Forest Grazing Prices Given

ALTURAS — Grazing prices for 1941 will be seven per cent higher for cattle and horses and four per cent higher for sheep than in 1940, according to Russell W. Beeson, supervisor of the forest.

Prices for 1941 are, cattle, 19.8 cents a head per month; for horses, 24.75 cents a head per month; for sheep, 4.73 cents a head per month.

These fees, states Beeson, are based on the 1940 selling price of beef cattle and lambs in 11 western states, as compiled by the agricultural marketing service.
