JUST AROUND THE CORNER
Keen students of the times we face either RUIN, REVIVAL or the RETURN.

RUIN—Roger Babson, who writes a weekly column, motored to the coast not so long ago. All the way across he reports on the general well-being. Quite right, Mr. Babson. We the common people never before had so many good things to enjoy. The popular writers of the past few years say we are on the up and up. Even the school books hint at a blind force that is lifting all life—plant, animal and man—to a higher level. But the Bible says we are on the way down—"Because that, when they knew God, they glorified him not as God neither were thankful; but became vain in their reasoning and their senseless heart was darkened. Thinking themselves wise, they became fools...wherefore God gave them up..."

BIBLE. Here you have the picture before the flood and so again it is to be at the end time. Forget God and RUIN follows that age. The nation that loses its moral fibre is on the way out. If America, the enlightened ones, what of the rest of the world? So they see **WORLD RUIN**.

REVIVAL—With a murder somewhere in the land every 45 minutes; with a crime bill of 13 billions of dollars; with youth crowding the jails, pens and asylums; with the underworld sucking in the grade and high school ages, Babson and the rest see the need of national **REVIVAL**. Right you are—"Blessed is that people whose God is the Lord." It is **REVIVAL or RUIN**.

THE RETURN—If we get neither **REVIVAL** nor **RUIN** it must be **THE RETURN**, they tell us. First Jerusalem is to pass into the hands of the Jews as the Bible pledges them. Then the Great Tribulation "such as was not since the beginning of the world to this time, no, nor ever shall be." In those days God is to pour out of his pent-up wrath upon the masses who will have rejected his Son as Saviour. The meantime, Christ has called His saved ones from the grave and His living from off the earth. He then RETURNS to set up His kingdom of a Thousand Years where equity and justice will dwell in a warless world.

Which for you? To be in the **RUIN**? Or do you crave **REVIVAL** to head off **RUIN**? Or are you to the Lord's own, to have Him thru this little earth span and through the ages to come? Blessed are they who can say—"Being now justified—counted righteous in God's eyes—we shall be saved from wrath thru Him."—Gal. N. Taylor, Beaverton, Ore. Adv.
