Notice to the Conservative Shopper GRAND OPENING of the Star Trading Co. Saturday, March 22nd Take advantage of this outstanding event. We will offer you new and used merchandise at prices never heard of before in Klamath Falls. We believe it would almost be safe to let you make your own price, because our prices will be so low that most offers would be higher than our actual selling prices. It will pay you well to investigate. If you miss this Grand Opening, your loss will be greater than ours, as we will sell on a very small margin. We also buy hides, pelts, furs, tallow, scrap iron, junk batteries, radiators, all kinds of scrap metal, rubber and rags at highest cash prices. We are not trying to put our competitive dealers in scrap metal out of business, then have a monopoly, so that producers would be compelled to sell at any price . . . as is often practiced by the large dealers. We pay full market value at all times . . . no more, no less! Bring in a load of scrap iron, take home a load of furniture and make double savings . . . or get the cash. We have free delivery.
