

SENATE VOTES FOR FUNDS BY 67-9 MARGIN

(Continued from Page One)

of intervention it lies in swiftly and bold proceedings in giving aid to our allies.

"I hope the managers of this program succeed in keeping us out of war, but if they fail I want to be no part of their excuse."

Brooks told the senate he would vote for the appropriation "on the express promise of the administration leaders that this is a peace bill and will keep war away from our shore."

CAST CHOSEN FOR THREE-ACT PLAY

"The Whole Town's Talking," a farce in three acts which is to be presented Friday evening, April 21 at the high school auditorium has many well known Klamath county persons in its cast. Sponsored by St. Mary's Dramatic club, under the direction of C. P. Rowe, the play promises the audience plenty of thrills and laughter.

The cast of characters includes: Henry Simmons, a manufacturer; Barney Cavanaugh; Harriet Simmons, his wife; Ethel Fenwick; Ethel Simmons, their daughter; Patricia Sexton; Chester Binney, Simmons' partner; Louis Corrigan; Letty Lythe, a motion picture star; Margaret Mahoney; Donald Swift, motion picture director; Joe Mercer; Roger Shields, young Chicago blood; Ray Malatchi; Lila Wilson and Sally Oats, friends of Ethel; Connie Ballantyne and Adele Morton; Annie, a maid; Lauretta Bryant; Sadie Bloom, dancing teacher; Mrs. Francis Manning; taxi driver, Bill Shedd.

Mrs. Roy Pickett has been named chairman of the ticket sale. Mrs. Lloyd Low has charge of all publicity.

PIONEER CHILOQUIN RESIDENT PASSES

Alice Leona Spink, 64, pioneer resident of Chilquin and widow of the late R. C. Spink, died at Phoenix, Ariz., Sunday at 10:15 a. m., following a short illness. She was the mother of Mrs. William Lorenz of this city.

The late Mr. Spink was prominent in Chilquin activities for nearly a quarter of a century. He had a part in real estate development in that community and served as justice of the peace. He held considerable land along Spring creek.

Whitlock's will handle the funeral.

ROADSIDE WORK ON NORTH ROAD DONE

Roadside beautification work on The Dalles-California highway between Modoc Point and the Klamath Agency has been completed. J. Almeter of the Oregon State Employment service said Monday, and the results will become apparent later this spring.

Work included the planting of shrubs, trees and flowers in barrow pits and banks lining the road. The job was done by E. L. Gates.

Bonanza Held For Car Theft

Tex Williams, Bonanza, is charged with the theft of an automobile in a complaint filed in court here Monday.

Williams was arrested by the constable at Bonanza, charging he had stolen a car belonging to Charles T. Roth.

OBITUARY

ALICE LEONA SPINK
Alice Leona Spink, for the last 20 years a resident of Chilquin, Oregon, passed away in Phoenix, Arizona, on Sunday, March 23, 1941, at 10:15 a. m., following a brief illness. She was a native of Covelo, Mendocino county, California, and at the time of her death was aged 64 years 4 months and 15 days. Surviving are one daughter, Mrs. William M. (Claudia) Lorenz of this city, also brothers and sisters in California. The remains of Mrs. Spink will arrive in this city Tuesday evening, March 25 at 9:35 p. m. Arrangements are under the direction of the Earl Whitlock Funeral Home of this city. Notice of funeral will be announced Wednesday.

Ready for Grand Coulee's Opening

These two big generators at Washington's Grand Coulee Dam, world's largest dam, will whirl March 22, generating 10,000 kilowatts each for use in defense work. Checking over these 18-ton "first producers" are W. H. Heslip, left, Westinghouse engineer in charge of installation, and James S. Wallace, senior engineer from U. S. Bureau of Reclamation. Much larger generators are under construction to produce the main power load.

Transport News

RAILWAY SUPPLY PURCHASES HIGH

The greatest volume for any January since 1930 is shown in railroad purchases of materials and supplies made in January, 1941, according to figures appearing in the current issue of the Railway Age. The total for the month amounted to \$79,972,000, as contrasted with \$71,000,000 in January, 1931, and \$35,003,000 in January, 1933. Of the \$79,972,000 spent by the railways for materials and supplies in January of this year, \$26,720,000 went for fuel, \$2,472,000 for rail, \$3,235,000 for cross ties and \$47,545,000 for other materials.

Quantity figures of railroad purchases made in the year 1940 are also shown by the Railway Age. According to these figures, the railroads last year purchased 89,500,000 tons of bituminous coal, 1,070,000 tons of anthracite coal, 67,000,000 barrels of fuel oil, and 56,200,000 gallons of gasoline. The purchases included 52,000,000 cross ties, 148,000,000 board feet of switch and bridge ties, and 735,000,000 board feet of lumber and lumber. The delivered rail amount to 1,110,000 gross tons. The purchases made directly by the railroads last year also included approximately 1,000,000 barrels of cement, 15,500,000 cubic yards of ballast, over 2,000,000 rods of fence wire, 13,800,000 gallons of illuminating oil, 33,200,000 pounds of waste for journal packing, and 272,000,000 cubic feet of oxygen for oxy-acetylene welding and cutting.

The Railway Age also separated by states the amount of railroad purchases made in 1940, such purchases totaling \$192,930,000 in Pennsylvania, \$116,635,000 in Illinois, \$67,637,000 in New York, \$63,090,000 in Indiana, \$58,892,000 in Ohio, \$44,672,000 in West Virginia, \$44,487,000 in California, and \$31,027,000 in Missouri.

BEND-PORTLAND LOAD INCREASES

Bend-Portland Trucking company announced Monday that the firm's revenue freight handling thus far through 1941 is approximately one-third over the same period of last year in the basin area. The disclosure came from J. H. Robbins, Klamath agent for the company.

Part of the additional business is due to the increased shipping of potatoes to Portland which opens a market heretofore only lightly touched by Klamath growers. Approximately 110 tons of spuds have been routed over The Dalles-California highway in the past 60 days, Robbins stated. This is a marked increase over 1940, he said.

The Oregon-California Fast freight, an affiliate of Bend-Portland, has recently acquired a petroleum haul from Avon, Calif., to Lakeview and Klamath Falls, the agent also stated.

S. P. Traffic Club — The Southern Pacific employee traffic club was scheduled to meet tonight (Monday) in the roadmaster's office.

POTATO RATES TO CHANGE IN APRIL

The new rate schedule for potatoes shipped from Klamath Falls to Southern California points which was announced last week will become effective on about April 7 or 8, the Southern Pacific Railroad revealed Monday.

The new schedule, which is for a limited time, will cut the rate from 40 to 34 cents and be effective on all California lines. It will meet a slash by the Union Pacific for Idaho growers which will go into effect at the same time.

KLAMATH TRANSFER IN NEW BUILDING

Klamath Transfer and Storage company has just occupied its new building at 101 Klamath avenue.

The tile structure, 50x50 feet in dimensions with a mezzanine floor, will serve as operating headquarters and warehouse for the company, according to Mr. and Mrs. M. J. Young, the owners.

The new building was so constructed that a second story may be added when necessary.

FREIGHTWAYS TO EXPAND SYSTEM

An expansion of the already far-flung Freightways trucking system which will provide shippers with affiliated service to Los Angeles, Salt Lake City and southwestern points was announced Monday by O. H. Fraley, Klamath Falls agent for the Consolidated Freightways.

The added service went into effect Thursday, March 20, Fraley said.

New members are the Savage Freightways, which serves the route from San Francisco to Los Angeles; Pacific Intermountain Freightways, from Los Angeles to Salt Lake City and San Francisco to Denver; and the Phoenix-Blue Diamond Freightways from Los Angeles to Phoenix, Tucson, and Douglas, Ariz.

The new affiliation increases total Freightways personnel to 1700 and brings to 1425 the total pieces of equipment. The system now operates as far east as Chicago and covers 25,000 miles of highways.

Culinary Union Eyes Wage Scale

Wage scales and contracts will be considered at a meeting of the culinary alliance called for 8 p. m. Monday at the labor temple, according to G. C. Tatman, secretary.

Tatman said that two meetings have been scheduled, one for Monday afternoon and the other for the evening, in order that all members might attend.

Census figures show nearly 135 million neckties for men are made each year in American factories. Enough to provide two new ones for each male.

WORK STARTS ON CUT-OFF NEAR WOCUS

Work on the new Wocus cut-off on The Dalles-California highway will begin Tuesday, March 25, Jack Almeter of the Oregon State Employment service said Monday.

Crews have been busy the past two weeks surveying and running lines on the new route which will cut directly across the flat north of the Pelican Bay Lumber company mill instead of making the right turn and running through the present Rabbit Flat settlement.

Aldermet said that labor on the project will be entirely union and will be hired through the employment service office. He cautioned men against attempting to find work by going out to the job.

LAW ON REHIRING DRAFTEES AIRED

A conference of southwestern Oregon employment service directors held in Eugene on Thursday, Friday and Saturday of last week was highlighted by an address by Major George E. Sandy, selective service board employment coordinator, Jack Almeter of the Klamath office, said Monday.

Sandy's talk outlined the procedure which will be used in handling men released from service. Under terms of the draft act selectees who leave jobs in private industry or with the United States government shall be restored their jobs.

Aldermet said that rumors pro and con regarding the status of released trainees' jobs have confused many of the those involved. The law reads as follows:

Sec. 8. . . (b) In the case of any such person (i.e., draftee) who, in order to perform such training and service, has left or leaves a position, other than a temporary position, in the employ of any employer and who . . . (2) is still qualified to perform the duties of such position, and (3) makes application of re-employment within 40 days after he is relieved from such training and service—

A. If such person was in the employ of the United States government, its territories or possessions, or the District of Columbia, such person shall be restored to such position or to a position of like seniority, status and pay—

(B) If such position was in the employ of a private employer, such employer shall restore such person to such a position or to a position of like seniority, status, and pay unless the employer's circumstances have so changed as to make it impossible or unreasonable to do so;

(C) If such position was in the employ of any state or political subdivision thereof, it is hereby declared to be the sense of the congress that such person should be restored to such position or to a position of like seniority, status and pay.

Leaders' Social Meeting Cancelled

The recreation leaders' meeting which was scheduled for Wednesday night, March 26, has been cancelled, according to Winifred K. Gillen, home demonstration agent. This meeting was to be on Song Leadership, conducted by Izola Jensen, extension specialist in community social organization, Oregon State college.

Due to the interest and activity of community recreation leaders in preparation for the countywide Skit Festival, April 4, it was thought desirable to cancel the meeting at this time.

WANTED — Relief bell boy, Hotel Elk. 3-26

CABIN FOR RENT—304 So. 4th. 3-26

Rhodes Goes Free on Writ Of Habeas Corpus Monday

John Charles Rhodes was ordered released on a writ of habeas corpus by Circuit Judge David R. Vandenberg Monday afternoon. Judge Vandenberg said his action was based on failure of the district attorney's office to prosecute.

Judge Vandenberg had set the time for hearing on Rhodes' petition at 2 p. m. When he was not brought into court at that time, the judge said he would wait a few minutes. When nothing more was done, he ordered Rhodes' release. The judge rejected a suggestion from Deputy District Attorney Dick Miller that the proceeding could not go on because Sheriff Lloyd L. Low was not in the city and could not be served. He said that any deputy in the office could accept service.

Rhodes has been bound over to the county grand jury on a charge of burglary not in a dwelling, and the action taken in court Monday will not preclude consideration of the charge against him by the grand jury.

In the petition filed by Attorney U. S. Balentine in Rhodes' behalf, he asserted that after his arrest and justice court hearing in the case, he furnished bond and was released. Thereafter, he asserted, he was again taken into custody by the sheriff.

It was learned at the district attorney's office that the latter action was taken on the grounds that the bond was not deemed satisfactory.

CITY BRIEFS

Called to Portland — Rev. and Mrs. C. Robert Lambert and daughter, Barbara, of 228 North Eighth street left Monday morning for Portland where they were called by the death of Mrs. Lambert's sister. They were accompanied north by Mrs. George A. Seely of Pleasant View tract and by Melvin Frost, also of 228 North Eighth. They expect to return home the middle of the week.

Returns Home — Myrtle Carter, who spent the past week here at the Ray Baxter home on California avenue, returned to Ashland Sunday to resume her studies at Southern Oregon College of Education.

Fire Alarm — The city fire truck responded to a call at 8:30 a. m. Monday sent from the George C. Rice residence at 227 North Ninth street. Fire in the attic under the roof was caused by a defective flue, firman said. Considerable damage was done to the roof. The property is owned by George McCollum.

Malin Man Faces Liquor Charges

Robert Lee Miller is out on bond after his arrest on a charge of unlawful sale of intoxicating liquor.

Miller is proprietor of the Red Bird tavern at Malin. He was arrested by state operatives who late last week arrested a local cab driver on the same charge.

10,000 FIRE BOMBS DROP OVER BERLIN

(Continued from Page One)

on German soldiers parading before breakfast outside barracks near Cherbourg was reported today by British fliers returning from a daylight raid on the German-held French coast.

The daylight blows followed upon raids overnight by British bombers on Berlin while bad weather grounded all but a few German warplanes.

"After bombing the docks at Cherbourg this morning," the air ministry news service said, "a coastal command Blenheim dived and dealt effectively with light gun positions on the outer mole."

"Diving further to 100 feet, the aircraft found the main street of Barleux, near Cherbourg, occupied by German troops on a pre-breakfast parade outside their barracks blocks. They were heavily machine-gunned."

Germans Claim Many Sinkings

BERLIN, March 24 (AP)—Authorized Germans said today 50,000 to 60,000 tons of British shipping had been sunk yesterday.

This was said to include 27,500 tons sunk by a submarine in the north Atlantic. The submarine reported three tankers among its victims.

SEALS WIN

BOYES SPRINGS, Calif., March 24 (AP)—A Sunday crowd of 2000 was on hand at this modest training grounds as the San Francisco Seals closed their six-game coast league practice baseball series with a 5-3 win over Oakland.

The Seals, bunching three runs in the third off Henry Phippen, won the spring series, four games to two.

Rheumatism "Cures"

Superstition once prescribed the following as "cures" for rheumatism: Wear a lead ring; wear a silver ring; wear a brass ring on the left thumb; wear a brass belt; wear red flannel; wear nutmeg around the neck; sleep with a dog; or carry a potato.
