

Bread Recipes Will Help to Stretch Your Kitchen Budget

This tempting pudding is made with fruit and bread.

Good bread is a valuable source of nutrients in the diet. Particularly if it is made of flour from which vitamin B1 has not been lost by over-refining. White bread can be a wholesome food if properly made.

BREAD BISCUITS

(Serves 4 to 6)

Eight slices bread, 2 cups veal stock, 1 teaspoon pepper, 1 teaspoon curry powder (optional), 2 teaspoons vinegar, 1 lb. veal or lamb shoulder, 1 cup canned or fresh cooked peas, drained, butter, softened, 2 tablespoons grated cheese, parsley, chopped. Place veal or lamb shoulder in large pot. Add seasoning and ends of raw celery, parsley, carrot shreds and outside leaves of lettuce. Also 1 onion. Cover with cold water. Simmer until tender. Strain broth and save. Shred meat.

With a small round cookie cutter, cut a round of bread from the center of each slice. Put rounds aside. Cut remaining bread into small cubes with a sharp bread knife. Scald the milk, add the bread cubes and stir with a fork over a low flame, until mixture is thick and smooth. Remove from fire. Beat in pepper, curry powder if desired, and vinegar. Stir in flaked meat and peas, and transfer to casserole dish. Spread rounds of bread generously with softened butter; arrange, butter-side up, to cover meat mixture. Sprinkle top all over with grated cheese (Parmesan-type preferably). Bake in hot oven (450 degrees F.) about 10 minutes. Before serving, sprinkle with finely chopped parsley.

DEEP DISH BETTY

(Serves 4 to 6)

Four tablespoons butter, 1 cup brown sugar, 1 teaspoon cinnamon, 5 slices bread, 2 cups drained, stewed apricots (or fresh strawberries, stewed and drained), grated rind 1 lemon, 1 cup apricot juice (or strawberry juice).

Cream together the butter, brown sugar and cinnamon. Remove crusts from bread and spread thickly with butter mixture. Cut each slice into 8 finger-length strips. Arrange 12 strips clockwise in bottom of buttered baking dish of the deep layer-cake style. Cover with half the apricots and lemon rind. Repeat. Arrange remain-

ing 16 bread strips on top as follows—8 strips radiating from the center, clock fashion, with the 8 remaining strips twisted to form a "U" at the outer end of each. Pour over apricot juice. Cover and bake in moderate oven (350 degrees F.) 45 to 50 minutes, or until top is lightly browned. Serve with plain or whipped cream.

Movie Chief Guilty On Income Tax Count

NEW YORK, April 18 (AP)—Multi-millionaire Joseph M. Schenck was convicted yesterday of income tax evasion in 1935 and 1936 and faces possible imprisonment for 10 years and fines of \$20,000.

A federal court jury deliberated 10 hours to find the movie magnate guilty on two of four counts, but acquitted him of tax evasion charges for 1937 and of conspiracy to defraud the government.

Co-Defendant Joseph Moskowitz, Schenck's eastern representative, was convicted on the 1936 tax charge and acquitted on the other three counts.

Schenck, board chairman of the Twentieth Century-Fox Film corporation, was accused of evading \$412,000 in taxes during 1935-36-37, while his defense was he had over-paid by \$165,000.

Parity Payment Rates Announced For 1941 Acreage

WASHINGTON, April 18 (AP)—Secretary Wickard announced Thursday rates of parity payments to be made to farmers who plant within 1941 AAA acreage allotments for cotton, wheat, corn, rice and tobacco.

The rates include wheat, 10 cents per bushel.

The payments will be made from \$212,000,000 appropriated by congress last year. These payments are designed to help boost farm income from the basic crops toward the administration's goal of "parity" or "fair exchange value" for farm products.

The parity payments will be based on the normal yield of each farmer's acreage allotment.

In addition to the parity payments, farmers who cooperate with the AAA programs will receive soil conservation payments in 1941 at the following rate for wheat, 8 cents per bushel.
