STOCK MARKET FIGHTS BACK AT BAD NEWS

NEW YORK, April 28 (AP)—Like a boxer, up against the ropes, the stock market today tried to punch its way out of a lot of bad news and, in many instances, was moderately successful.

Transfers were around 300,000 shares.

U. S. Steel, Bethlehem and Youngtown Sheet drew support in the face of an officially estimated drop in this week's mill operations of 1.7 points, due almost entirely to fuel shortage. The recession, though, was considerably less than some had expected.

The tax question still was a paramount one marketwise, as earnings statements of several major corporations testified.

General Motors and Chrysler regained balance. Up occasionally were Union Carbide, West-

inghouse, Air Reduction, Montgomery Ward, Santa Fe, Southern Railway, General Steel Castings Preferred, Douglas Aircraft, Sperry, Anaconda and Consolidated Edison.

Backward were Standard Oil of N. J., American Can, Allied Chemical, Eastman Kodak, Kennecott and Woolworth.

Bonds and commodities were steady.

WHEAT SHOOTS UP AFTER SLOW START

CHICAGO, April 28 (AP)—Mildly encouraged by an advance in soybeans, wheat prices hopped up almost 1 1/2 cents a bushel today after a slow start and then reacted.

There was almost nothing in the news to influence trade or prices. Fine weather was reported prevailing over the entire wheat belt, but this has been thoroughly discontinued as a market factor. Chief interest centered in the reception house committees give some pending agricultural bills in hearings scheduled this week.

Wheat closed 1/4 higher than Saturday's finish, May 91 1/2, July 89 1/2, Corn 4 1/2 up, May 68 1/2, July 68 1/2, Oats 4 1/2 higher, Rye unchanged to 14 up, Soybeans 4 1/2 advanced, and Lard 5-10 cents down.

WOOL MARKET
BOSTON, April 28 (AP) (U. S. Dept. Agr.)—Inquiries were being received and some transactions were closed today on woolen-type wools in the Boston market at steady prices compared with last week's sales. Fleecy combed shorn wools, however, were very low. Graded combed three-eighths and quarter-blood bright fleece wools were quoted unchanged at 45 to 46 cents, in the grease, delivered, for wools to be shipped direct from the country. Average French combed fine territory wools in original bags were quoted unchanged at \$1 to \$1.02, scoured basis.

Oarsman Tumbles; OSC Crew Wins
CORVALLIS, April 28 (AP)—A Sacramento junior college oarsman tumbled from his boat into the Willamette river here Saturday, ending a crew race with Oregon State college 50 yards from the finish line.

Both shells halted to rescue the oarsman, Monroe, No. 2 in the Sacramento crew, and judges declared Oregon State the winner. The starters led by a half-length at the time.

Monroe's oar hit that of McLean, Oregon State No. 7 man, and the impact threw him overboard.

Permit Required For Trash Burning
There were no fire calls over the weekend according to members of the city fire department, but there were numerous calls asking for permission to "start fires."

Firemen said Sunday's warm sunshine was inspiration for many Klamath folks who burned trash in their yards as spring fever struck hard. All those wishing to burn refuse must call the city fire department for permission, giving name and location.

Foreign sources have reported that some Lockheed Hudson bombers in service with the British royal air force have been known to return from 350-mile trips with nearly 200 bullet holes in them.
