

SNYDER TALKS AMERICANISM AT CEREMONY

SILVER LAKE — B. K. Snyder of Lakeview, state representative from Lake and Deschutes counties, spoke on the subject, "Americanism," to the graduates of Silver Lake high school and a large audience here Friday night.

"Our heritage as a free people under a democratic form of government is our most priceless possession," said Snyder. "That possession, now menaced as never before by despotism, we must defend with every means in our power, even at the sacrifice of life itself," he told the graduates.

"The last 50 years have been the most marvelous in the advancement of science that the world has known," he continued. "Today even the poorest people in America have comforts and conveniences unknown to the rich half a century ago because they had not yet been imagined. Yet the next 50 years will be more wonderful, more tempestuous and more glorious, if we make them so, than any period of history."

Speaking of the immorality of human influence upon other lives, Snyder paid tribute to the late Dr. Bernard Daly, Lake country's greatest citizen. Dr. Daly came to Lakeview an obscure young doctor with few assets except his professional skill and his business ability. When he died he left a fortune for the education of Lake county youth. Through these hundreds of young people which he has helped to an education Dr. Daly's influence is reaching today to every corner of the United States. Former Daly fund students are doctors in New York city, lawyers in Washington, D. C., and teachers in universities in various states.

Dr. Daly was, as every great American has been, an ardent champion of democracy and a tireless defender of Americanism, Snyder said.

LIBRARY GROUP RENOVATES BOOKS

MERRILL—Nearly 200 books, property of the Merrill library, have been cleaned, bindings renewed, the volumes stitched, re-marked and catalogued by members of the Merrill Library club and expert WPA book members who are employed by the county library. Probably as many volumes remain yet to be renovated.

Transportation was furnished the assistants from Klamath Falls by members of the Library club, responsible for the maintenance of the library which now has more than 3000 volumes.

While the club about a year ago purchased a building which has been remodeled as a club room, the library continues to occupy the city hall building. Mrs. Joe Stukel is librarian.

Westside Club to Clean up Cemetery

WESTSIDE — The Westside B. B. club has made plans to sponsor again this year a clean-up day for the Westside cemetery. Saturday morning the women will prepare a potluck dinner at the grange hall while the men attend to the cleaning up of the cemetery, putting markers on graves, etc. After the noon meal there will be a meeting of the cemetery association, of which Marvin Pardu is president and G. D. Stockburger secretary-treasurer. Plans this year are to clean up the yard around the grange hall, also, after matters pertaining to the cemetery are taken care of.

School Board Signs Teacher

WESTSIDE — The Vernon school district board of directors, under Chairman Francis Smith, has elected teachers for the school year of 1941-1942. Mrs. Lucille Scott of Minnesota has signed a contract to teach grades 1, 2, 3, and 4. Mrs. Scott has had 15 years of teaching experience and comes highly recommended after teaching three years in Jordan Valley, Ore. Ernest Lund, who has been principal of the Vernon school the past two years, will again be principal and teach grades 5, 6, 7, and 8.

MERRILL MEN AID MOOSE IN REMODEL JOB

MALIN—Ray Van Meter, Oregon state inside guardian of the Loyal Order of Moose, and other members of the Merrill lodge are contributing voluntary labor on the building near Tenth and Pine streets, Klamath Falls, that is being remodeled for use as a Moose hall by the Klamath Falls lodge.

Purchased recently from A. M. Collier and Lloyd Porter of the Klamath Falls branch of the First National bank of Portland, the building is one of the first erected in Klamath Falls and was the first home of the Hirvi bakery.

Two floors of the building will be completed soon at an approximate cost of \$4000 with furnishings to cost an equal amount. Later, a full basement will be added to be used as a dining room and kitchen. Partitions have been removed to allow for spacious lodge rooms, recreation rooms and a lounge, locker rooms and rest rooms, the entire interior to be remodeled and decorated and the brick exterior will be coated with white stucco.

A patio and landscaped grounds with a parking lot at the rear for the use of members and guests is planned and when completed will be one of the most modern and luxurious lodge rooms in the city. The rooms will be used only by the Loyal Order of Moose and affiliated organizations.

Members of the Klamath basin, interested in assisting with the building have met evenings since wrecking operations started to help with the rough work and "potluck" has been served by Women of the Moose to those assisting. A turkey dinner was served to about 30 volunteers last Saturday at noon. Experienced labor is recruited from among Klamath Falls tradesmen.

Log Cabin Burns At Silver Lake

SILVER LAKE — Fire destroyed the residence of Charles Shanahan and Bert Wyman Friday at Bear Flat 20 miles from here. The house, a five-room log cabin, furniture and a storeroom containing valuable carpenter's tools were lost. The new grocery store, completed about a month ago was saved. It is believed the fire started from the stovepipe. For the present Shanahan and Wyman are living in the old store building.

TULELAKE READY FOR POPPY DAY

TULELAKE — Bright red paper poppies, 1300 of them, will be on sale next Saturday by the auxiliary of Tulelake post, American Legion, directed by Mrs. George Yost, poppy sales chairman and assisted by the junior activity girls. The blossoms will be offered on the streets of Tulelake and workers will also visit the rural

communities near Tulelake. With disabled veterans of the World war benefitting in so many ways through sale of the flowers, Mrs. C. L. Vernon, rehabilitation chairman of the local auxiliary asks that everyone approached cooperate and buy.

"Although the war is now 22 years in the past, the number of disabled veterans is increasing and the peak will not be reached for several years yet," Mrs. Vernon stated.

RANCHER TRYING GARDEN RAISING

TULELAKE — G. W. Osborne, pioneer potato grower, is venturing into a new field this year with commercial sized plantings of onions, cabbage, garden peas and garlic. A 10-acre field has been planted with 100,000 cabbage plants which Osborne had shipped here from Mississippi; 10 acres have been seeded to onions and a small field has been planted to garden peas and to garlic.
