Local Unit Is Praised

Bundles for Britain Group Active in Year's Work

Of interest to the many persons in Klamath Falls who have taken part this past year in Bundles for Britain activities is the letter recently received by the local unit from Portland headquarters complimenting the workers of this section for their part in raising \$1130 for the fund.

"Klamath Falls has done excellently and is one of the outstanding units of the twenty-two units in the state," said the letter. It was also pointed out that Klamath Falls made more money than any other unit in the state which sponsored the spring golf exhibition presented by Muriel McDougall and Muriel Veitch of Portland.

At a meeting held Wednesday in Klamath Falls, workers decided to send \$500 of their fund to England for one month's support of the hospital maintained by Oregon Bundles for Britain units, the other \$500 to be used at the discretion of Portland headquarters where it might be most needed at this time. The remaining \$130 will be kept in the local treasury and will be the "nest egg" for a future goal.

Those who wish to knit during the summer months for Bundles for Britain, and garments will be needed badly when cool fall and winter months set in, may obtain yarn from one of the four women, Mrs. Charles G. Hovey, Mrs. Guy Hancock, Mrs. Peter Albertson, or Mrs. W. O. Smith.
