

SCOUTS READY TO START FOR CAMP

Camp Makulla, summer playground of the Modoc area council, Boy Scouts, located at Crescent lake, will open its fourth season on July 6. On that day senior Scouts will begin activities which will continue for five action-packed, exciting weeks. Under competent leadership, emergency service and water safety training will be emphasized.

Besides these two vital points of training, Scouts will have plenty of opportunity for fishing, boating, hiking and kindred outdoor activities. This summer a start will be made on a dugout canoe. A log has been selected and been seasoning for the past year.

PLANS COMPLETED FOR RIDING TESTS

Klamath Buckaroo Days celebration was off to a flying start with the board of directors, in session Tuesday night at headquarters, 615 South Sixth street, completing plans for the riding tests to be given at the fair-

grounds at 2 o'clock sharp Sunday afternoon, June 15.

The public is invited to attend the exhibition. No charge is made for this event. As an added attraction there will be a horse show which promises to be exceptionally interesting.

Girls from the various communities in the basin are signing up as entrants in the race for the honor as queen of Buckaroo Days. At this time, Dorris, Bonanza and Sprague River have entered their contestants, their

names to be announced this week.

The girls will be judged on riding ability to the extent of 65 per cent of the score, the remaining 35 per cent to be scored on personality, poise and beauty at the queen's ball to be held in the armory Saturday night, June 21. Judges will not be announced at either contest, according to President O. D. Mathews, until after the queen is chosen.

Others who wish to enter the contest are asked to call at the

615 South Sixth street office, or call 8356 for further information. Requirements set forth by members of the committee are as follows, between the ages of 16 and 25 years of age, unmarried, legal resident of the Klamath basin, and a horsewoman of ability.
