

# MASS MEETING FOR USO FUND DRIVE SLATED

Plans have been fully completed by Mayor John Houston and Chairman L. K. Johnson for the great USO mass meeting to be held at the Willard hotel Wednesday evening at 8 p. m.

One of the features of the meeting will be the presentation of all parents of service boys. Parents of boys in any branch of the service are urged to be present.

District Attorney Thomas E. Dewey speaking of USO said, "Maintenance of morale among the flower of American youth is one of the greatest problems confronting the army no. The United States army is doing a splendid job of military training and the chaplains are to be congratulated on their work on the reservations, but what about the young recruit when he leaves the camp? The army cannot follow him into private life. That is a job for the American public to follow through, and that is one of the big tasks the USO has cut out for itself."

Public spirited citizens of Klamath Falls will be stationed at banks, postoffice and other places, or will call upon business houses through Thursday, Friday and Saturday of this week for voluntary contributions.

Chairman Johnson is anxious that every citizen contribute a small amount so that the \$2000 quota shall be raised quickly and be representative of the spirit of Klamath people.

Representatives of all Klamath county communities will be present for the mass meeting.

The decree ordered Italian individuals and firms to report all American credits against them within 20 days.

# CITY BRIEFS

In Colorado—Attending the national convention of Rotary now being held in Denver, Colo., are two members of the Klamath Falls club, Marshall E. Cornett, past district governor, and R. D. Eller, recently elected president of this club. Eller left last week for Indianapolis, Ind., where he attended the national Shrine convention, leaving from there for Denver. Mrs. Eller and son, George, are visiting in Portland.

To Medford—Mr. and Mrs. George Myers plan to leave Wednesday morning for Medford where they will attend the wedding of Myers' cousin, Lela Henderson, in St. Mark's Episcopal church. Also planning to attend are Dr. and Mrs. Leslie W. Peate of this city.

From San Francisco—Charles L. Brown, general freight agent for the Chesapeake and Ohio railroad in San Francisco was in the city Tuesday on business.

From Lakeview—Forrest Cooper, Lakeview attorney, spent Tuesday in Klamath Falls on business.

Meet Slated—There will be a meeting of Amaranth court on Wednesday, June 18, at 8 p. m.

# SP DEPOT GIVEN NEW SPRING COAT

Klamath Falls' only railroad passenger depot, the Southern Pacific station, is decked out in a new spring coat.

Workmen Tuesday had finished applying cream-colored enamel to the interior walls and ceiling eaves and were ready to begin woodwork varnishing. Figure pressed board ceiling paneling will be cleaned next, according to railroad officials.

The baggage room will be repainted on completion of the waiting room job.

# BAN ON ROVING DOGS EYED BY CITY COUNCIL

Dogs may not be permitted to run at large in May and June next year, it was indicated in city council action last night.

The council instructed City Attorney D. E. Van Vactor to prepare an ordinance requiring local dog owners to keep their pets on their property in the two months as a protection to growing flower gardens.

Councilman Keller said he had conferred with officials of the Klamath Kennel club and Humane society and they favored the proposal for putting the banning on free-running dogs.

The ordinance is yet to be finally voted upon.

Land Condemned—The council approved ordinances providing for condemnation proceedings of two pieces of property involved in the airport expansion program. These properties are 13.7 acres belonging to the Johns family, and 38.7 acres belonging to C. H. and J. F. Kelly.

Frank Reed of the AFL Sawmill and Timber Workers union appeared before the council asking for permission to operate a sound truck in the vicinity of mills which the AFL is seeking to organize.

He said the union will pay the \$10 daily fee if the council will give permission to use the truck. He stated the union has no intention of using the sound equipment on Main street, but particularly wants to reach men working for operators from whose property union organizers have been banned.

The council took the matter under advisement.

Permits Needed—A policy on parking strip auto parking was adopted by the council. Hereafter, parking on such strips will be permitted only on a special permit from the council and if the strips are paved or graveled.

It was decided to permit F. W. Van Buskirk to park cars in a parking strip on Eleventh street, if he will have the strip graveled.

A. W. Downs has asked the city to reimburse him to the extent of \$2.50 for a coat, torn on a local garbage container.

This also was referred for further consideration.

The council approved a street light for Delta street and Johnson avenue.

Shattering explosions across the channel shook the Kent coast for miles. Visibility was so good that observers on the British side saw the barrage put up by the German defenses.

LONDON, June 17 (AP)—The royal air force in attacks last night on western Germany delivered its principal blows on the Cologne and Duesseldorf districts, where "many fires were left burning," the air ministry announced today.

Duisburg also was reported bombed in this sweep over Germany's industrial Ruhr and Rhineland districts, while other planes attacked the docks at Boulogne and machines of the fleet air arm cooperated with bombers of the RAF's coastal command in an assault on the docks and harbor at Dunkerque on the French coast.

The air ministry admitted the loss of seven planes in these attacks.

The night attacks followed offensive daylight sweeps yesterday during which, these sources reported, aircraft of the bomber command continued attacks on shipping off the coasts of Germany and the German-occupied Netherlands.

# TRIBAL COUNCIL TO HOLD MEET FRIDAY

A meeting of the council of the Klamath tribe will be held on Friday, June 20, in the Council house at Klamath Agency at 10 a. m.

At the council meeting there will be nominations and elections of the tribal loan board members. A report will be read by the tribal delegate to Washington. There will also be a report from Attorney Simmons on the Copco dam case, and election of the enrollment committee members.

All adult members of the tribe are urged to be present at this council because there must be 100 eligible adult members present to vote. After the meeting lunch will be served to the members.

CAIRO, June 17 (AP)—Allied troops were reported tonight to have reached the hills overlooking the plains of Damascus and to be making their way slowly down toward the city.

Latest dispatches from the front said fighting still was going on south of Damascus, where certain enemy positions were captured.

The dispatches said that Merdjayoun, which the French claimed to have retaken, still was in allied hands.

# BARNHISEL, BLOHM WIN BOARD JOBS

(Continued from Page One)

the 1941 election, it topped 1940 ballots by 630. Mrs. Odell said 368 votes were counted last year when one director was named. At that time it was considered a fairly heavy vote.

Both newly named directors are well known Klamath Falls businessmen. Blohm serves as manager of the Klamath Falls branch of the United States National Bank of Portland. He was recently elected president of the Klamath County chamber of commerce and serves on various civic boards.

Barnhisel operates a real estate agency in this city, has been a resident of Klamath Falls for the past 16 years, has served on various boards in the city and at the present time is on the city recreation board.

Vacancies on the city school board were caused by the retirement of Andrew M. Collier and James W. Kerns, both of whom have moved from within the district limits.

Unexpected development in the county district was a write-in campaign for Ray Van Meter of Malin against Wilson, but on the basis of early returns it appeared Wilson had a safe lead. Both Wilson, in the south zone, and High, in the east zone, were without filed opposition.

Van Meter captured 60 votes in the Shasta district to 25 for Wilson, but at Malin, Wilson led Van Meter 60 to 3.

Van Meter got 38 votes at Malin for local school committee, beating Mrs. Laddie Rajnus with 29. There was some belief that voters had mistakenly written Van Meter in for local school committeeman instead of county school board member.

The following table shows the tabulation of the Klamath county district vote insofar as returns have come in:

	High	Wilson	Van Meter
Altamont	43	43	
Kirk	6	6	
Modoc Point	3	3	
Malin	52	60	3
Fairhaven	23	23	
Shasta	43	25	60
Chiloquin	9	9	
Summers	8	8	

At Altamont, C. G. Gulley was named on the local school committee. Other local school committeemen from nearby districts: Fairhaven—Harold Schleferstein; Summers, Mrs. Elmer Anderson; Shasta, L. V. Ackerman; Chiloquin, Harvey Muskrat.

Considerable competition developed in the Shasta district. Rollin Thompson got 50 votes, and Mrs. Thompson received one vote, but Ackerman, the incumbent, won out with 71.

# RESTAURANT GROUP MEETS WEDNESDAY

Arthur Charles Bates of the First Christian church of this city officiating. Commitment services and interment family plot in Linkville cemetery. Friends are invited.

# Hixon Sentenced To 8-Year Term

PORTLAND, June 17 (AP)—Federal Judge James A. Fessenden sentenced Wilbur Hixon, Klamath reservation Indian, to eight years in a federal penitentiary today for the slaying of Abner McNair. A jury convicted Hixon of manslaughter.

# REV. ISABELLA CLARK PASSES AWAY SUNDAY

Death brought to a close more than 31 years of missionary work among the Indians of America with the passing of Rev. Isabella H. Clark, 69, for the past 17 years a resident of Sprague River who died Sunday afternoon at her home following a lengthy illness.

Rev. Clark is survived by her husband, the Rev. Ivey C. Clark with whom she had been identified in missionary work during her life. She was the daughter of the late Rev. W. C. Hammer of Asheboro, N. C., and a sister of the late Hon. W. M. C. Hammer, United States congressman from North Carolina.

With her husband, Mrs. Clark spent 31 years in Indian missionary service under the auspices of the committee of Indian affairs, Quaker church, headquarters in Philadelphia. Service among the tribes took them as missionaries into Oklahoma, work among Modocs, Senecas, Quapaws, Peorias, Ottawas, Wyandottes, Miami, Iowas, Kickapoo, and eastern and western Shawnees. They later visited many tribes in Arizona and New Mexico where they entered the evangelistic field. In later years they have devoted their work to the Klamath, Modoc, and Plute tribes of this section. It was through Mrs. Clark's efforts that the Community church of Sprague River was erected 15 years ago.

Memorial services will be held for Mrs. Clark at Brower's Methodist chapel of Randolph county, North Carolina, Sunday, June 22. It is at this place that the family cemetery is located. In addition to her husband and other relatives, Mrs. Clark leaves a host of friends and acquaintances who will mourn her passing. Funeral arrangements will be announced later by Ward's.

yards, which holds about \$300,000,000 of the affected work. The strike, now in its sixth week, involves about 1200 AFL and 500 CIO machinists, who are asking \$1.15 an hour and double overtime pay. Their old scale was \$1 and double time, and they have rejected a proposed agreement providing for \$1.12 and time-and-one-half for overtime.

About 300 AFL machinists went on strike yesterday at the Piper Aircraft corporation at Lock Haven, Pa., where light aircraft used in civilian pilot training are manufactured. The company has offered a 10 per cent wage increase over its current minimum scale of 50 cents an hour for skilled labor and 30 cents for semi-skilled, but the machinists demand a starting minimum of 35 cents for semi-skilled workers, to be increased periodically to 55 cents by the end of the first year, and a minimum of 75 cents for skilled employees.

# HAIRCUT PRICES TAKE BOOST HERE

Haircut prices in Klamath Falls tilted upward to 65 cents Monday but local barber shops Tuesday reported no decline in business.

The boost from 50 cents was agreed upon in late May after prolonged negotiations between master and journeyman barbers. The contract also called for an eight o'clock closing hour on Saturday nights subject to the city council's amendment of an existing nine o'clock ordinance.

At a subsequent council session, the amendment was voted down but union shops will adhere to the contract anyway, it was stated definitely Tuesday.

# WORLD WAR CHIEF OF ARTILLERY DIES

SAN ANTONIO, Tex., June 17 (AP)—Major General Ernest Hinds, 76, U.S.A., retired, G. O. John J. Pershing's chief of artillery in the A.E.F., died today at the Station hospital, Fort Sam Houston.

Funeral services will be held Thursday morning, with burial in the National cemetery at Fort Sam Houston with full military honors.

General Hinds was paid tribute by German observers in the World War who were impressed by the deadly fire of the United States artillery.

As chief of artillery of the A.E.F., General Hinds was in command of every piece of artillery which the United States threw into the great conflict.
