

QUEEN, COURT AT TULELAKE FOR BANQUET

Queen Esther Collman, ruler of Klamath Buckaroo Days celebration July 4, 5 and 6, and members of her court of five princesses, along with Chapones Florence Shirk and Maxine Cameron, were to be guests Wednesday night at a banquet given by the Rotary club of Tulelake.

A busy week is ahead of Queen Esther and her attendants, Dolle Criss, Rosie Suty, Wilma Oetjen, Harriett Brunner and Mae Lilly. On Thursday they will be entertained at the Klamath Falls Kiwanis luncheon at the Willard, guests again at the Rotary luncheon on Friday, and next Tuesday will be feted by the Lions club at luncheon. Their appearance at the Tulelake banquet is the first official one.

Pictures of the queen and her court, have been arranged on large posters by George M. Barth, in charge of publicity for Klamath Buckaroo Days. These posters have been placed to advantage throughout the city and also in Dorris and Malin.

SHELL DEALERS WORK APPROVED

Suggestions to spruce up for motor-car visitors lauded

With a number of local merchants already having shined up their places of business, the drive to prepare Klamath Falls for the thousands of automobile tourists expected here this summer is making good progress.

"This clean-cut campaign should result in extra business as well as valuable publicity for Klamath Falls," Editor Frank Jenkins of The Herald and News stated today.

Crediting local Shell Service Station Managers and Shell Dealers with inaugurating the drive, Jenkins said, "They have set the pace by pledging to keep their restrooms up to the rigid standards specified editorially by Good Housekeeping Magazine at all times. This means spotless toilet and washbowl facilities—clean mirrors, walls and floors—and plenty of soap and towels."

The civic-minded Shell Dealers and Station Managers backing this drive and who have been awarded the "White Cross of Cleanliness," are:

CONFUSION SEEN IN SOVIET RANKS

By LOUIS P. LOCHNER

BERLIN, June 25 (AP)—Hopeless confusion in the Russian ranks—this was the tenor Tuesday of reports by German newsmen attached to advancing German forces since Sunday morning.

As an example, Kurt Helbing, writing in Propaganda Minister Paul Joseph Goebbels' newspaper Der Angriff, reported: "Our Junkers roared in at 20 meters (65 feet) altitude over a column of about 60 vehicles, among them six or seven panzers. Behind them were heavy artillery and two horse-drawn cannons."

"Our machine fired from all muzzles and barrels. Three or four tanks have been hurled to the side. Between them horses are running, are racing with their carts cross country, are spilling them, are falling prostrate. Scared, anguished faces are turned up toward us. After that there's nothing but confusion underneath us."

"Some bolsheviks jump from their seats and run. Others throw themselves into the sand. Again bombs fall, cannon and machine-guns fire. Fountains of dirt and smoke squirt upward. Flames rise high."

"There — another column. About 39 vehicles. Three of our planes dive low. Those below now have become aware of their danger. The vehicles halt sharply."

"Everybody runs to the edge of the road to seek protection. Already the first bombs fall, in fine apple pie order along the roadside. The effect is terrible. Several vehicles are aflame. Others have been telescoped into each other in wild confusion. Whoever isn't dead or wounded is running excitedly and gesticulating wildly, helter-skelter. Nobody is thinking of anti-aircraft. That column is finished."

BIKE SAFETY PARADE DUE HERE FRIDAY

Nearly 300 boys and girls are busily engaged getting costumes and decorations in readiness for the spectacular Bicycle Safety parade, sponsored by Montgomery Ward and company, with the cooperation of the Klamath Falls police department and the recreation administration. This colorful event is scheduled to form at Pine street and North Tenth at 10 a. m. Friday.

Prizes will be awarded to the best and most originally decorated entrant. First prize is a handsome 194-inch trophy to become the permanent possession of the winner. In addition, nine other valuable merchandise prizes will be awarded. All prizes are donated by Montgomery Ward and company and are on exhibition in the windows of the store.

To everyone who takes part in the parade, the Esquire theatre has made arrangements to present a special bike parade matinee immediately following the parade, during which a full length western feature movie will be shown. Dave Bridge, Klamath Falls recreation administrator will instruct the children in safety rules of bicycle riding. The Lost River dairy is presenting each entrant with a free bottle of Royal Crown Cola.

Thursday will be the last chance to register for the parade. All entrants must register with Mr. Milne in the sporting goods department at Wards. Each contestant will be given a set of colorful wheel disks and a set of safety rules on bicycle riding. Milne, manager of Wards sporting goods department, states that final selections of judges for the contest have just been completed. The names of the three judges, prominent local citizens, will be announced in The News-Herald Thursday.

WEATHER DELAYS OILING OF ROADS

Wet weather this past week has slowed up the oiling program throughout Klamath county as planned by the Oregon State highway department. At the present time the state highway shops property in Altamont is being oiled by the equipment which uses hot oil in a spray. Work has been completed on the Lakeview stretch and with

dry weather the oiling crews will move north and operate between Klamath Falls and Chemult.

WILSON DAY

KANSAS CITY (AP)—Olney Wilson wanted a game of golf. The man he approached at the No. 1 tee was agreeable and introduced himself as Bill Wilson.

Before they could get their game under way, a third man sauntered up. The two Wilsons were only too glad to make it a threesome.

Golfer No. 3 said he was Paul Wilson.

Rotary Protests Its President's War-Stand Plea

CAMROSE, Alta., June 25 (CP)—The Camrose Rotary club decided at a meeting last night to "stand adjourned" in protest against a statement reportedly made by T. J. Davis of Butte, Mont., international president, at the Rotary annual convention in Denver last week.

Davis was reported to have closed proceedings with a plea that Rotary abstain from identifying itself with any "ideology of governments" involved in the war.

On the basis of press reports on Mr. Davis' plea, the Camrose club sent a protest to Rotary international headquarters and decided until the meaning of the statement is clarified, the Camrose club will not meet.

First things must come first, in this call for action now—C. F. Palmer, defense housing coordinator.
