

DEDICATION OF NEW S. A. HOME SET SATURDAY

Exemplifying the theme "Onward Christian Soldiers," the Salvation Army on July 26 and 27 will illuminate another milestone along its path of spiritual and social betterment with the dedication of the Army's new administration building at 400 Klamath avenue.

Major Norman Bowyer, commanding officer of the Klamath Falls corps, announced the commissioner, Donald McMillan, western territorial commander, with headquarters in San Francisco, will take a leading part in the dedicatory exercises, scheduled for Saturday night at 7:30 o'clock and Sunday at 2:30 p. m. Commissioner McMillan is making the trip to Oregon for the express purpose of attending and taking a prominent part in the dedication.

The concrete building embraces a large auditorium, gymnasium, home league room, class rooms, social relief quarters, two kitchens and a large dining room, in addition to the auditorium and general offices of the corps.

A. W. Schaupp, chairman of the Klamath Falls advisory board of the Army, declared:

"Equipped to provide recreation for young people, spiritual services, welfare and educational activities, the development constitutes a great achievement and will contribute much to community welfare and improvement."

Working with Major Bowyer to acquire and remodel the new administration headquarters were these people who, besides Chairman Schaupp, make up the Salvation Army advisory board in Klamath Falls:

John Johnston, vice chairman; Martin Swanson, secretary; Lloyd Porter, treasurer; Godfrey C. Blohm, Edward Chilcote, Dr. J. E. Clamahan, Andrew Collier, State Senator Marshall Cornett, Malcolm Epley, Fred Fleet, Glen Hout, J. W. Kerns, Jackson F. Kimball, R. R. Macartney, Ted Medford, Dr. Dean Osborn, Earl Reynolds, Clifton Richmond, Leslie Rogers, Mrs. Mae K. Short, Rev. A. Theodore Smith, A. E. Stonehouse, K. Sugarman, Huntington Taylor, Mrs. George Walton, J. P. Wells and M. P. Winningham.

Commissioner and Mrs. Donald McMillan, responsible for all Salvation Army activities and personnel in the 11 western states, who will arrive in Klamath Falls Saturday to officiate at the opening of the new Army building at 400 Klamath avenue, Saturday and Sunday.

LEGION VOTES 1942 SESSION AT EUGENE

EUGENE, July 23 (AP)—Eugene will be the convention city for the Oregon American Legion again in 1942, it was decided Wednesday morning at the business session of the annual convention.

Legionnaires were debating resolutions and preparing committee reports as the noon hour arrived. The annual election, in which former Mayor Joseph K. Carson Jr., Portland, is favored for commander, will be held Wednesday afternoon.

Carson told delegates yesterday that to maintain army morale soldiers would have to be assured that jobs would await them at the end of their service duty.

He urged speedier organization of civilian defense and told Legionnaires that because of their training and experience they would hold numerous jobs in the program.

Mrs. Hubert A. Goode, Portland, was endorsed by the auxiliary for vice president of western states. The women also voted creation of a state-wide child welfare commission.

The 40 at 8 organization elected Dr. F. J. M. Earnest, Portland, grand chief de gare; Fred Heilbronner, Klamath Falls, chief de train; Kelly Owens, Salem, commissaire intendant; Nell Gillons, Eugene, alternate cheminot national.

The auxiliary nominated Mrs. J. W. McInturf, Marshfield, long-time state secretary, for the presidency. She was unopposed. Others nominated were Mrs. Nota Francis, Ontario, and Mrs. Josephine Kane, Newberg, for vice president; Mrs. Mae Whitcomb, Portland, secretary; Mrs. Dorothy Templar, Klamath Falls, treasurer; Mrs. Edith Brown, Salem, finance officer, the last three unopposed.

In the annual junior drum corps competition, Baker won first place, Albany second, Newport third, and Oregon City, fourth.

FUNERAL

WILLIAM EDWARD PATTERSON

The funeral service for the late William Edward Patterson, who passed away in Phoenix, Oregon, on Monday, July 21, will take place from the chapel of Ward's Klamath Funeral Home, 925 High street, on Thursday, July 24, at 2 p. m., the Rev. A. Theodore Smith of the First Presbyterian church officiating. Commitment service and interment in the Linkville cemetery. Friends are respectfully invited to attend.

AIRMAIL BUS DISCONTINUED BY GREYHOUND

The evening bus to Medford, which has carried airmail for over a year, has now been discontinued.

Information at the Greyhound stage depot is that the stage made its last run Sunday night. Postoffice authorities said that they have discontinued making up an evening airmail pouch for Medford, where the airmail formerly was sent north and south by planes.

Klamath's sole airmail service is now via train to San Francisco and Portland, and thence by air to other points. Local business with airmail report that from some coast points, airmail is slower than straight mail to and from Klamath Falls.

At the request of The Herald and News, Senator Charles L. McNary has submitted to the civil aeronautics board information concerning the discontinuance of the stage. This development is looked upon here as a favorable factor in the argument for establishment of airline service into Klamath Falls.

Senator McNary in a telegram said that hearings have been completed on the application of the United Airlines to operate service into this city and final action by the board is now awaited.

Toulouse Given 6-Month Sentence By Circuit Judge

Earl Toulouse, convicted by a circuit court jury this week of petit larceny, was sentenced to six months in the county jail Wednesday by Circuit Judge David R. Vandenberg.

Toulouse was originally accused of a felony in connection with the alleged theft of the rear end of a truck. But the jury convicted him of petit larceny, finding the theft did not involve loot valued at more than \$35.

From Newburg — Mary J. Clark, member of the welfare commission staff, spent the past weekend in Newburg visiting relatives and was accompanied home by her niece, Mary Jean Otey, who will spend this week here.

IWA Meeting — A regular International Woodworkers of America meeting is scheduled for Saturday afternoon, July 26, at 2:30 in the IWA hall. Every member is urged to attend.

Grass Fire — The city fire department was called to Darrow and Adams street at 11:35 a. m. Wednesday to extinguish a grass fire. There was no damage.

Bike Stolen — James Chastain, 3250 Bristol street, told city police his Hawthorne bicycle was stolen Tuesday from a service station at South Sixth street and Midland road.

Police Court — Two drunks, one vag, and three traffic tickets made up the Wednesday morning police court report.

MACHINERY BURNS AT HASKINS RANCH

MERRILL — Over \$3000 worth of damage was done by flames at the Haskins brothers ranch three miles southeast of Merrill Tuesday when a blacksmith shop, machine shed and granary burned.

The fire broke out at 1:30 p. m., believed started by sparks from a sickle grinder in the machine shop. The Merrill fire department was called and managed to save other buildings on the ranch as a high wind spread the flames.

Valuable machinery was wrecked by the fire, including a mowing machine and hay-baler. Only about 600 pounds of oats was in the granary.

Discovery of the fire was made by Chester Haskins of Merrill who said he was sitting on the watertank nearby with other men talking about how handy the tank would be in case of fire when he saw smoke coming from the machine shop.

Marshall Hits Plan to Block Army Service

(Continued from Page One)

and reserves from further army service was proposed today by Senator Connally (D-Tex.) as a compromise to meet some of the criticism of legislation to retain citizen soldiers in uniform beyond the present limit of one year.

Connally said he had discussed this proposal with Secretary of War Stimson, adding that if the war department did not itself recommend changes he would offer an amendment of this nature.

He hoped to make it possible, the Texas senator told reporters, for national guardsmen and reserves with dependents or business obligations to leave the service, if they felt it was necessary to do so.

JAPS DEMAND ARMY ACCESS TO INDO-CHINA

(Continued from Page One)

fect United States aid to Britain and China and the German radio declared:

"According to news available here, the Japanese government has learned that British aims are directed at French Indo-China.

"The Japanese government is determined to defend its interests with all the means at its disposal against such intentions. The French government is likewise believed to share this view."

In London, Foreign Secretary Anthony Eden told parliament that the British government was keenly "aware of persistent reports to the effect that the Japanese government intends to take action to obtain naval and air bases in southern Indo-China."

STUKEL MOUNTAIN FIRE BREAKS OUT

(Continued from Page One)

fighting the flames Tuesday night, said that at one place the fire apparently was re-set below the road. It was seen to start after a carload of youngsters passed.

The fire's glow provided a spectacular picture for Klamath Falls people Tuesday evening, and many cars were attracted to the vicinity.

The fire which broke out in the Modoc forest area southeast of Malin Tuesday afternoon was controlled by 6 p. m., after it had covered about 125 acres. Ranger George Fisher of Malin told The Herald and News Tuesday evening that the fire was well controlled. Some outdated reports were released here Wednesday morning that it was still uncontrolled.

Forest men in the Dorris area reported that the big fire which burned last week in the lava beds country has now covered approximately 100,000 acres but is under control and the fire-fighting crews have been skeletonized for patrolling.

Henderson Hit By Knudsen on Auto Reduction

(Continued from Page One)

out by negotiation, Knudsen declared.

Henderson heard himself described by Senator Connally (D-Tex.) today as a "dangerous figure—a threat."

The Texan made the remark after questioning Henderson closely about his authority to control prices, an authority which the administrator said was vested in him by executive order.

Connally observed that Hend-

erson had not fixed the price of refrigerators and predicted that he wouldn't.

"I'll lay a little bet on it that I'll fix the price of refrigerators," Henderson replied heatedly.

"You are going to do it whether congress gives you the authority or not, are you?" Connally asked.

"I've got the authority to fix prices now," Henderson retorted.

"Then you have more authority than any man in the United States including the president," Connally told him. "If you've got the authority to fix the price of any commodity, you've got the authority to destroy our economy or maintain it."

PELICAN MAN HELD ON MORALS CHARGE

Emery William Tibbetts, 28, was arrested Tuesday night on complaint of the mother of a 14-year old girl, who charged the Pelican City lumber company employe with rape.

Tibbetts was arraigned Wednesday afternoon in Justice Joseph Mahoney's court and waived preliminary hearing.

Sheriff Lloyd Low arrested Tibbetts. The sheriff said he was called by the girl's mother, who came into town from Pelican City when the girl returned from an automobile ride with Tibbetts.

The officers said the girl had occasionally come into town with relatives of Tibbetts and her mother had consented to let her do so Tuesday evening. Later, the officers asserted, Tibbetts suggested to the girl they leave alone, and drove to Ellingson's mill on Greensprings highway where the alleged assault occurred. District Attorney Orth Sisemore said that examination had showed the girl had been injured.

Tibbetts was held under \$5000 cash or \$10,000 property bond. He was committed to the county jail from Justice court.

MOSCOW SAYS SECOND RAID BY AIR FAILS

(Continued from Page One)

ported the destruction of 92 Russian tanks in a battle south of Kiev, the Ukraine capital, yesterday, and DNB, the official German news agency, asserted that nazi and Finnish troops had knifed deep into Russian lines on the northern front, east of Lake Ladoga.

The German communique said that bombs of the heaviest caliber and showers of incendiaries inflicted "serious destruction" in last night's dusk-to-dawn attack on Moscow, and that fires set the night before were still raging out of control.

By contrast, the Russians officially declared that the raid was a fizzle, with most of the Luftwaffe beaten off and 10 per cent of them shot down.

Amid conflicting reports from Moscow and Berlin on the land fighting, the Germans declared that nazi legions had scored im-

portant gains on the central front, storming key defenses of Polotsk in a violent 2-day offensive with grenades and flame-throwers. Red army troops were reported wiped out by the tens of thousands as they fought to the death from shell-smashed bunkers.

Polotsk lies 140 miles northwest of the vital Smolensk sector.

Ice Cream Social — An old fashioned ice cream social will be sponsored by the Ladies Aid of the First Covenant church on Saturday, July 26. The social will be held on the rear church lawn. Ice cream, cake and coffee and home-made rootbeer will be sold at a nominal price. Serving begins at 7:00 p. m. The public is cordially invited to the affair. The Covenant church is located at 823 Walnut avenue, two doors from the Labor temple.

Correction

There have been many false reports circulated in this territory pertaining to shortage of Buicks. Since we have a usual selective stock of Buicks we desire to correct this error, and to make it known to the public so they may take advantage of this opportune time to save taxes and rise in price that is inevitable.
