

WONDERLAND MEET SET AT DIAMOND LAKE

The first annual mid-summer meeting of the Shasta-Cascade Wonderland association has been set for Diamond Lake, Sunday, August 3, according to an announcement made by E. M. Igl, county director for Klamath county.

The meeting will be in the form of an old-fashioned picnic on the south beach of the lake where with the cooperation of the U. S. forest service tables and seats will be arranged for those who bring their lunch. The major part of the meeting will be a good old-fashioned get-acquainted affair with plenty of recreation and entertainment.

Diamond lake is situated in the cool Cascade mountains with paved highways leading to the shore of the lake from both Medford and Klamath Falls as well as Crater lake. Stores, camp grounds and Diamond Lake resort are nearby the picnic site. There will be swimming at the beach, boating, fishing and hiking. Hot coffee, ice cream and cold drinks will be available.

The association extends a cordial invitation to all persons living in the Shasta-Cascade counties to attend and enjoy themselves and meet their friends and get acquainted with the Shasta-Cascade group. For those planning to make it a weekend party there are ample places to stay over Saturday night within an hour or two of the picnic grounds and it is suggested that reservations be made since the resort is running full this season. There will be ample opportunity to eat at the resort at all times.

Registration headquarters will be at the resort where all are requested to register. Picnic will be at 1 p. m.

PRIVATE PILOTS' LICENSES GRANTED

Two members of the second Klamath Falls civilian pilot training program flight class have passed their instructor's tests and are now holders of private pilot's licenses, the Klamath airport announced Wednesday.

The duo, Andrew A. Silant, route 3, box 905, and Elmer L. Payne, 625 North Ninth street, were the first of the class of five to complete the six-month course. Three others are nearly ready for the final tests.

Meanwhile five other students, members of the third CPTP class which began flight training a month ago, are in the dual stage and about ready to solo.

The CPTP flight instruction is under the wing of Bill Forbis.

KLAMATH MAN SETS RECORD IN EXAM

Douglas W. Pence, 39, former resident of 429 North Second street, set a new high mark in the naval reserve intelligence test in Portland Tuesday, according to word received here. Pence was called back for duty after having served in the United States navy from 1919 to 1926.

Pence scored 98 per cent, topping the old mark of 97. He has recently been office manager for the J. W. Kerns Truck and Implement company. Mrs. Pence and two children, Douglas and Katherine, have moved north. The children attended Riverside school here.

Heavy Load of Equipment Stolen

One hundred and ninety-two chokers, weighing in the neighborhood of 3200 pounds, is too much loot to slip into one man's pocket, but the Weyerhaeuser Timber company is looking for the hooks and cables just the same.

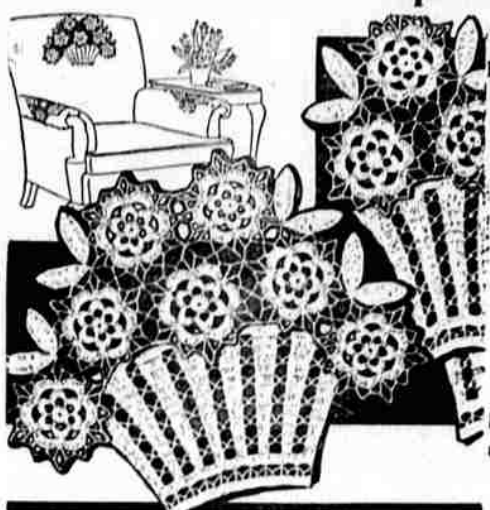

The chokers, valued at \$530, are reported missing from Weyerhaeuser camp 4. The theft in-

A Medallion at a Time Forms Flowers

PATTERN 7030

It's easy—just repeat the medallion and you've all the flowers for this attractive chair set that's crocheted in string. The baskets are done in one piece. Just the medallions, joined, make a matching scarf. Pattern 7030 contains instructions for set; illustrations of it and stitches; materials needed.

To obtain this pattern send 10 cents in coin to The Herald and included 165 feet of 1 inch cable, 80 lengths of Columbia steel, and 112 of Pacific wire rope. The theft was reported to officers Tuesday.
