By EDDIE BRIETZ
NEW YORK, Aug. 6 (The Special News Service)—The daffy major league schedules: New York has three major league ball clubs but for four consecutive afternoons this week doesn't have a day ball game. You add it up. . . . And did you know that Lee Grissom of the Phillies has lost 11 games and hasn't won one, but has one of the lowest earned-run averages in the National league? Which shows how hopeless it is to pitch for the Phillies. . . . George Uhle, the Brooklyn scout, who has been watching International league games for a month, calls Johnny Lindell, young right-hander on the Yankees Newark farm, a \$100,000 prospect. . . . Joe Merrick of Minnesota, whose education to beat Michigan and Northwestern last year, may not be available for Bernie Bierman's current machine because of scholastic difficulties.

Bill Reddy, Syracuse Post-Standard: "John Kimbrough has been cast in the starring role of Zane Grey's 'Long Star Ranger', after which John is due to report for duty with the New York Yankees of the American pro football league. . . . Unless the grid Yanks sign up some more muleskinners in a hurry, Kimbrough may have a repeat performance as the 'Lone Star'."

SPORTS TABLOID
 Phil Rizzuto is sparking the Yankee drive. . . . Bill Terry and Frankie Frisch would like to do a little baseball missionary work in Australia. . . . The Dodger attack is at its peak in its latest five for the flag. . . . Mike Jacobs, back from the coast, is reported sold on Bob Pastor a red-hot favorite when the nag again. . . . Bobby Riggs will be a national singles get underway at Forest Hills. . . . The tennis public has just about given up on Frankie Kovacs, but the Californian may surprise just the same. . . . Opening prices on Nova-Louis on Broadway have the Brown Bomber at 1.5. . . . And the latest on the Yanks are 1.6.

Polo Grounds Likely Site Of Louis-Nova Go

NEW YORK, Aug. 6 (UP)—Developments Tuesday indicated that Joe Louis and Lou Nova will meet in their heavyweight championship battle at the Polo grounds, on or about September 7.

Despite attractive offers from sportsmen in Boston, Chicago, Detroit and other cities for the fight, promoter Mike Jacobs apparently has decided to keep it in New York. Jacobs would not comment upon the site or date today.

However, it became known this afternoon that Jacobs and Nova's manager, Ray Carlen, had decided that Nova will not train at Grossinger's Country club and that Carlen is negotiating for a camp on Long Island.

The Polo grounds will be the battle site, instead of larger Yankee stadium, because Jacobs wants to stage his bout during the week of Sept. 14 when the New York Yankees are playing at home.

BASHFUL BAMBOO
PHILADELPHIA, (P)—The zoo tried hard to put on a nice birthday anniversary party for Bamboo, its 435-pound gorilla whose 15 years in captivity is the longest recorded sojourn behind bars of any gorilla.

But Bamboo refused to cooperate.

He wrecked a table containing a specially-made birthday cake, and instead chewed on a new straw hat. Then he threw watermelon slices at visitors.

Bob Feller 'Perfect Specimen', Classified as 1-A for Draft

By CHARLES P. MAHON
CLEVELAND, Aug. 6 (UP)
 Robert William Feller, the Cleveland Indians' ace pitcher—a perfect physical specimen—as had long been known by American league batters—passed his selective service physical examination Tuesday for induction into the army with a 1-A rating.

Roaring Robert, to date the only 20-game winner in the Bob Feller major leagues, will be 23 in November and his only dependents include his mother, father and young sister and

Perpetual Named for Trot Race

Parshall's Leading Money Winner Still Ill; Bill Gallon Favorite.

By ORLO ROBERTSON
GOSHEN, N. Y., Aug. 6 (P)—Dr. H. M. Parshall announced this morning that his Perpetual definitely would start in the 10th Hambletonian at Good Time park today.

After jogging the son of Protector the Urbana, Ohio, veterinarian said: "He's still not very well, but he's alive and will definitely go."

Perpetual, victor in three starts and leading money winner of the year, took ill two weeks ago at Old Orchard Beach, Me., and apparently was on his way to recovery when he suffered a relapse last week after winning the historic stakes at Goshen's main track.

As the result of the illness, Perpetual probably will be an outsider instead of one of the favorites, R. H. Johnson's Bill Gallon of Charlotte, N. C., and Bill Strang's Xs Excellency of New York, figure to be the choices of the expected crowd of 25,000.

Meanwhile, the early arrivals either lined the white fence at the first turn to watch the work-outs of the Hambletonian candidates and other horses, wandered through the barns or sat in the cool shadows of stables and swapped yarns.

Hours before the day's racing was scheduled to start, parking was at a premium on the town's main street and the parking lots around the track were rapidly filling, indicating that one of the largest crowds in the history of the event would see trotting's Kentucky derby.

The weather and track conditions were perfect. A cool breeze tempered the hot sun while the racing strip was like a piece of pastebord.

Record Shattered in National Arrow Tilt

PORTLAND, Aug. 6 (P)—A record-breaking performance in the York round made Larry Hughes, Burbank, Calif., the favorite at the National Archery association tournament today.

He amassed an 827 score yesterday, one point better than the world mark established in 1939 by Pat Chambers, Portland. A second York round was staged today, but only Carl Strang, Dearborn, Mich., who scored 780, was given a chance to catch Hughes.

Nearest competitor from the northwest was Damon Howatt, Yakima, who totaled 832.

Junior Mark Bettered
 In women's events Belvia Carter, Seattle, was the only northwesterner in the running. She scored 552 in the Columbia round, 32 points off the pace, and 431 in the national round, 37 points behind the leader.

A 698 mark set three years ago by Sonny Johns, Tacoma, was bettered in the junior men's division by Paul F. Cowin, Bethlehem, Pa., who shot 720. Dorothy Axtelle, Tacoma,

Pippins Pluck Vancouver Team; Chiefs Victors

By The Associated Press
Manager Goldie Holt of the Yakima Pippins matched his pitching ability with Skipper Don Osborn of the Vancouver Caplans in Yakima last night and won his Western International league game, 7-5.

The Wenatchee Chiefs defeated the Spokane Indians 4-2 in Spokane, largely through two long hits by Earl Torgeson, each good for a run. Lefty Bob Williams held the Indians to six hits.

Checking a ninth inning Tacoma rally after three runs had crossed the platter, the Salem Senators defeated the Tigers 5-4 in Salem. George Windsor fanned seven and allowed but six hits.

BOY'S NET MEET GOES INTO FOURTH ROUND
CULVER, Ind., Aug. 6 (UP)—Gardner Larned of Chicago, defending junior champion, Tuesday won a hard-fought victory over Holmes Cathrell, Scranton, Pa., to enter the fourth round of the national boys and junior tennis tournament. The score was 6-3, 4-6, 6-3.

In the boys division, top-seeded Bob Falkenberg of Hollywood breezed through a match with Harold Kramer, Highland Park, Ill., 6-0, 6-0.

APPLICATION OKAYED FOR GARCIA-SOOSE FIGHT
LOS ANGELES, Aug. 6 (P)—The state boxing commission has approved Tom Gallery's application for a 12-round outdoor exhibition between Ceferrino Garcia of Los Angeles and Billy Soose, New York recognized middleweight champion, in September.

The over-weight, non-title tilt tentatively is set for Hollywood ball park September 15 or 17.

CAL EYES TWOGOOD
MOSCOW, Idaho, Aug. 6 (P)—Forrest Twogood, former University of Idaho basketball and baseball coach who last week accepted a similar position at the University of San Francisco, was reported Tuesday under consideration for a vacancy at the University of Southern California.

the other 24 members of the Indians.

Natally clad in green sport shirt and green slacks of lighter hue and two-toned brown and white sport oxfords, Feller exhibited no discomfort during the examination.

"He is a perfect physical specimen," said Dr. Michael C. Geraci and Joseph C. Placak Jr. "There's not a thing wrong with him. He's 1-A physically."

It was not known when his name would be reached by his local draft board on its list of registrants for classification.

It was reported reliably, however, that the league's strike-out king would not be called for duty until the end of the baseball season, at least not until October.

Dauids Gun for 10th Win Thursday Night

Bearded Nine Clashes With Negro Monarchs at Recreation Ball Field

Pending news of Wednesday night's House of David-Kansas City Monarch outcome in Medford, the Davids will be gunning for their tenth win against 11 losses Thursday night when the teams clash at Recreation park.

The record, compiled over two years, indicates an even-temper ball game with only a slight edge to the Negro nine. Another comparison, using the Klamath Falls Pelicans as a measuring stick, also gives the Kansas lads a break.

In early July the Kansans bumped the Whitebirds, who in turn shaded the beards, 10-9 on July 28.

It will mark the first time in city history that two professional ball clubs have appeared here on the same evening.

In Seattle the two traveling teams drew 6000 persons; in Portland, 3000; and in Tacoma, 2800.

Local baseball men hope for a full ball park at Thursday night's eight o'clock "Play Ball" time.

California Trio Looms In East

RYE, N. Y., Aug. 6 (P)—A trio of California youngsters with the indefinable quality that makes tennis galleries sit up and take notice threatened to overshadow the top-flight stars today in the third round of the Eastern Grass Court championships.

They are Frederick R. Schroeder Jr., of Glendale, the best-known of the three; Early B. Coecheil Jr., of Los Angeles and Louis Brough of Beverly Hills. Schroeder and Coecheil play each other in what promises to be the day's most interesting match. Miss Brough, who achieved sudden fame by defeating Mrs. Sarah Paley Cooke in last week's Hampton tournament, meets still another young Californian, Patricia Canning, in a women's singles match of equal importance.

State Trapshoot Champions Get Ready for 42nd Grand American

DAYTON, Ohio, Aug. 6—Champion of champions! There's a title that stands as one of the most desirable of the 21 championship events on the 42nd Grand American trapshooting program which will be staged at Vandallia field, near here, August 18 to 22.

This is the race in which only state trapshoot champions are eligible to compete, and hardly a state king will be missing when the firing in this 10-target competition gets under way on opening day.

Adding to the intrigue of the day is a brand new event—a race over 100 16-yard targets for

state women's champions, too. Throughout the United States, the provinces of Canada, the island of Cuba and the Canal Zone there have been 39 championships reported to the office of the A. T. A. here. And the list of men and women alike include some of the best-known scattergunners in the world, as well as a few newcomers.

State titles are usually decided over 200 targets, and a year ago not a single 200 straight was reported. This year, Detroit's Fred Ford won the Michigan crown with a perfect score—the only man on the continent who can boast that distinction to date.

Beavers Blank Hollywood; Oakland Handcuffs Seattle

PORTLAND, Aug. 6 (UP)—The Portland Beavers Tuesday night thumped the Hollywood Stars 4-0. By their win the Beavers broke an eight game winning streak for Angel Hurler Bithorn, who was sent scurrying to the showers in the eighth inning.

The Portland scores came on bunched and timely hits in the second, sixth and seventh innings.

In the second, successive singles by Thompson, Escobar, Reich, and Norbert were good for two runs.

LOS ANGELES, Aug. 6 (UP)

The Angels knocked in three runs in the opening frame when Sacramento Pitcher Bill Schmidt walked three men after letting Bill Schuster open with a dou-

Donkeys Fun; Kalpine Wins 17-0 Victory

LAUGH A MINUTE WAS SEEN when stout men braved embarrassing moments and hardy laughs to conquer those wild donkeys in the donkey baseball game played under the Recreation park lights last night.

The game was called in a dead heat with 6 runs scored by both sides after one wild night of the donkey Dunkerque.

In regular baseball any one of the hits would have been a good two bagger, but the slow pace recorded by the donkeys made the trip to first base a week's journey. Very few home runs were scored and the first one was marked up after a would-be fly. After the donkey and the rider advanced haphazardly over the home plate the rider yelled out that it was his first homer of the season.

In the league play the Kalpines poured on the heat and blanked their Long-Bell rivals by the decisive score of 17 to 0. Aello of the Kalpine nine rang up the only homerun of the game. Kalpine's victory put them tied with Pelican Bay for the third spot in the Klamath baseball standings.

Tonight's games will see the Knights of Columbus pitted against Algoma and Weyerhaeuser meeting the Webb Kennett nine.

Activities Start N. W. Golf Meet
PORTLAND, Ore., Aug. 6 (P)—More than a hundred of the northwest's best golfers, including ex-National Amateur Champion Marvin ("Bud") Ward, teed off today in the Pacific northwest open.

Conviction that it would take sub-par golf to win spread yesterday as several professionals broke par in practice. Ward himself equaled par, 72, on his first tour of the links.

VEATCH MARKED FAVORITE IN TACOMA GOLF ROUNDS
TACOMA, Aug. 6 (P)—Defending Champion Muriel Veatch of Longview remained a favorite as the Washington State Women's Golf association championship tournament entered its third day today.

Miss Veatch got over her first hurdle when she defeated a strong challenger for her crown, Shirley McDonald of Tacoma, 5 and 3, in her first match yesterday, turning in a score of 80, three over women's par for the Fircrest course.
