SMALL NUMBER ENTER AMATEUR GOLF TOURNEY

NEW YORK, Aug. 7 (AP)—The 45th amateur championship of the United States Golf association, which will be played August 25-30 at the Omaha Field club, has attracted only 643 entries—a fact which may be significant to the people who hold the mortgages on a lot of golf clubs.

one exception, since 1933. There was a drop in 1937 from the record of 1118 to 619 but the main reason was that the tourney was played at Portland, Ore., and most eastern golfers thought that was too far away. Since 1938, the figures have been dwindling steadily.
