

Bobo Stops Savold in Pittsburgh

PITTSBURGH, Aug. 13 (AP)—Harry Bobo, husky 21-year-old negro heavyweight who says he would like to be a preacher, stepped into the title futurity stakes last night by knocking rugged Lee Savold, blond Des Moines battler, in two thrilling rounds.

Savold, a capable boxer who once broke Billy Conn's nose in a New York fight and barely lost here last May to Bobo, never had a chance when the 6-foot 2-inch Pittsburgh giant unloaded the dynamite in his right hand.

After stabbing Lee through most of the first round with a stiff left jab, Bobo caught the Iowa flush on the button and dropped him to the carpet in the waning seconds. The bell gave Lee a respite.

But only for a few seconds for as the second round opened Bobo floored him for nine and when he arose he was bombed down again. Flat on his face, Lee was unconscious when the referee finished tolling 10.

Bobo celebrated his 21st birthday last month. He was graduated from high school two years ago with high honors and declared then he wanted to be a preacher.

Lincoln Anglers Too Good for Meet

WALDPOR, Aug. 12 (AP)—The Waldport salmon derby committee decided today that Lincoln county fishermen were too good.

The committee barred county residents from the annual steelhead derby which starts Labor day on Aulsea bay because, being familiar with the steelhead waters hereabouts, they have too much advantage over visitors. Purpose of the derby is to attract outside fishermen.

The derby lasts eight weeks.

Spokane Splits Double Bill With Yakima Pippins

By The Associated Press
The league-leading Spokane Indians split a doubleheader yesterday with the Yakima Pippins, their closest rival for western international league dominance, narrowly squeezing out a seven-inning 7 to 5 victory in the opener and being squeezed out in turn by the Pippins, 8 to 7, in a 12-inning nightcap.

Cellar scraping Wenatchee surprised the Tacoma Tigers with a ninth inning flurry which drove Earl Porter to the showers, netted the Chiefs three runs and a 6 to 5 victory and was chalked up against Del Holmes as a loss despite the fact he pitched to only three men after relieving Porter.

The Vancouver Capitanos came from behind in the fourth to open a scoring attack which finally concluded with a 7 to 1 victory over Salem, shutting the Senators out the rest of the way.

NEW YORK, AUG. 13 —(The Special News Service)—Personal notes: Joe Sherman, Clemson drum-beater who is here seeing the town and talking up the Tigers, figures the draft won't hurt college football this year. . . . Says Joe, all the teams may be hit, but no one is liable to suffer much more than the others. And besides it may be a lot more fun if they have to play a lot of sophs who don't know all the answers and are willing to try anything. . . . Confidentially, Stout Steve Owen of the football Giants considers Marion Pugh, the former Texas Aggies quarterback, the most finished college back in a decade and expects him to be the standout of the Chicago all-star game. . . . Joe DiMaggio was seen at a Long Island spot the other night playing the machine that shoots balls at a batter—and hitting ought for fifteen.

Two Minnesota linemen, Don Noland and Bernie Nelson, are working this summer as linemen for a telephone company. . . .
